Secret Dorset:

National Geographic Guide to the World's Secret Places David Yeadon,2004 Here are island hideaways on the tropical beaches of Mauritius in the Indian Ocean and on the windswept North Atlantic shores of Harris where Scottish crofters handweave their famous tweed Visit mountain aeries from the Himalaya to the Pyrenees secret realms from the harshly beautiful desertscapes of the Sahara to the lush rain forests of Costa Rica or the winding alleys of a village tucked into the foothills of the Alps Twenty eight destinations in all each place has its own unique flavor and appeal yet shares a kind of privacy and authenticity all too rare in our hectic modern world SECRET DORSET. The Three Dorset Captains at Trafalgar Alexander Meyrick Broadley,Richard Grosvenor Bartelot,1906 **The Lost Girls** Andrew Radford,2007 *The Lost Girls* analyses a number of British writers between 1850 and 1930 for whom the myth

of Demeter's loss and eventual recovery of her cherished daughter Kore Persephone swept off in violent and catastrophic captivity by Dis God of the Dead had both huge personal and aesthetic significance This book in addition to scrutinising canonical and less well known texts by male authors such as Thomas Hardy E M Forster and D H Lawrence also focuses on unjustly neglected women writers Mary Webb and Mary Butts who utilised occult tropes to relocate themselves culturally and especially in Butts's case to recover and restore a forgotten legacy the myth of matriarchal origins These novelists are placed in relation not only to one another but also to Victorian archaeologists and especially to Jane Ellen Harrison 1850-1928 one of the first women to distinguish herself in the history of British Classical scholarship and whose anthropological approach to the study of early Greek art and religion both influenced and became transformed by the literature Rather than offering a teleological argument that moves lock step through the decades The Lost Girls proposes chapters that detail specific engagements with Demeter Persephone through which to register distinct literary cultural shifts in uses of the myth and new insights into the work of particular writers
