John E. Jessup, Robert W. Coakley

Secrets Of The Fascist Era How Uncle Sam:

Secrets of the Fascist Era: how Uncle Sam Obtained Some of the Top- Level Documents of Mussolini's Period ,1975 *Secrets of the Fascist Era* Howard McGaw Smyth,1975 This account of the capture and validation of Italian Fascist state papers during World War II some of which only recently have been declassified is the stuff of high level intelligence and counter espionage In an account that reads like a detective story Howard Smyth reveals fully for the first time how the United States obtained the Fascist documents As an OSS and State Department officer during the war Smyth was intimately involved in the validation of the papers and as a professional historian was uniquely qualified to evaluate their importance Among the documents Smyth describes are the Lisbon Papers documents which emanated from the office of Count Ciano as Italian Foreign Minister and which the Italian Government attempted to hide from the Allies the Ciano Papers Rose Garden the German translations of Italian State Papers which Ciano himself set aside to accompany his diary and for which Edda his wife and Mussolini's daughter tried to barter her husband's life and Mussolini's Private Papers said once to have comprised over 100 000 files some of which were found in his villa others on his person during his final flight to avoid capture Though Dr Smyth focuses on the problems of the authenticity of the collections his account of their acquisition weaves an exciting story of high adventure and human drama Obviously of utmost importance to scholars the work will be of special interest also to general readers and World War II history buffs

Cloak & Gown Robin W. Winks,1996-01-01 The CIA and its World War II predecessor the Office of Strategic Services OSS were for many years largely populated by members of Ivy League colleges particularly Yale In this highly acclaimed book Robin Winks explores the underlying bonds between the university and the intelligence communities introducing a fascinating cast of characters that include safe crackers and experts in Azerbaijani as well as such social luminaries as Paul Mellon David Bruce John P Marquand Jr and William Vanderbilt This edition of the book includes a new preface by Winks Reviews of the first edition One of the best studies of intelligence in recent years Edward Jay Epstein Los Angeles Times Book Review The most original book yet written on the interpenetration of counter intelligence and campus Andrew Sinclair Sunday Times London Winks writes a lively compound of analysis and anecdote to illuminate the bonds between academe and the intelligence community His book is a towering achievement Robert W Smith Chicago Sun Times Among the more important contributions to the history of Anglo American espionage to appear this or any other year Moves with an unfolding pace that any thriller writer might envy Tom Dowling San Francisco Examiner A brilliant book Sallie Pisani Journal of American History

The Intelligence Revolution Steven E. Maffeo,1988

A Guide to the Study and Use of Military History John E. Jessup,Robert W. Coakley,1979 This Guide to the Study and Use of Military History is designed to foster an appreciation of the value of military history and explain its uses and the resources available for its study It is not a work to be read and lightly tossed aside but one the career soldier should read again or use as a reference at those times during his career when necessity or leisure turns him to the contemplation of the

military past **From Hitler's Doorstep** Neal H. Petersen, 2010-11-01 For three years during World War II future Director of Central Intelligence Allen Dulles commanded the OSS mission in Bern Switzerland *From Hitler's Doorstep* provides an annotated selection of his reports to Washington from 1942 to 1945 Dulles was a leading source of Allied intelligence on Nazi Germany and the occupied nations The messages presented in this volume were based on information received through agents and networks operating in France Italy Austria Eastern Europe and Germany itself They deal with subjects ranging from enemy troop strength and military plans to political developments support of resistance movements secret weapons psychological warfare and peace feelers The Dulles reports reveal his own vision of grand strategy and presage the postwar turmoil in Europe One of the largest collections of OSS records ever published these telegrams and radiotelephone transmissions from the National Archives provide an exciting account of the course of the European war offer insight on the development of American intelligence and illuminate the origins of the Cold War They will interest diplomatic and military historians as well as specialists on modern Europe This volume is almost unique as document based intelligence history and serves as a badly needed bridge between diplomatic history and intelligence studies **Mussolini** Richard J. B. Bosworth, 2014-03-04 In 1945 disguised in German greatcoat and helmet Mussolini attempted to escape from the advancing Allied armies Unfortunately for him the convoy of which he was part was stopped by partisans and his features made so familiar by Fascist propaganda gave him away Within 24 hours he was executed by his captors joining those he sent early to their graves as an outcome of his tyranny at least one million people He was one of the tyrant killers who so scarred interwar Europe but we cannot properly understand him or his regime by any simple equation with Hitler or Stalin Like them his life began modestly in the provinces unlike them he maintained a traditional male family life including both wife and mistresses and sought in his way to be an intellectual He was cruel though not the cruellest his racism existed but never without the consistency and vigor that would have made him a good recruit for the SS He sought an empire but in the most part his was of the old fashioned costly nineteenth century variety not a racial or ideological imperium And self evidently Italian society was not German or Russian the particular patterns of that society shaped his dictatorship Bosworth's *Mussolini* allows us to come closer than ever before to an appreciation of the life and actions of the man and of the political world and society within which he operated With extraordinary skill and vividness drawing on a huge range of sources this biography paints a picture of brutality and failure yet one tempered with an understanding of Mussolini as a human being not so different from many of his contemporaries The definitive study of the Italian dictator *Library Journal* **The intelligence revolution a historical perspective.** , **Royals and the Reich** Jonathan Petropoulos, 2008-08-12 Princes Philipp and Christoph von Hessen Kassel great grandsons of Queen Victoria of England had been humiliated by defeat in World War I and like much of the German aristocracy feared the social unrest wrought by the ineffectual Weimar Republic Jonathan Petropoulos shows how the princes lured by prominent positions in the Nazi regime and highly susceptible to nationalist appeals became enthusiastic supporters

of Hitler Prince Philipp son in law to the King of Italy became the highest ranking prince in the Nazi state and developed a close personal relationship with Hitler and Hermann Goering Prince Christoph was a prominent SS officer and head of the most important intelligence agency in the Third Reich In return the princes made the Nazis socially acceptable to wealthy high society patrons Prince Philipp even introduced Goering to Mussolini at a critical stage in the Nazi Party's development and later served as a liaison between Hitler and the Italian dictator Permitted access to Hesse family private papers and the Royal Archives at Windsor Castle Petropoulos follows the story of the House of Hesse through to its tragic denouement the prince's betrayal and persecution by an increasingly paranoid Hitler and prosecution and denazification by the Allies

Agent 110 Scott Miller, 2017-03-07 Presents an account of how OSS spymaster Allen Dulles led a network of disenchanted Germans in a plot to assassinate Hitler and end World War II before the invasion of opportunistic Russian forces NoveList

A Guide to the Study and Use of Military History John E. Jessup, 1979

Mussolini and Hitler Christian Goeschel, 2018-09-25 This fresh treatment of Fascist Italy and Nazi Germany reveals how the close relationship between Mussolini and Hitler influenced both men From 1934 until 1944 Mussolini met Hitler numerous times and the two developed a relationship that deeply affected both countries While Germany is generally regarded as the senior power Christian Goeschel demonstrates just how much history has underrepresented Mussolini's influence on his German ally A scholar of twentieth century Germany and Italy Goeschel revisits all of Mussolini and Hitler's key meetings to examine how they constructed a powerful image of a strong Fascist-Nazi relationship that still resonates with the general public His portrait of Mussolini draws on sources ranging beyond political history to reveal a leader who at times shaped Hitler's decisions and was not the gullible buffoon he is often portrayed as The first comprehensive study of the Mussolini-Hitler relationship this book is a must read for scholars and anyone interested in the history of European fascism World War II or political leadership

On the Fiery March G. Bruce Strang, 2003-07-30 By the 1930s fascist dictator Benito Mussolini reached the conclusion that Italy faced a clear choice expand its power at the expense of the British and French Empires or face stagnation and decline He believed that the regimes in the democratic West would not be able to contain their inherent hostility toward fascist dynamism while their demographic and political weaknesses provided the opportunity for the younger demographically virile fascist Italy to carve a new empire in the Mediterranean status quo Through his intervention in the Spanish Civil War and his attempts to challenge French Power in Europe and British imperial domination of the Middle East and East Africa Mussolini sought to decisively change Italy's long standing position as the least of the Great Powers Although the Pact of Steel did not always function smoothly Mussolini remained loyal to its principles eventually throwing Italy into the Second World War where he would belatedly discover that his regime had signally failed to prepare his legions for fighting in a modern war

Hitler and Spain Robert H. Whealey, 2021-05-11 An imperative starting point of any future inquiry concerning Nazi Germany's incursion into and manipulation of Spain's civil strife International History Review The Spanish

Civil War begun in July 1936 was a preliminary round of World War II Hitler's and Mussolini's cooperation with General Franco resulted in the Axis agreement of October 1936 and the subsequent Pact of Steel of May 1939 immediately following the end of the Civil War This study presents comprehensive documentation of Hitler's use of the upheaval in Spain to strengthen the Third Reich diplomatically ideologically economically and militarily While the last great cause drew all eyes to Western Europe and divided the British and especially the French internally Hitler could pursue territorial gains in Eastern Europe This book based on little known German records and recently opened Spanish archives fills a major gap in our understanding of one of the twentieth century's most significant conflicts Its comprehensive treatment of German Spanish relations from 1936 through 1939 bringing together diplomatic economic military and naval aspects will be of great value to specialists in European diplomacy and the political economy of Nazi imperialism as well as to all students of the Spanish Civil War A major contribution to understanding not only the Spanish conflict but also the history of the thirties and in particular the failure of Britain France and the Soviet Union to make common cause against fascist powers History Workshop Journal

Studies in Intelligence, 2005 Galeazzo Ciano Tobias Hof, 2021-05-02 Building on extensive archival research and important scholarly analysis Galeazzo Ciano The Fascist Pretender examines the life of Galeazzo Ciano foreign minister of fascist Italy from 1936 to 1943 and Benito Mussolini's son in law Ciano's life serves as a lens through which to gain a better understanding of crucial issues of Italian and European fascism including the fascistization of society and politics foreign relations and the problem of succession The biography follows an innovative thematic structure that focuses on major aspects of Ciano's life including his family his political career his diplomacy and his desire to succeed Mussolini Filling a substantial gap in the existing literature on the history of fascism this book is the first comprehensive analysis of a key player of Italian fascism other than Mussolini it also offers a long overdue critical assessment of Ciano's famous diary one of the most important texts from the period Using visual materials such as photographs and films as sources and not just as illustrative material Tobias Hof allows us to rethink our understanding of fascism and offers a new perspective on the history of fascist Italy *Professional Journal of the United States Army*, 1980 *Military Review*, 1975 Italy Roland Sarti, 2009 Exploring more than 500 years of the country's history Italy provides readers interested in modern Italy or European history with a greater understanding of Italy's past from the Renaissance to the present This guide presents the milestones in Italy's history in an interesting and readable way *Marconi* Marc Raboy, 2016 A biography that traces the origins and emergence of global communication through the life and career of Guglielmo Marconi inventor of the radio

While this might not be the Secrets Of The Fascist Era How Uncle Sam full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Secrets Of The Fascist Era How Uncle Sam eBooks, including some popular titles.

FAQs About Secrets Of The Fascist Era How Uncle Sam Books

What is a Secrets Of The Fascist Era How Uncle Sam PDF? A PDF (Portable Document Format) is a file format

developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Secrets Of The Fascist Era How Uncle Sam PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Secrets Of The Fascist Era How Uncle Sam PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Secrets Of The Fascist Era How Uncle Sam PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Secrets Of The Fascist Era How Uncle Sam PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
