## **Secular Squeeze Reclaiming Christian Depth In A Shallow World:**

**The Secular Squeeze** John F. Alexander, 2005-02-28 The real problem with secularism It s boring Christians have for decades lamented the secularism of the modern world Often secularization is seen as a fierce malevolent force out to devour everything in its path But John Alexander suggests the real danger of secularism is that it is empty and shallow it has squeezed the world flat Modern secular culture has produced people who see themselves as little more than highly evolved machines They live ina world with no heroes only celebrities and with no causes more grand than acquiring a nice house The only adequate response to secularism s emptiness Alexander argues is a remnant church that actually lives by the truth of Jesus story a gospel that offers people something truly worth living and dying for The Secular Squeeze couples trenchant cultural analysis with stirring constructive insight into how Christians can disavow the false myths of secularism and take up a cross with nails

*Apologetics in Africa* Kevin Muriithi Ndereba, 2024-02-01 Divided into four major sections this textbook provides an in depth exploration of the biblical philosophical cultural and practical concerns facing African Christians as they proclaim and defend the gospel in Africa Written by a diverse group of pastors and scholars it provides a much needed interdisciplinary and contextualized approach to apologetics It also seeks to bridge the gap between academic research and ministry practice touching on such topics as hermeneutics biblical criticism church history the nature of evil religious inclusivism Muslim Christian engagement eldership rites domestic violence cults and the digital age Biblically robust contextually relevant ministry oriented and accessible this is a remarkable resource for enriching the life and ministry of Christians in Africa and beyond

*The Intentional Christian Community Handbook* David Janzen, 2012-11-01 This is a book that we ve needed for a long long time This is a book for people who long for community and for people who ve found it for young seekers and for old radicals Like a farmer s almanac or a good cookbook it s a guide that doesn t tell you what to do but rather gives you the resources you need to find your way together with friends in the place where you are We couldn t be more grateful to have a book like this And we couldn t be happier to share it with you Shane Claiborne and Jonathan Wilson Hartgrove In the 21st century a new generation of Spirit energized people are searching for a new yet ancient way of life together David Janzen a friend of the New Monasticism movement with four decades of personal communal experience has visited scores of communities both old and new The Intentional Christian Community Handbook shares his wisdom as well as the experience of intentional Christian communities across North America over the last half century

*One Faith No Longer* George Yancey, Ashlee Quosigk, 2021-07-06 Irreconcilable differences drive the division between progressive and conservative Christians is there a divorce coming Much attention has been paid to political polarization in America but far less to the growing schism between progressive and conservative Christians In this groundbreaking new book George Yancey and Ashlee Quosigk offer the provocative contention that progressive and conservative Christianities have diverged so much in their core values that they ought to be thought of as two separate religions The authors draw on both quantitative data and

interviews to uncover how progressive and conservative Christians determine with whom they align themselves religiously and how they distinguish themselves from each other They find that progressive Christians emphasize political agreement relating to social justice issues as they determine who is part of their in group and focus less on theological agreement Among conservative Christians on the other hand the major concern is whether one agrees with them on core theological points Progressive and conservative Christians thus use entirely different factors in determining their social identity and moral values In a time when religion and politics have never seemed so intertwined One Faith No Longer offers a timely and compelling reframing of an age old conflict      *Kingdom Come* Allen M. Wakabayashi,2009-09-20 God is up to something And his plans are far greater than you might imagine Christianity is not merely about isolated individuals going to heaven It s about God transforming the entire world and making things right Sicknesses will be healed sins will be forgiven injustice will be eradicated and all creation will be redeemed But this is not merely a distant future It s happening now through what Jesus came to establish the kingdom of God Allen Wakabayashi reawakens you to the world changing reality of the kingdom of God With clear biblical insight he unpacks what Jesus proclaimed about the good news of the kingdom and spells out the implications for you today Focusing on the kingdom of God will revolutionize how you live out your faith how you think about your world and how you explain the good news about Jesus Ultimately understanding yourself as a citizen of the kingdom will empower you to be one of God s change agents in the world God is at work to restore everything to be the way he intended it to be and you can be a part of what he is doing Get a glimpse of the kingdom coming and experience his will being done on earth as it is in heaven      Being Church John F. Alexander,2012-07-01 What modern church doesn t call itself a community Yet for how many is it real How many churches form disciples intimately connected enough to call themselves Christ s body How many form disciples who know the relational arts that create a robust unity How many form disciples practiced in the ways of sacrificial love Pastor John Alexander a thirty year veteran of living in Christian communities yearns for all the wonder and promise of the New Testament vision of church to come true After struggling with Scripture in live together church communities he shares the Scriptural practices and wisdom that make for an authentic sustainable and joyful life together For any person or church wanting to move beyond the cliché of community to the radical vision of the New Testament this book is an invaluable guide      **Minority Reports** Mark Klitsie,2016-06-03 The stuff that comes after modernism isn t all bad Postmodernism not needing everything to be buttoned up can leave things dangling it can pay attention to the obscure marginal and particular The postmodern dynamic invites one to revisit biblical texts that do not fit into tidy cherished theological constructs I call these texts the minority reports Popular theology infers that God is just pretending when he changes his mind or gets frustrated saddened and affected by humans this understanding is guided by concepts of God s omni attributes But these wise and well intentioned concepts fail to portray a God who will not be domesticated Certain biblical narratives trace YHWH s hiddenness suffering changeability and hostility this awkward shadow

side of YHWH is sometimes selectively overlooked The fear of God is gone Instead we have the ever tolerant universal God who is in danger of evaporating into spirit light and love As a theologian I use Hebrew block logic competing truths in the Bible are kept intact synthesis isn't necessarily sought God chooses us and we choose God God is self sufficient all powerful and all knowing needing no creature Yet he chooses to limit his omniness in the human arena and makes himself vulnerable to humans He hyphenates his name with Abraham Isaac Jacob and the church at a risk Oriented to Faith Tim Otto, 2014-07-07 Rather than embracing the conflict around gay relationships as an opportunity for the church to talk honestly about human sexuality Christians continue to hurt one another with the same tired arguments that divide us along predictable political battle lines If the world is to know that we are Christians by our love the church needs to discover better ways to live out the deep unity we share in Christ as we engage with politics and our world In Oriented to Faith Tim Otto tells the story of his struggle with being gay and what that taught him about the gospel With an authentic and compelling personal voice Tim invites us to explore how God is at work in the world even amidst the most difficult circumstances redeeming and transforming the church through this difficult debate With gentle wisdom and compassionate insight Tim invites all followers of Jesus to consider how we might work with God through these tensions so that all can be transformed by God's good news in and through Christ **Kingdom Come (EasyRead Edition)** Allen Mitsuo Wakabayashi, 2003

Singleness and the Church Jana Marguerite Bennett, 2017 Singleness is a much overlooked treasure in Christian tradition In these pages Christians single and married alike can rediscover the richness of singleness in its great variety This book offers thought provoking cultural and theological analysis along with voices of single Christian people down through the centuries Kingdom Come (EasyRead Super Large 20pt Edition), **Kingdom Come (EasyRead Super Large 18pt Edition)**, A New Vision, a New Heart, a Renewed Call David Claydon, 2005 **The Evangelical Moment** Kenneth J.
