Thakor,2013 This book written entirely by faculty at the Olin

Business School Washington University in St Louis provides a variety of practical and implementable perspectives on innovation for managers In addition the book contains chapters that provide reviews of the academic research on innovation in the faculty members specific areas of expertise In taking this multifunctional approach to innovation the focus of the book is not just on what is currently considered to be OC best practiceOCO Rather it is on bringing to managers the cutting edge knowledge that is being generated by academic research that goes beyond current best practice Deep Value Tobias E. Carlisle,2014-08-18 The economic climate is ripe for another golden age of shareholder activism Deep Value Why Activist Investors and Other Contrarians Battle for Control of Losing Corporations is a must read exploration of deep value investment strategy describing the evolution of the theories of valuation and shareholder activism from Graham to Icahn and beyond The book combines engaging anecdotes with industry research to illustrate the principles and methods of this complex strategy and explains the reasoning behind seemingly incomprehensible activist maneuvers Written by an active value investor Deep Value provides an insider s perspective on shareholder activist strategies in a format accessible to both professional investors and laypeople The Deep Value investment philosophy as described by Graham initially identified targets by their discount to liquidation value This approach was extremely effective but those opportunities are few and far between in the modern market forcing activists to adapt Current activists assess value from a much broader palate and exploit a much wider range of tools to achieve their goals Deep Value enumerates and expands upon the resources and strategies available to value investors today and describes how the economic climate is allowing value investing to re emerge Topics include Target identification and determining the most advantageous ends Strategies and tactics of effective activism Unseating management and fomenting change Eyeing conditions for the next M A boom Activist hedge funds have been quiet since the early 2000s but economic conditions shareholder sentiment and available opportunities are creating a fertile environment for another golden age of activism Deep Value Why Activist Investors and Other Contrarians Battle for Control of Losing Corporations provides the in depth information investors need to get up to speed before getting left behind
