Security And Cooperation In The Eastern Mediterranean:

Security and Cooperation in the Eastern Mediterranean Andreas Theophanous, Van Coufoudakis, 1997 Regional Security in the Middle East, *Security and Cooperation in the Eastern Mediterranean*, 1999-01-01 **Greece in the Twentieth Century** Fotini Bellou, Theodore A. Couloumbis, Theodore C. Kariotis, 2013-01-11 This collective study examines the transformation metamorphosis that Greece has experienced over the course of the 20th century by exploring its gradual evolution into a consolidated democracy an advanced economy in the Eurozone and a balanced partner in the EU and NATO promoting a stabilizing role in southeastern Europe The book examines the variables contributing to the profiling of contemporary Greece emphasizing the conceptual inertia bedeviling the studies of Greece in recent years by focusing on the elements that indicated the slow pace in the country s modernization In conclusion there is a need for Greece s constant commitment to functional adjustments regarding the country s economic political and strategic priorities in order to promote effectively the role of regional stabilizer acting in concert with NATO and EU partners *Security and Defense Policies of the Arabian Gulf Countries* Ashraf Mohammed Keshk, 24-10-18 The book is an analysis of the security and defense policies of the Arabian Gulf countries as small states with limited options The author reviews in depth the historical experience of the Gulf states management of crises their implementation of security options and the challenges facing security and defense policies Themes and topics addressed include Security policies and the Arab Gulf states strategies to achieve self security defense options for the Arab Gulf countries management of security crises and Security Policy Challenges It also identifies the most important challenges facing these policies now namely localization of military manufacturing and the impact of military technology on defense policies in the Gulf countries This book is an important reference source for universities and academic institutions concerned with security and defence issues in the Arabian Gulf states think tanks universities and ministries in the Gulf countries and Western think tanks interested in assessing security and defence policies in the Arabian Gulf countries **Security Challenges in the Euro-Med Area in the 21st Century** Stephen C. Calleya, 2012 This book provides an empirical analysis of security challenges in the Euro Mediterranean area and highlights the political military economic societal and environmental issues that are already serving as a source of instability in the region *The New Politics of Energy Security in the European Union and Beyond* Andrea Prontera, 2017-05-18 Combining theoretical reflections and empirical insights from paradigmatic case studies in the area of external energy governance pipeline politics Liquefied Natural Gas development and offshore petroleum policy and politics this ground breaking study demonstrates that a distinctive and new politics of energy security is definitively emerging in the European Union Innovative not only in regard to the case studies presented which include the Caspian region the Baltic Mediterrean countries Central Asia and EU Russia relations but also in regard to the analytical framework adopted an International Political Economy approach informed by an historical institutional perspective the book challenges the common view of the de politicisation of energy security supported

by the mainstream market approach and the power politics and zero sum game view supported by the geopolitical perspective This book places the study of EU energy politics in the broader evolving context of global energy markets and explores the complex interactions between EU and national political dynamics and between energy security and environmental concerns at the local level *Dialogue with the Mediterranean* Gareth Mark Winrow,2002-05-03 The first examination of the importance of NATO s Mediterranean Initiative for the security and stability of the Euro Mediterranean area this book discusses the challenges risks and possible threats to NATO member states which may stem from the southern and eastern Mediterranean

Deciphering the Eastern Mediterranean's Hydrocarbon Dynamics Bahrooz Jaafar Jabbar,2024-09-25 This comprehensive study delves into the strategic importance of the Mediterranean Sea and examines key conflicts as well as the roles of extra regional actors such as NATO Russia and the USA in shaping dynamics within the Eastern Mediterranean

Human Security in the Middle East and North Africa Alaa Al-Din Arafat,2024-12-20 This book analyzes major human security threats in the MENA region including food water energy climate and health security It also examines sectarian conflict terrorism and poverty in the region The author highlights the relationship between human security concerns and conventional or military security threats He demonstrates how MENA nations failed to respond to the region s human security threats and to develop a human security formula and regional security architecture that included both human and conventional security threats Therefore this book concludes that the MENA region s future will be determined by its governments ability to address human security threats

Metamorphosis of Turkish Foreign Policy in the 21st Century NERGİZ ÖZKURAL KÖROĞLU,HAMOON KHELGHAT-DOOST,2023-04-21 The fading of the post WWII order called for Turkey to take on a new role in this new multi centered and multipolar era with new players emerging from different regions across the globe The new enterprising and humanitarian foreign policy is an effort to locate Turkey better in the 21st global politics While the literature on principles of Turkish foreign policy is abundant the actual mechanisms by which these principles are implemented in practice are still ambiguous to most scholars and foreign policy practitioners especially within the country s newly developed Turkish foreign policy framework This edited volume directs to shed light on this little explored aspect of Turkish foreign policy By critically analyzing several cases from different geographical locations this volume explains why Turkey developed a new foreign policy framework and by which mechanisms this new foreign policy framework has been implemented around the world This volume also critically explores how the new Turkish foreign policy framework customizes its tools and capacities in various international regions around the world

The Cyprus Review ,1997

Euro-Mediterranean Security: A Search for Partnership Sven Biscop,2017-11-22 This title was first published in 2003 This work provides a clearer understanding of the EU s approach towards security in the Mediterranean After examining the EU s interests and the potential threats to security in the region it analyzes EU security policy towards the region as a whole through the Euro Mediterranean Partnership and towards all disputes and conflicts in the area It

recommends opening up the European Security and Defence Policy to Mediterranean participation in order to establish a deep and equitable security partnership between both shores The book argues that this way the EU could implement its innovative comprehensive and co operative approach to security Rather than focusing on the military aspect alone this approach takes into account all dimensions of security political socio economic cultural and ecological and is based on partnership rather than confrontation It therefore contrasts quite sharply with the policies advocated in the US National Security Strategy

Turkey's Rise as an Emerging Power Paul Kubicek,Emel Parlar Dal,H. Tarik Oğuzlu,2016-04-14 Turkey is emerging as an important actor in world politics exerting growing influence both in its immediate region and beyond This book aims to understand and explain this phenomenon utilizing a variety of perspectives from international relations theory One prominent issue is how Turkey long embedded in the West via NATO and other European organizations is growing more confident and is asserting more independent foreign policy positions This is particularly marked in the Middle East where some suggest Turkey is pursuing a neo Ottomanist agenda At times this competes with and creates tensions with the West However a rising Turkey can also be a constructive phenomenon and complement the West This book examines geopolitical economic and cultural dimensions of Turkey s rise pointing to both Turkish success and the limits of Turkish power and influence It includes consideration of Turkey s relations with NATO the European Union the Middle East and BRIC countries This book was published as a special issue of Turkish Studies

Transnational Security Cooperation in the Mediterranean Robert Mason,2020-10-13 This volume draws together academics and think tank experts to explore the revised European Neighborhood Policy ENP and EU Global Strategy EUGS towards the Southern Neighborhood in the context of the Arab Uprisings and conflict counter terrorism cooperation the Mediterranean refugee crisis energy developments in the Eastern Mediterranean shifting interactions with and between international partners and the fallout from Covid 19 Covering aspects such as actorness power and alliances history socioeconomics domestic politics regime security and the regional security complex the authors provide a comprehensive and theoretically rich analysis of EU policy inputs southern neighborhood interests and responses as well as new strategy proposals aimed at enhancing human security The volume will appeal to European and Middle East studies students international relations scholars and policy professionals alike

Department of State Bulletin ,1983 The official monthly record of United States foreign policy

Theoretical Approaches to Turkish Foreign Policy Paul Kubicek,2023-08-22 This volume with contributions from well respected experts on Turkey examines how well different theories and frameworks in international relations explain various aspects of contemporary Turkish foreign policy TFP Exploring the value of both structural neorealist and ideational constructivist approaches the book s theory informed case studies on the features of TFP including Neo Ottomanism the role of religion and Turkey s relations with the European Union the Middle East Russia and the United States provide an analytical perspective on developments that have captured the attention of both academics and policymakers More

importantly this collection examines the shift in Turkey's foreign policy stance from Western and secular non-sectarian to Islamist Turkist Neo Ottomanist and Eurasianist orientations. With Turkey assuming importance across a number of regions and issues, this book will be a great resource for academics, researchers, and advanced students of Middle East Studies and Politics and International Relations. This book was originally published as a special issue of the journal *Turkish Studies*.

Greek-Turkish Relations Mustafa Aydın, Kostas Ifantis, 2025-06-27. This book provides an overview of the complex and turbulent relations between Greece and Turkey, focusing on recent developments and the challenges in their bilateral relationship. It draws on a comprehensive array of international relations theories to suggest that sources of instability in the Aegean are found in security relations, identity, and cultural discourses, and patriarchal and class societal structures. The chapters reflect on several questions about the role and significance of constitutive and non-constitutive elements in the Greek-Turkish policy and social arenas. They offer a better understanding of the bilateral interaction and why the Greek-Turkish relationship continues to hold the potential for traditional geopolitical antagonism and conflict, as well as why it is so hard to escape a security culture of hopelessly unresolved problems, enduring security dilemmas, crisis-prone geopolitics. The chapters in this book discuss the historical context, including attempts at reconciliation, and examine the role of perceptions, geopolitics, and historical grievances in shaping the current situation. The book emphasizes the cyclical nature of relations, with periods of calm followed by tensions and crises. It highlights the need for a comprehensive approach to resolve the existing disputes, including the importance of confidence-building measures and a political settlement. Overall, the book underlines the complexity of Greek-Turkish relations and the challenges in achieving lasting peace and stability in the region. This book is aimed at scholars, policymakers, and students in the fields of international relations, political science, and security studies. The chapters in this book, except for Chapter 8, were published as a special issue of *Journal of Balkan and Near Eastern Studies*. Chapter 8 was originally published in *Southeast European and Black Sea Studies*. **Routledge Handbook of Naval Strategy and Security** Joachim Krause, Sebastian Bruns, 2016-03-17. This new handbook provides a comprehensive overview of the issues facing naval strategy and security in the twenty-first century. Featuring contributions from some of the world's premier researchers and practitioners in the field of naval strategy and security, this handbook covers naval security issues in diverse regions of the world, from the Indian Ocean and the Mediterranean to the Arctic and the piracy-prone waters off East Africa's coast. It outlines major policy challenges arising from competing claims, transnational organized crime, and maritime terrorism, and details national and alliance reactions to these problems. While this volume provides detailed analyses on operational, judicial, and legislative consequences that contemporary maritime security threats pose, it also places a specific emphasis on naval strategy. With a public very much focused on the softer constabulary roles naval forces play, such as humanitarian assistance, disaster relief, naval diplomacy, maintenance of good order at sea, the overarching hard power role of navies has been pushed into the background. In fact, navies and seapower have been notably absent from many recent

academic discussions and deliberations of maritime security This handbook provides a much desired addition to the literature for researchers and analysts in the social sciences on the relationship between security policy and military means on land and from the sea It comprehensively explains the state of naval security in this maritime century and the role of naval forces in it This book will be of much interest to students of naval security and naval strategy security studies and IR as well as practitioners in the field

Routledge Handbook of Maritime Security Ruxandra-Laura Boşilcă, Susana Ferreira, Barry J. Ryan, 2022-07-25 This handbook offers a critical and substantial analysis of maritime security and documents the most pressing strategic economic socio cultural and legal questions surrounding it Written by leading international experts this comprehensive volume presents a wide variety of theoretical positions on maritime security detailing its achievements and outlining outstanding issues faced by those in the field The book includes studies which cover the entire spectrum of activity along which maritime security is developing including piracy cyber security energy security terrorism narco subs and illegal fishing Demonstrating the transformative character and potential of the topic the book is divided into two parts The first part exhibits a range of perspectives and new approaches to maritime security and the second explores emerging developments in the practice of security at sea as well as regional studies written by local maritime security experts Taken together these contributions provide a compelling account of the evolving maritime security environment casting fresh light on theoretical and empirical aspects The book will be of much interest to practitioners and students of maritime security naval studies security studies maritime history and International Relations in general Chapter 13 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial CC BY NC 4.0 license
