Security For Peace Israel's Minimal Security Requirements In Negotiations With The Palestinians:

Palestinian Autonomy, Self-government, And Peace Harvey Sicherman, 2019-06-04 Describing the changes of heart and mind that reordered the Middle East in the wake of the First World War Albert Hourani one of the great scholars of the modern Middle East has written Wars are catalysts bringing to consciousness feelings hitherto inarticulate and creating expectations of change The Gulf War of early 1991 bears the signs of having been such a catalyst Having proved its assertiveness and strength and having led a wide ranging coalition into battle the United States has since the war's end embarked on an energetic diplomatic effort aimed at settling the long standing conflict between the majority of the Arab states and Israel The peace conference that Secretary of State James A Baker III has organized will grapple with a number of issues One of the most contentious and significant will be the future of the Palestinians of Gaza and the West Bank

The Israeli-Palestinian Peace Process Yair Hirschfeld, 2024-04-30 This book describes the evolution of the Israeli Palestinian peace seeking process from 1967 to the present Written from the perspective of Israel's most prominent peace activist it offers an unparalleled insider's account of a crucial set of negotiations intended to settle a seemingly endless conflict Hirschfeld's historical narrative provides a wealth of knowledge and experience that is indispensable to anyone seeking to seriously approach the Middle East conflict The book's thorough analysis of the successes and failures of all peace efforts since the Six Day War represents an essential asset for future negotiators politicians diplomats and peace activists alike Moreover the book shares pearls of human wisdom that anyone searching to resolve conflicts in general should take to heart The book is of burning topicality Not only with a view to the normalisation process between Israel and Arab countries that began with the recent Abraham Accords 2020 but also regarding the new age of war in Europe sparked by Russia's war of aggression against Ukraine The book includes a foreword by Jackson al Khoury a humanitarian based in Gaza during the 2023 war who offers a perspective for a younger Palestinian generation

Netanyahu and Likud's Leaders Gil Samsonov, 2020-02-20 This research discusses the second generation Likud leaders known as the Princes who have dominated Israeli politics for most of the last three decades their relations with their parents and the extent to which they have followed in or diverged from their footsteps The main theme seeks to explore the unique perhaps unprecedented socio political phenomenon of generational duplication in a western type democracy This volume examines the ways and means through which the disciples of Zionist leader Ze'ev Jabotinsky managed not only to maintain lasting control of their mentor's creation to transform after Israel's establishment from a small opposition party into the country's dominant and ruling party but also hand down this political pre-eminence to their descendants Prime Minister Benjamin Netanyahu is the son of Ben Zion Netanyahu foreign minister of Jabotinsky's movement President Reuven Rivlin is the son of resistance warrior Rachel Rivlin MP Benny Begin is the son of Menachem Begin Former Prime Minister Ehud Olmert Tzipi Livni and many others were also part of those Princes A breakthrough in the world's inter generational research the book is for readers interested in political science sociology and the politics of Israel and the Middle East *The Middle East and North Africa 2003* Eur, *Public Papers of the Presidents of the United States* United States. President, 2014

Containing the public messages speeches and statements of the President 1956-1992 **Public Papers of the Presidents of the United States, George W. Bush** United States. President (2001-2009 : Bush), 2010 *Public Papers of the Presidents of the United States, Barack Obama: January 1 to June 30, 2010* United States. President (2009-2017 : Obama), 2010 *Water in the Middle East* Waltina Scheumann, Manuel Schiffler, 2013-04-17 The former Egyptian Minister of

State for Foreign Affairs and former UN Secretary General Butros Butros Ghali stated after the second Gulf War The next war in the Middle East will not be fought for oil but for water This famous statement has been echoed by many politicians shortly before becoming president of Turkey Suleyman Demirel declared that the waters of the Euphrates and Tigris belonged to Turkey just as oil belongs to the Arabs Rafael Eytan at that time and now again Israeli Minister of Agriculture declared in 1990 in full page advertisements in the Jerusalem Post that Israel would never cede the West Bank to the Palestinians because Israel's water supply would otherwise be endangered Finally Ismail Serageldin vice president of the World Bank declared in 1995 that the wars of the next century will be over water These statements are typical of the atmosphere reigning in the Middle East and in several other places around the world concerning the issue of international fresh water resources Whether these perceptions correspond to an actual threat to a nation's water supply or whether they correspond to the official position of states in negotiations often conducted secretly is an entirely different matter A closer analysis of the issue of international fresh water resources as we attempt in this book admittedly reveals a dangerous potential for conflict over water *Israeli Politics and the Middle East Peace Process, 1988-2002* Hassan A. Barari, 2004-07-31 This book argues that domestic Israeli politics have been a key factor in determining Israeli Palestinian peacemaking in the period from 1988 to the present
