Security Supervision Theory And Practice Of Asset Protection:

Security Supervision and Management IFPO, 2015-06-09 *Security Supervision and Management* Fourth Edition fills the basic training needs for security professionals who want to move into supervisory or managerial positions. Covering everything needed from how to work with today's generation security force employees to the latest advances in the security industry, *Security Supervision and Management* Fourth Edition shows security officers how to become a more efficient and well-rounded security professional. *Security Supervision and Management* Fourth Edition is also the only text needed to prepare for the Certified in Security Supervision and Management CSSM designation offered by International Foundation for Protection Officers IFPO. The IFPO also publishes *The Professional Protection Officer Practical Security Strategies and Emerging Trends* now in its 8th edition. Core text for completing the Security Supervision and Management Program Certified in Security Supervision and Management CSSM designation offered by IFPO. Contributions from more than 50 experienced security professionals in a single volume. Completely updated to reflect the latest procedural and technological changes in the security industry. Conforms to ANSI ASIS standards. *Security Supervision and Management* IFPO, 2007-12-14 The International Foundation for Protection Officers IFPO has for many years provided materials to support its certification programs. The current edition of this book is being used as the core text for the Security Supervision and Management Training Certified in Security Supervision and Management CSSM Program at IFPO. The CSSM was designed in 1988 to meet the needs of the security supervisor or senior protection officer. The book has enjoyed tremendous acceptance and success in the past and the changes in this third edition vetted by IFPO make it still more current and relevant. Updates include 14 new chapters, 3 completely revised chapters, Student Performance Objectives in each chapter, and added information on related resources both print and online. Completion of the Security Supervision and Management Program is the initial step toward the Certified in Security Supervision and Management CSSM designation. Over 40 experienced security professionals contribute chapters in their area of specialty. Revised throughout and completely updated with 14 new chapters on topics such as Leadership, Homeland Security, Strategic Planning and Management, Budget Planning, Career Planning, and much more. Quizzes at the end of each chapter allow for self-testing or enhanced classroom work. **Security Supervision** IFPO, 1999-07-20 *Security Supervision Theory and Practice of Asset Protection* Second Edition has been completely updated to include 24 new chapters and five chapters revised from the 1995 edition. Written by 46 of the industry's leading security supervisors, authors, educators, and consultants, this volume is a complete source of training information for the aspiring security supervisor. It will improve knowledge about the diverse critical issues affecting today's security professional, including personnel selection, quality control, and outsourcing. *Security Supervision* will guide the security professional to a complete mastery of leadership skills. The International Foundation for Protection Officers IFPO was established as a non-profit organization in January 1988 for the purpose of facilitating the training and certification needs of

protection officers and security supervisors from both the commercial and proprietary sectors It has developed two comprehensive distance delivery styled courses the Certified Protection Officer CPO program and the Certified Security Supervisor CSS program Many corporations and institutions have adopted these programs and integrated them with their existing staff development process and training guidelines The Foundation also publishes a quarterly newsletter Protection News with circulation to all IFPO members as well as candidates enrolled in either the CPO or CSS programs This publication is designed to keep professionals current on trends within the security industry and is full of valuable information and commentary pertinent to the enhancement of life safety and property protection Completely updated with 24 new chapters Enhances learning with various forms and quizzes at the end of chapters Completion of the Security Supervisor Program is the initial step towards designation as a Certified Security Supervisor CSS
