## **Security In South Asia Comprehensive And Cooperative:**

Security in South Asia Dipankar Banerjee, 1999 Ten years after the end of the Cold War South Asia stands almost alone among regions where the potential for conflict remains high The situation was further aggravated by the nuclear tests in the region in May 1998 This has led to avoidable tensions high military spending and lack of economic co operation among its member countries As a result South Asia is today among the poorest regions in the world with human development indices even worse than Sub Saharan Africa It is imperative that this cycle of tension and conflict is broken The only way out is to develop alternative approaches to security One such alternative is comprehensive and co operative security Ideas which have emerged in recent years in Europe and Asia may be adapted usefully in South Asia This book is an attempt at understanding the security concerns of individual countries of South Asia

**Development and Security in Southeast Asia** Carolina G. Hernandez, 2019-07-15 This title was first published in 2003 This three volume set examines the relationship between government and civil society in their efforts to define and pursue security Including the results of an extensive research program each volume is organized around one of the three principal themes environment people and globalization supplying compelling evidence of the tension between economic change and human well being Challenging the conventional wisdom about the beneficial results of economically induced change this first volume suggests that too often the mismanagement of development jeopardizes the security of individuals families communities and possibly the state by harming the very environment which is required to sustain both people and their economic existence Bringing together an international group of scholars from a variety of disciplines this volume is particularly relevant for academic and general research communities in the areas of social economic political and security matters of Southeast Asia

**Minority Rights in South Asia** Rainer Hofmann, Ugo Caruso, 2011 This publication contains case studies on human and minority rights in the South Asian countries including a special focus on the South Asian Association for Regional Cooperation SAARC and articles on different forms of National Human Rights Commission and Immigration to the UK and new minorities It is further complemented by an in depth study on Autonomy Kashmir and International Law Assembling articles authored by leading scholars from both South Asia and Europe the book will contribute to a mutual exchange of views on human and minority rights issues in South Asia In particular the book is aimed at increasing awareness and understanding of current developments in South Asia and on this basis at enhancing a constructive dialogue between representatives of the scientific community policy makers and civil society in Europe and their counterparts in South Asia

**Regionalism and Globalism in Southeast Asia** E. Palmujoki, 2001-10-25 Eero Palmujoki examines the regionalist debate in Southeast Asia from the end of the Cold War up to the beginning of the new millennium He focuses on the organization of the ASEAN Association of Southeast Asian Nations and covers the political economic and security issues characterizing its development The book compares the theoretical debate with political developments in the region from the beginning of the post Cold War period with its rapid economic

growth through the Asian economic crisis of 1997 and the resulting restructuring of Southeast Asian regional systems

India and Southeast Asia Sudhir Devare, 2003-08-01 There is a growing dialogue between India and Southeast Asia From a marginal relationship during the Cold War days to the participation of India at the East Asia summit in December 2005 has been a long journey In the context of the geopolitical situation in the Asia Pacific in the post September 11 period the security dimension between India and Southeast Asia cannot be overemphasized With the continued U S preponderance in the region and China s phenomenal rise the countries of Southeast Asia and India have an opportunity to evolve a co operative relationship not only with one another but also with the major powers of the region This book examines the areas of comprehensive security and the growing understanding between India and Southeast Asia where there is less divergence and greater convergence The author argues that India Southeast Asia security convergence is not and should not be aimed at any particular country On an optimistic note he concludes that such convergence will contribute to creating harmony among the major powers of Asia to make the twenty first century the e Asian centurye
