Anderson, Dave Park, 2001-12-04 Once depression was thought only to be an adult problem But research clearly indicates that depression has become common among modern teens and pre teens Often teens struggling with depression don't believe that anyone can relate to their circumstances or understand what they are going through But Jesus knows what it's like to feel rejected unloved and let down by the people we love And the Bible tells us that a close walk with Christ will give us a
