Francis, 2020-02-04 Learning how to receive and experience God's relentless pursuing love is the greatest life transforming truth we can embrace His Banner Over Me Is Pursuing Love is the most thorough teaching I have ever read on the Song of Solomon from a new covenant perspective Kim Francis has written a masterpiece that invites us all to receive believe and be transformed by God's pursuing love DONALD CAMPBELL Operation 220 Executive Director Enjoy greater intimacy with Christ through understanding your flawless identity in Him His Banner Over Me Is Pursuing Love is the first of three intimate interactive six week studies of the Song of Solomon an allegory describing the divine romance between Christ and His bride the church Spanning Chapters 1 and 2 this premier installment will help you renew your mind with the following truths As the bride of Christ you are completely forgiven for the sins of your lifetime Christ made you pure righteous and holy through His finished work on the cross The new covenant of grace made in Christ's blood forever sealed you in Him Christ will never leave you nor forsake you no matter what You can trust Christ to live His life through you as you depend on Him You are free from law based living to be completely enamored with Christ alone The ungodly thoughts you hear in your mind are not coming from you If you long to know Christ as the love of your life this study is for you *At the Age for Love* Reginald N. Shires, 2006 At the Age for Love A novel of Bangalore during World War II is an extraordinary story of a soldier's family waiting for his safe return from the Africa Front where he serves with a British tank unit pressing hard against the Germans in the desert of Libya The chronicle begins with the soldier Capt Edward Thompson saying goodbye to his wife Amelia and son Paddy and ends with his return at the end of the war The story narrated in incredible detail tells how the boy and his mother with their relatives and friends live in this hectic military city in South India where those who stay behind are swept along into the rushing wild stream of British history in India during a time of war The lives of these women and their children provide a bold story of Anglo India in this multihued Indian landscape where rogues and villains and the honest hard working church go through relationships in this bold saga as men and women cross family and racial boundaries in their search for love The city of Bangalore with its cluster of towns around British army barracks comes alive with memorable characters and this novel follows their tense and gripping relationships The ending where these fun loving characters come together in a frail boat on the peaceful Cauvery River at Seringapatnam near sunset has much to say about life and the human mystery and the vision it offers us as we live in a changing world

Understanding the Doctrine of the Trinity John Weekes, 2001-04-29 In writing this book I was mindful of the many areas of conflict that exist between Christian and Christian Christian and Jew Christian and Jehovah Witness Members of The Church of Latter Day Saints and others The purpose was to examine critically some of the main areas of conflict and measure them against what the bible has to say concerning the Godhead Father Son and Holy Spirit and to arrive at a reasonable honest and dispassionate conclusion One very clear and positive way was to show that Jesus that great and unusual man of

history was indeed a man from heaven and is in fact God incarnate Even those who have not accepted Jesus as God or equal with God must admit that he was like no other He was born in a lowly stable and died a convicted felon Yet the world in short order turned to him Even the mighty Roman Empire which initially haunted and crucified hanged and hounded Christians eventually turned to Him and acknowledged Him The evidence then is that Jesus is someone special The Jewish ruler Nichodemus acknowledged he was from God It follows therefore that if Jesus was from God then it is reasonable to accept that he was a person of truth and integrity Yet Jesus said he was God God seems to have been well pleased with Jesus Is it not reasonable therefore to accept Jesus at His word Commonsense and logic answers a resounding Yes **Singing Yoruba**

Ithihaasa Bhaktivejanyana Swami, 2013 Dr Singh Science says that the different species were not created simultaneously but evolved gradually I came across a statement in the Bhagavad Gita to the effect that all 8 400 000 species of living entities are created simultaneously Is that correct Srila Prabhupada Yes Living beings move from one bodily form to another The forms already exist The living entity simply transfers himself just as a man transfers himself from one apartment to another One apartment is first class another is second class and another is third class Suppose a person comes from a lower class apartment to a first class apartment the person is the same but now according to his capacity for payment or karma he is able to occupy a higher class apartment Real evolution does not mean physical development but the development of Consciousness Do you follow The apartment already exists however it is not the lower class apartment that becomes the higher class apartment That is Darwin's nonsensical theory He would say that the apartment has become high class Modern scientists think that life has come from matter They say that millions and millions of years ago there was simply matter but no life We do not accept that Of the two energies life and matter life or spirit is the original superior energy and matter is the resultant inferior energy Spirit is independent and matter is dependent Dr Singh All that you have been saying completely contradicts Darwin's theory of evolution Srila Prabhupada Darwin and his followers are rascals If originally there were no higher species why do they exist now Also why do the lower species still exist For example at the present moment we see both the intellectual person and the foolish ass Why do both these entities exist simultaneously Why hasn't the ass form evolved upwards and disappeared Why do we never see a monkey giving birth to a human In Bhagavad Gita the word yantra or machine means that in any species of life we are traveling in bodies that are like machines provided by material nature
