See Yourself Doing It:

Aladdin & company. See yourself doing it. "As a man thinketh." The law of supply Robert Collier,1925 Do You See What I See? Seeing Yourself Through the Eyes of God Kathy Parson,2009-03-26 Do you see what I see is a book designed to reveal the principles of Godly wisdom needed to establish maintain and guard our self esteem We are made in the image of God so male or female we are beautiful inside and out The word of God say s in Psalm 50 2 From Zion perfect in beauty God shines forth KJV This is a classic description of self esteem established from biblical principles This does not come from a manual of intellectual rules The book speaks to readers about our mind our heart the principles and the foundation on which we build our self esteem The book also explains the difference between authentic and camouflaged self esteem men who suffer from low self esteem and walking in the beauty of godly self esteem Believe it or not there are women in the Body of Christ who are suffering from low self esteem They come to church Sunday after Sunday dressed up flawless make up hair flowing or stacked and inside they have no idea who they really are because there is so much pain and torment The outward appearance is dressed up to hide what is on the inside But the devil is a liar what is outside should just be an enhancement of the beauty that is on the inside of them The two must link up the inside and outside have to connect in order to walk in the truth of God given self esteem Self esteem is the inner strength confidence and beauty that we possess as human beings It is not arrogant or haughty it is powerful The enemy wants to take this from you The bible says the thief comes to steal kill and destroy John 10 10 The enemy hates God s children and the self esteem that reflects the glory of Jesus Christ blinds him from seeing and getting a shot to destroy it The building up of self esteem starts in the mind When a woman looks into the mirror if she likes what she sees then her thoughts register and it is displayed outwardly If she doesn t like what she sees she first analyzes if it is something she can quickly fix such as a small flaw Anything beyond her immediate control causes her to develop a complex which begins to develop in her subconscious mind and travels to her heart This is the plan of the enemy leading to the destruction of her self esteem The enemy seeks to devour our self esteem His mission is to attack us with low self esteem in order to entangle us and hold us captive He plays tricks with our minds to try to make us believe his lies It is imperative that we do not come into agreement with him Our mind and our thoughts must be subject to the Lord Jesus Christ We have the power to command every thought that comes in our mind to be subject to Jesus Christ We have to guard our hearts God tells us in His word to guard our hearts for out of it springs the issues of life Proverbs 4 23 In other words it is what is in our hearts that show people who we really are This is why we must be hidden in Christ our place of refuge He will keep us in His care so that who He say s we are will reflect to those who see us As long as we walk this earth we will have enemies King David was a giant killer He defeated his enemies because the confidence inside of him came from God The more confident we become the more the enemy will try to destroy our self esteem However we already have power over him and his tactics so there is no need to fear him In order to be all that God has created us to be we must build our self esteem

on His foundation it is a sure and eternal foundation Self Esteem established by God is authentic There used to be a saying Is it live or is it Memorex Is the sound of what we hear live real is it recorded or is it someone else s voice Camouflaged self esteem is derived from someone else s voice Authentic self esteem is eccentric Its beauty is exuberant The principles of godly self esteem are not gender specific God created men in His image and beauty so that same truth applies to men **DO IT AFRAID** Adeola Babatunde,2013-10-31 Self defeating behaviour is the single most common reason why people seek psychotherapy Fear prevents people from making their dreams a reality The most frustrating part is feeling there is need to change one s attitude and not knowing how or knowing how but being unable to adapt to change Do it Afraid is an antidote it explains why we sabotage ourselves and it offers a proven course of action to transform behaviour from self defeating to life enhancing It provides practical steps toward change that you can work into your everyday life **The Thundering Years** Julie Tallard Johnson,2001-04-01 Shows teens how to harness the intense emotions and drives of the late teen years using wisdom from cultures around the world Includes exercises personal and community rituals and resources that show how to successfully navigate the Thundering Years without heading toward violence drug abuse and other self destructive behaviors Includes inspiring quotations from many spiritual traditions as well as the words and real life experiences of other young adults Presents an honest view of the passions and pain that occur during this major life transition According to native traditions the Thundering Years are the time in life to listen to intense feelings dreams desires and goals to be outrageous and even difficult The Thundering Years are the teen years the time when you are journeying into adulthood They are exciting years full of potential and creative energy and they are painful years full of turmoil and self examination Author Julie Tallard Johnson has collected wisdom from cultures around the world to help you survive your Thundering Years with your soul creativity and even sense of humor intact She offers numerous techniques and traditions to help harness the powerful energy released during this time She shows that when you connect with your thunder in a respectful way you are given the confidence you need to accomplish all your dreams Includes Mindfulness and energizing meditations Vision quests Dream weaving Drum medicine Initiations and rites of passage Rituals for releasing anger and celebrating the seasons Making your own journals and medicine bags Finding your creative community *The Tidal Model* Philip J.
