Seeing Color Its My Rainbow Too An Introduction To Color Vision Deficiency Colorblindness:

Seeing Color Arlene Evans,2003 Colorblindness explained for kids **Seeing Color** Arlene Evans,2003 Written in child friendly words this book describes the complexities of colour vision deficiency or colourblindness and its cause and effects It helps children experiencing colourblindness to understand why they are the way they are It also provides teachers and parents with ways to identify signs of colourblindness in children and strategies to support children **Understanding Human Behavior** James V. McConnell,1983 **Commerce and Finance** ,1920 **Science** John Michels (Journalist),1888 Since Jan 1901 the official proceedings and most of the papers of the American Association for the Advancement of Science have been included in **Science** **All about Color Blindness** Karen Rae Levine,2013 Corey a fourth grader explains how his color deficiency caused problems in kindergarten Along the way Corey learns about the special way he sees colors His color confusion is a physical condition that many people share It has nothing to do with how smart he is and he doesn't let it get in his way Corey's story is followed by a simple explanation of CVD what it is how many people have it how they got it and the kind of problems it might cause Find out about testing for CVD too MOM'S CHOICE AWARD Next Generation Indie Book Award National Indie Excellence Book Award Endorsed by the nation's leading color vision experts I'm happy to say that All About Color Blindness will give children and parents alike the information they need to understand the basics of color vision Dr T L Waggoner author of Color Vision Testing Made Easy A n easy to understand and scientifically correct introduction to the color vision world of kids with a color vision deficiency Informative and useful for the kids themselves and their parents teachers and friends Michael S Loop Ph D U of Alabama School of Optometry Corey's insights are easy to read and very informative for color vision deficient children as well as for their friends parents and teachers who want to help Color Deficiency News All About Vision **Pacific Rural Press** ,1899 **Color Vision Deficiency and Color Blindness** Mary Margaret Olsen,Kenneth R. Harris,1988 The paper examines issues concerned with the education and employment of individuals primarily males with color vision deficiency After a brief introduction the first chapter looks at adult problems such as employment areas in which the disability presents problems The next chapter considers problems of children noting the heavy use of color in most educational programs The third chapter presents a discussion of hereditary and non hereditary factors causing color vision deficiency Tests for color vision are described in the next chapter and the need for screening children for this disability is stressed The next chapter addresses the question of What do the color deficient see The general physiology of sight is discussed next Treatment is considered in the final chapter especially the use of colored contact lenses A 10 page bibliography and a list of supplemental reading materials as well as an index conclude the paper DB **Color Vision** Gerald S. Wasserman,1978 **Erik the Red Sees Green** Julie Anderson,2013-09-01 Exuberant redhead Erik always tries his best but he just can't understand why he's missing homework questions at school and messing up at soccer practice Then one day in art class everyone notices that Erik's painted a picture of himself with green hair It turns out he's not just

creative he s color blind too Color blindness also known as Color Vision Deficiency CVD affects a significant percentage of the population The tendency to color code learning materials in classrooms can make it especially hard for kids with CVD But once Erik is diagnosed he and his parents teachers coach and classmates figure out solutions that work with his unique way of seeing and soon he s back on track Color-vision and Color-blindness Robert Brudenell Carter,1891
