Seeing In The Dark:

Seeing in the Dark Nancy Ortberg, 2015 Christians are supposed to be the light of the world Yet we seem to spend most of our time stumbling in the dark We want answers carved in stone and instead we get uncertainty We want a clearly marked path and a panoramic view of the future and God gives us only fleeting glimpses of what lies ahead and just enough light to take the next step So what do we do We take the next step In her much anticipated follow up to Looking for God Nancy Ortberg takes readers on a journey that began thousands of years ago From an ancient cave in Turkey to the California coast Nancy highlights the often unexpected sometimes imperceptible yet always extraordinary means God uses to light our way through even the most painful and challenging moments in life Seeing Dark Things Roy A.
