Vega-Sanabria, 2023-05-22 After a teaching career of more than thirty years having taught across all grade levels and a broad range of subject areas

Friendship and Fellowship in the Local Church a 21st Century Perspective is a product of an encompassing ministry experience in the local church for both Spanish speaking and English speaking congregations as a teacher deacon and pianist a research based study with a pragmatic and practical view on the needs of one of the most unrecognized and misunderstood populations those of the inmate believers The Gospel message is clear and the members of the body of Christ have a responsibility to encourage one another and build each other up 1 Thessalonians 5 11 NIV The message of our Lord Jesus Christ is as real today as it was centuries ago I tell you open your eyes and look at the fields They are ripe for harvest John 4 35 NIV Believer inmates are members of the body of Christ their conversions are real their transformations are evident and their faith is strong Yet they too need the support of other members of the body of Christ for the Holy Spirit works through each member as he or she is gifted in order to address and attend to the unique needs of the incarcerated believer inmates Hear their silent cries as they are revealed in the Friendship and Fellowship in the Local Church a 21st Century Perspective The Gospel of John states the reason Jesus visited Samaria Now he had to go through Samaria John 4 4 NIV And in NKJV it states He needed to go through Samaria For Jesus it was a need Jesus knew the importance of reaching out to those who were marginalized who were ostracized and who were highly criticized and judged They had been abandoned but Jesus had other plans Later he met the Samaritan woman and through her her village and her town received the Good News about the Messiah Many of the Samaritans from that town believed in him because of the woman s testimony John 4 39 NIV His own disciples were blind to this need they were subject to the day s misconceptions and misinterpretations and biases Later Jesus pronounces one of the most significant statements of the Gospel message I tell you open your eyes and look at the fields They are ripe for harvest John 4 35 NIV Friendship and Fellowship in the Local Church a 21st Century Perspective is a call to reach a group of people that have been abandoned and rejected to address their needs spiritual social emotional and psychological It is like Jesus said A field ripe for the harvest It is an eye opener a pioneer research study addressing the needs of one of the most deserted and neglected populations considering it covers a topic difficult to discuss and is of much controversy Paul said Remember my chains Colossians 4 18 NIV When Jesus was accused of associating with those that were outcasts his reply was For I have not come to call the righteous but sinners Matthew 9 13 NIV

Sociology After Bosnia and Kosovo Keith Doubt, 2000 This book provides a sociological account of the events in Bosnia in the 1990s including ethnic cleansing mass rape and the role of political journalists Drawing upon a diverse group of social theorists including Merton Weber and Baudrillard Sociology After Bosnia constructs a social understanding of the experiences of people in Bosnia and the response of Western leaders to these experiences Beyond looking at the social causes of these events Doubt sheds light on why Bosnia and Kosovo have largely been ignored by sociologists He shows why the personal and social tragedies of people in Bosnia and Kosovo and the world s tolerance of these tragedies challenge contemporary sociological knowledge Doubt argues that sociologists must be willing not only to recognize this challenge but also to respond to it in

order to construct meaningfully adequate accounts of war and genocide in a postmodern era Doing so he contends may yield an important and needed reconsideration of the existing body of sociological knowledge and a revision of how this knowledge is applied
