Seeing It My Waystories Of A Psychic:

My Psychic Stories Jayne Wallace, 2012-02-10 Jayne Wallace's early life was blighted by an incredibly painful condition that almost led her to turn her back on her spirit guide Star and her calling to be a psychic medium. At the age of 12 she was diagnosed with juvenile rheumatoid arthritis and registered disabled. Fighting against her illness and dealing with the loss of her mother it was hard to accept Star in her life. But Jayne eventually made peace with Star who brought her an amazing gift a connection with her mother in the spirit world. As Star helped Jayne so Jayne has gone on to help others channelling loved ones on the Other Side offering guidance for the future and hope and healing to those who are grieving. This is the most inspiring page turner on the psychic experience in the market today. **True Stories of a Psychic Empath Medium** Triza Schultz, 2019-08-09 The US Review of Books True Stories of a Psychic Empath Medium By Triza Schultz Book Review by Carol Anderson D Min ACSW LMSW I'm a clairvoyant clairaudient clairsentient claircognizant clairalience and as a medium I see and communicate with nature spirits and also with human and animal spirits who've crossed over from physical death. A delightful read of 300 pages the author's book takes us through the various lives of a psychic medium with all of the twists and turns that this involves. The author discusses her history and the family's history of intuitive abilities throughout a number of stories. Well written and well organized the book not only explores the author's experiences but also is an excellent teaching work regarding the meanings of such spirit connections as related to life on other planes of existence. These paranormal experiences reveal a candid look at a person's life and choices and how all of life and death seemingly connects. In examining her own wounds especially her health issues the author puts her own personal experiences into the field of examination for her readers. The variety of psychic spiritual experiences is fascinating and various stories will resonate in different manners for the reader. Honest sometimes painful but always in awe of the connectedness of life the book is highly recommended. Book Overview of True Stories of a Psychic Empath Medium True Stories of a Psychic Empath Medium contains some of Triza Schultz's most fascinating stories of her spiritual and paranormal life experiences spanning chronologically from childhood through to adult life. Triza's first clearly remembered spiritual vision occurred at the age of five. Paranormal encounters continued into her teen years and beyond significantly shaping her views about universal spirituality and why we incarnate into the physical form. Through life stories and excerpts from twenty-two years of journaling the reader is taken on a magical journey to parallel dimensions with spirit guides angels deceased loved ones past life episodes as well as confrontations with the mischievous and a brush with the spiritual dark side. Triza encountered a major life change when she retired from a twenty-six year corporate human resources job in her mid forties and moved to New Mexico. There she engaged in a deeply challenging journey through devastating physical disease that tested her belief in life's purpose. She came through it all with knowledge of a great universal truth we are deeply connected to each other and love is the final word.
