Seeing Through Paradise:

Seeing Through Ricky Ian Gordon, 2024-07-23 The true confessions of a working opera composer an exhilarating story of a life that comes out of chaos At eight years old Ricky Ian Gordon pulled The Victor Book of Opera off his piano teacher's bookshelf and his world shifted on its axis Though scandal sadness and confusion would shake that world over the next few decades its polestar remained constant Music has been the guiding force of Gordon's life through it he has been able not only to survive great sorrow but also to capture the depths of his emotion in song It is this strength this technical and visceral genius that has made him one of our generation's greatest composers In *Seeing Through* Gordon writes with humor insight and incredible candor about his life and work a tumultuous youth on Long Island his artistic collaborations and obsessions the creation of his compositions including *The Grapes of Wrath* *27 Orpheus and Euridice* *Intimate Apparel* *Ellen West* and more his addictions and the abuses he endured and the loss of his partner to AIDS and the devastation of the HIV/AIDS epidemic As Gordon writes of that period We were thousands of us Lazarus We had to rise from the ashes We didn't have to rebuild our lives we had to build new ones Gordon has succeeded in building a remarkable life as well as a body of work that bears witness to all he survived in the process one that will endure as a pivotal chapter in America's songbook *Seeing Through the Veil* Suzanne Conklin Akbari, 2004-01-01 During the later Middle Ages new optical theories were introduced that located the power of sight not in the seeing subject but in the passive object of vision This shift had a powerful impact not only on medieval science but also on theories of knowledge and this changing relationship of vision and knowledge was a crucial element in late medieval religious devotion In *Seeing through the Veil* Suzanne Conklin Akbari examines several late medieval allegories in the context of contemporary paradigm shifts in scientific and philosophical theories of vision After a survey on the genre of allegory and an overview of medieval optical theories Akbari delves into more detailed studies of several medieval literary works including the *Roman de la Rose* Dante's *Vita Nuova* *Convivio* and *Commedia* and Chaucer's dream visions and *Canterbury Tales* The final chapter *Division and Darkness* centres on the legacy of allegory in the fifteenth century Offering a new interdisciplinary synthetic approach to late medieval intellectual history and to major works within the medieval literary canon *Seeing through the Veil* will be an essential resource to the study of medieval literature and culture as well as philosophy history of art and history of science *Worth the Seeing Through* Lisa M. Owens, 2014-05-16 Love's Value Book Two Police officer Connor Maclean has been on the job less than two months when a robbery call sends him to the art gallery of Guy Gustavsson the man he fell in love with during one life altering week in LA He moved to Montana for Guy even after the artist cut off contact Now he discovers him injured and unconscious along with a note indicating Guy was to meet someone named Jones about Guy's painting of a former lover But that's hardly likely for reasons only Connor knows Once he sees Guy again Connor can't stay away He brings Guy to his home to recover The relationship is rekindled But Guy's longing for his old love and new fears since the robbery trigger alcohol issues When Jones makes a

dangerous reappearance Connor and Guy must focus on saving not just Guy's life but their love and their hopes for a future worth the seeing through

Seeing through Christianity Bill Zuersher, 2014-06-20 The only book you'll ever need to read about Christianity This remarkable book provides a critical overview of Christian beliefs and the evidence for them Where did these beliefs come from Are there good reasons to believe Christianity is true Bill Zuersher clearly explains each of Christianity's major beliefs He then proceeds to demonstrate significant difficulties with each of them The book tackles these beliefs in a logical order beginning with the problems at the root of virtually all religions suffering and death and culminating in their supposed resolution through Jesus Mr Zuersher also examines the evidence for Christianity namely religious writings and the historical fact of the early Jesus movement He makes the case that this evidence does not support the religion's claims and he provides naturalistic alternative explanations for how its core beliefs arose In these pages we see the coalescence of Jewish and Zoroastrian religious ideas with those of Greek philosophy and mystery cults to form the belief system we recognize as Christianity today The result Mr Zuersher argues is not revealed truth but rather a human patchwork which contains unwarranted assumptions and logical flaws all founded upon questionable evidence Entertaining throughout it is must reading for skeptics apologists and anyone interested the world's largest religion or the culture wars behind today's politics an invaluable resource for students and teachers writers and debaters

Seeing through Texts Francis X. Clooney, SJ, 1996-07-03 *Seeing through Texts* invites us into the world of south Indian Hinduism through a study of 100 songs of the Tiruvymoli the great masterpiece of the ninth century Hindu saint Saṅkapaṇa These unique songs dedicated to the Hindu god Viṣṇu lead us through poetic and imaginative philosophical and moral reflections on the nature of the self and the world ancient myths and temple worship and the mystical moods of longing desire and love in which one seeks loses and finds again the God who loves us first The book is also a study of the interpretation of the Tiruvymoli in the traditional Hindu rivaiava commentaries of the twelfth fourteenth centuries as well as a comparative theological study which explores the implication of the songs and their commentaries for readers from outside the rivaiava tradition

Living With Angels

Cleo Paul Strawmyer, 2007-09-26 [Summa Theologiae, Prima Pars: Volume 3, Human Beings and God's Governance of Creation, QQ 75-119](#) Thomas Aquinas, Thomas de Vio Cajetan, 2023-06-23 This book is an introduction to three questions on love according to St Thomas Aquinas *Summa Theologiae* I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an

objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers Notes and Commentary to Jock's Life of Mo CF

Hibbot,2016-03-26 Life of Mo is a musical satire based on the life of the Prophet Mohammed These explanatory notes which include the full text of Life of Mo attempt to determine the sources of the play s material and offer further explanatory notes regarding the themes and ideas raised in the play Superficially Life of Mo is a musical fantasy romp combining stories with rewrites of songs by popular artists like Dolly Parton Freddy Mercury Mick Jagger Billy Joel Led Zeppelin Meat Loaf and Jim Steinman and others But Life of Mo has a deeper grounding and its sources include original texts the Qur an ahadith and Bible and commentaries by writers like William Muir Robert Spencer Ali Dashti and Ali Sina In addition the writer has also used Internet sources like Wikipedia YouTube and Reddit CF Hibbot s Notes and Commentary to Jock s Life of Mo traces through the humour and the tragedy to render a deeper appreciation and understanding of the play and the subject matter covered

Complete Poems Edgar Allan Poe,2000 Containing more than three hundred poems including nearly a hundred previously unpublished works this unique collection showcases the intellectual range of Claude McKay 1889 1948 the Jamaican born poet and novelist whose life and work were marked by restless travel and steadfast social protest McKay s first poems were composed in rural Jamaican creole and launched his lifelong commitment to representing everyday black culture from the bottom up Migrating to New York he reinvigorated the English sonnet and helped spark the Harlem Renaissance with poems such as If We Must Die After coming under scrutiny for his communism he traveled throughout Europe and North Africa for twelve years and returned to Harlem in 1934 having denounced Stalin s Soviet Union By then McKay s pristine violent sonnets were giving way to confessional lyrics informed by his newfound Catholicism McKay s verse eludes easy definition yet this complete anthology vividly introduced and carefully annotated by William J Maxwell acquaints readers with the full transnational evolution of a major voice in twentieth century poetry Edgar Allan Poe Arthur Hobson

Quinn,1997-12-26 Now in paperback the classic monumental biography of Poe by Arthur Hobson Quinn Renowned as the creator of the detective story and a master of horror the author of The Red Mask of Death The Black Cat and The Murders of the Rue Morgue Edgar Allan Poe seems to have derived his success from suffering and to have suffered from his success The Raven and The Tell Tale Heart have been read as signs of his personal obsessions and The Fall of the House of Usher and The Descent into the Maelstrom as symptoms of his own mental collapse Biographers have seldom resisted the opportunities to confuse the pathologies in the stories with the events in Poe s life Against this tide of fancy guesses and amateur psychologizing Arthur Hobson Quinn s biography devotes itself meticulously to facts Based on exhaustive research in the Poe

family archive Quinn extracts the life from the legend and describes how they both were distorted by prior biographies

An Introduction to Theosophy, Or, The Science of the "mystery of Christ" William Law,1854 Muslims on the Volga in the Viking Age Jonathan Shepard,Luke Treadwell,2023-09-21 The year 922 saw a series of remarkable face to face encounters in the steppes between Bukhara and the Middle Volga Ibn Fadlan was an intrepid member of a diplomatic and religious mission from the distant caliphate in Baghdad to the ruler of the Volga Bulgars His account gives a vivid eyewitness description of the peoples he came upon whose appearance rituals and filthy habits both fascinate and appal and a famous depiction of a Viking Rus ship burial It is unique testimony to burgeoning exchanges between several different cultures and to the emergence of new political structures on the steppes Yet the account survives only as part of a later composite work raising questions of meaning and historical interpretation This pioneering interdisciplinary study of Ibn Fadlan s text and the world he surveyed draws on a variety of specialists to give readers both the bigger picture of cultural and economic change in Eurasia Byzantium and the Muslim world and hard facts in the form of archaeological and numismatic data The Augustinian Epic, Petrarch to Milton J. Christopher Warner,2010-06-10 The Augustinian Epic Petrarch to Milton rewrites the history of the Renaissance Vergilian epic by incorporating the neo Latin side of the story alongside the vernacular one revealing how epics spoke to each other across the language gap and together comprised a single Augustinian tradition of epic poetry Beginning with Petrarch s Africa Warner offers major new interpretations of Renaissance epics both famous and forgotten from Milton s Paradise Lost to a Latin Christiad by his near contemporary Alexander Ross thereby shedding new light on the development of the epic genre For advanced undergraduate students graduate students and scholars in the fields of Italian English and Comparative literatures as well as the Classics and the history of religion and literature *The Complete Poems of Edgar Allan Poe* Edgar Allan Poe,1911 *The Green Man Unmasked* James Coulter,2006-07-19 A relic from our pagan past a fertility symbol the spirit of vegetation Jack in the Green Herne the Hunter or Robin Hoodall of these descriptions and many more have been advanced to explain the identity of the strange and often outlandish image which glares so balefully from rood screen and roof boss in so many places of Christian worship throughout Western Europe Invariably depicting a male human head it is by any reckoning a most unusual image and while exhibiting countless variations the predominant feature common to all is the vegetation issuing in luxuriant profusion from the mouth and coiling around the head in fantastic shapes and patterns a feature which has no known counterpart in nature It is the Green Man so called by generations of environmentalists and folklore enthusiasts But such interpretations beg the questionwhy does the image occur predominantly within a Christian context with a frequency second only to that of Christ Himself Who is the Green Man and what does his widespread presence signify The author believes that the answer to this age old riddle may be found in a number of medieval works such as the apocryphal gospels the Bestiary and the Legend of the Rood all of which would have been familiar to scholars and teachers of the period Although never part of the official canon these nevertheless

had a considerable influence on the teaching of the medieval Church and the imagery which it employed to illustrate it for the benefit of illiterate or semi literate congregations The present study represents a radical departure from the previously received wisdom on the subject and advances the hypothesis that far from being a pagan fertility symbol the Green Man is a lead player in the great scriptural drama of the Creation the Fall of Man and his ultimate redemption **The Ocean of the Soul** Ritter,2021-12-28 The Ocean of the Soul is one of the great works of the German Orientalist Hellmut Ritter 1892 1971 It presents a comprehensive analysis of the writings of the mystical Persian poet Far d al D n A r who is thought to have died at an advanced age in April 1221 when the Mongols destroyed his home city of N sh p r in the north east of Iran The book which resulted from decades of investigation of literary and historical sources was first published in 1955 and has since remained unsurpassed not only as the definitive study of A r s world of ideas but as an indispensable guide to understanding pre modern Islamic literature in general Quoting at length from A r and other Islamic sources Ritter sketches an extraordinarily vivid portrait of the Islamic attitude toward life characteristic developments in pious and ascetic circles and in conclusion various dominant mystical currents of thought and feeling Special attention is given to a wide range of views on love love in all its manifestations including homosexuality and the commonplace s f adoration of good looking youths Ritter s approach is throughout based on precise philological interpretation of primary sources several of which he has himself made available in critical editions **Meditating Death in Medieval and Early Modern Devotional Writing** Mark Chinca,2020-06-11 The monograph series Oxford Studies in Medieval Literature and Culture showcases the plurilingual and multicultural quality of medieval literature and actively seeks to promote research that not only focuses on the array of subjects medievalists now pursue in literature theology and philosophy in social political jurisprudential and intellectual history the history of art and the history of science but also that combines these subjects productively It offers innovative studies on topics that may include but are not limited to manuscript and book history languages and literatures of the global Middle Ages race and the post colonial the digital humanities media and performance music medicine the history of affect and the emotions the literature and practices of devotion the theory and history of gender and sexuality ecocriticism and the environment theories of aesthetics medievalism Meditating about death and the afterlife was one of the most important techniques that Christian societies in medieval and early modern Europe had at their disposal for developing a sense of individual selfhood Believers who regularly and systematically reflected on the inevitability of death and the certainty of eternal punishment in hell or reward in heaven would acquire an understanding of themselves as a unique persons defined by their moral actions they would also learn to discipline themselves by feeling remorse for their sins doing penance and cultivating a permanent vigilance over their future thoughts and deeds This book covers a crucial period in the formation and transformation of the technique of meditating on death from the thirteenth century when a practice that had mainly been the preserve of a monastic elite began to be more widely disseminated among all segments of Christian society to the sixteenth

when the Protestant Reformation transformed the technique of spiritual exercise into a bible based mindfulness that avoided the stigma of works piety It discusses the textual instructions for meditation as well as the theories and beliefs and doctrines that lay behind them the sources are Latin and vernacular and enjoyed widespread circulation in Roman Christian and Protestant Europe during the period under consideration **Teutonic Mythology** Viktor Rydberg, 2018-05-15 Reproduction of the original Teutonic Mythology by Viktor Rydberg **Edgar Allan Poe: Poetry & Tales (LOA #19)** Edgar Allan Poe, 2015-09-22 The Library of America presents the first truly dependable collection of Poe's poetry and tales featuring well known works like The Raven and The Fall of the House of Usher plus a selection of rarely published writings New York Review of Books Edgar Allan Poe's poetry is famous both for the musicality of To Helen and The City in the Sea and for the hypnotic incantatory rhythms of The Raven and Ulalume The Fall of the House of Usher and The Cask of Amontillado show his mastery of Gothic horror The Pit and the Pendulum is a classic of terror and suspense Poe invented the modern detective story in The Murders in the Rue Morgue and developed the form of science fiction that was to influence among others Jules Verne and Thomas Pynchon Poe was also adept at the humorous sketch of playful jeu d'esprit such as X-ing a Paragraph or Never Bet the Devil Your Head All his stories reveal his high regard for technical proficiency and for what he called ratiocination Poe's fugitive early poems stories rarely collected such as Bon Bon King Pest Mystification and The Duc De L'Omelette his only attempt at drama Politian these and much more are included in this comprehensive collection presented chronologically to show Poe's development toward Eureka A Prose Poem his culminating vision of an indeterminate universe printed here for the first time as Poe revised it and intended it should stand A special feature of this volume is the care taken to select an authoritative text of each work The printing and publishing history of every item has been investigated in order to choose a version that incorporates all of Poe's own revisions without reproducing the errors or changes introduced by later editors Here then is one of America's and the world's most disturbing powerful and inventive writers LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries Fortification and Its Discontents from Shakespeare to Milton Adam N. McKeown, 2019-01-08 Fortification and Its Discontents from Shakespeare to Milton gives new coherence to the literature of the early modern Atlantic world by placing it in the context of radical changes to urban space following the Italian War of 1494 1498 The new walled city that emerged in the sixteenth and seventeenth centuries on both sides of the Atlantic provided an outlet for a wide range of humanistic fascinations with urban design composition and community organization but it also promoted centrality of control and subordinated the human environment to military functionality Examining William Shakespeare Edmund Spenser John Winthrop and John Milton this

volume shows how the literature of England and New England explores and challenges the new walled city as England struggled to define the sprawling metropolis of London translate English urban spaces into Ireland and North America and later survive a long civil war
