Charles H. Dyer,2022-02-01 Anyone can make predictions about the future The real question is What does God have to say about it The end times is one of those areas of theology where people have many wild opinions Don t get caught up in all the internet speculations and doomsday prognostications The real place to find out about the future is the Word of God In What Does the Bible Say About the Future radio host and prophecy expert Dr Charlie Dyer offers you an insightful look at the end times that s grounded not in human fantasies but in the very revelation of God The Bible actually does have a lot to say about the future It s an important topic for you to study So instead of taking your cues from the self appointed prophets of today let Dr Dyer take you right back to Scripture You ll get answers to questions like Are we in the last days right now Are pandemics like Covid 19 a fulfillment of Bible prophecy What is the Battle of Armageddon What is the next event on God s prophetic calendar Where is the United States in Bible prophecy And most importantly If prophecy is true what difference should it make in my life God didn t give us Bible prophecy to tickle our imagination or satisfy our intellectual curiosity Rather God wants us to know about the end times so we can be confident in His eternal purposes With a biblical understanding of the future you ll be powerfully equipped to live with faith and hope today **Prophetic Forecast** Joshua Giles,2022-04-19 God s global reset has begun and He WILL get the glory out of the chaos An unprecedented shaking is underway in the systems and nations of this earth But even as the world churns with upheaval you can stand firm Through biblical teaching and sound prophetic insight pastor and prophet Joshua Giles will help you align with heaven s agenda overcome fear of the future learn how to access and administer the promises of God find your purpose and thrive amid the change reset realign and reposition yourself for divine purpose In this time of global contradiction and confusion gain powerful prophetic insight to navigate the future according to God s plan **Know Your Angels** John Ronner,1993 The Homiletic Review ,1901 **Apollo, Augustus, and the Poets** John F. Miller,2009-10 A comprehensive treatment of the reflections by Augustan poets on Apollo as an imperial icon Metropolitan Pulpit and Homiletic Monthly ,1879 **Publishers Directory** ,1991 **Why the End of the World is Not in Your Future** Gary DeMar,2008 *The Expository Times* ,1904 **Trail of Prophecy** Edward Oliver,2004-05 The United States is truly unique in its many technological achievements and its standing in the world today
