## **Seek The Welfare Of The City Christians As Benefactors And Citizens:**

*Seek the Welfare of the City* Bruce W. Winter, 1994 This is a print on demand book and is therefore non returnable The first Christians were members of households possibly associations and certainly cities in the first century Graeco Roman world before they embraced the preaching of the gospel This new six volume series which gathers contributors who are specialists in the intersection of the New Testament with the Graeco Roman world seeks for the first time to describe systematically the challenges difficulties and necessary adjustments involved in being a Christian to Graeco Roman society in the various spheres of life In this first volume *Seek the Welfare of the City* Bruce W Winter maps out the role of obligations of Christians as benefactors and citizens in their society Winter s scholarly insight is enhanced through the selective use of important ancient literary and nonliterary sources Contrary to the popular perception that early Christians withdrew from society and sought to maintain a low profile this outstanding study explores the complexities of the positive commitments made by Christians in Gentile regions of the Roman Empire

**Seeking the Welfare of the City** Naomi Noguchi Reese, 2025-01-27 In the history of public theology the Holy Spirit s role in creation has been underexplored If the Holy Spirit is the agent of transformation in creation why have so many theologians neglected the Spirit s activity in the context of public theology One of the causes of such neglect derives from a long held belief in dualism or its assumption As a result generally speaking theologians have neglected the eschatological aspect of the Spirit s work over creation and instead have devoted much of their attention to the immanent spiritual aspect of the Spirit s work Hence a theology is needed that recaptures the eschatological aspect of the Spirit s work over creation and Colin E Gunton s pneumatology that is trinitarianly formulated and eschatologically conceived brings a fresh approach to public theology and moves us toward a full bodied holistic and trinitarian public theology that takes into account the triune God This study attempts to draw upon the resources uncovered in Gunton s pneumatology to outline applications for Christian engagement of the public square for the twenty first century The book concludes with criteria for discerning the Spirit s work in the public square to give us practical ways to see how the Spirit may be working in the public square for transformation

*Seek the Welfare of the City* Bruce W. Winter, 1994 In this book Bruce W Winter maps out the role and obligations of Christians as benefactors and citizens in their society Winter s scholarly insight is enhanced through the selective use of important ancient literary and nonliterary sources Contrary to the popular perception that early Christians withdrew from society and sought to maintain a low profile this outstanding study explores the complexities of the positive commitments made by Christians in Gentile regions of the Roman empire

**To Live in Peace** Mark R. Gornik, 2002-09-17 Building on both the perspective of God s new creation and the view from the neighborhood *To Live in Peace* shows how the life of the church the strategies of community development and the practices of peacemaking can make a transformational difference

*Scripture and Traditions* Patrick Gray, Gail R. O'Day, 2008-12-31 This volume contains twenty two essays in honor of Carl R Holladay whose work on the interaction between early Christianity

and Hellenistic Judaism has had a considerable impact on the study of the New Testament The essays are grouped into three sections Hellenistic Judaism the New Testament in Context and the History of Interpretation Among the contributions are essays dealing with conversion in Greek speaking Judaism and Christianity 3 Maccabees as a narrative satire retribution theology in Luke Acts church discipline in Matthew the Exodus and comparative chronology in Jewish and patristic writings corporal punishment in ancient Israel and early Christianity and Die Judenfrage and the construction of ancient Judaism

Becoming Christian David G. Horrell, 2013-07-04 Becoming Christian examines various facets of the first letter of Peter in its social and historical setting in some cases using new social scientific and postcolonial methods to shed light on the ways in which the letter contributes to the making of Christian identity At the heart of the book chapters 5-7 examine the contribution of 1 Peter to the construction of Christian identity the persecution and suffering of Christians in Asia Minor the significance of the name Christian and the response of the letter to the hostility encountered by Christians in society There are no recent books which bring together such a wealth of information and analysis of this crucial early Christian text Becoming Christian has developed out of Horrell's ongoing research for the International Critical Commentary on 1 Peter Together these chapters offer a series of significant and original engagements with this letter and a resource for studies of 1 Peter for some time to come

Resident Aliens Stanley Hauerwas, Bishop William H. Willimon, 2014-04-15 Only when the Church enacts its scandalous Jesus centered tradition will it truly be the Body of Christ and transform the world Twenty five years after its first publishing Resident Aliens remains a prophetic vision of how the Church can regain its vitality battle its malaise reclaim its capacity to nourish souls and stand firmly against the illusions pretensions and eroding values of today's world Resident Aliens discusses the nature of the church and its relationship to surrounding culture It argues that churches should focus on developing Christian life and community rather than attempting to reform secular culture Hauerwas and Willimon reject the idea that America is a Christian nation instead Christians should see themselves as residents aliens in a foreign land Stanley Hauerwas and William H Willimon maintain that instead of attempting to transform government the role of Christians is to live lives which model the love of Christ Rather than trying to convince others to change their ethics Christians should model a new set of ethics which are grounded in the life death and resurrection of Christ **All Things to**

**All Cultures** Mark Harding, Alanna Nobbs, 2013-11-28 All Things to All Cultures sets Paul in his first century context and illuminates his interactions with Jews Greeks and Romans as he spread the gospel in the Mediterranean world In addition to exploring Paul's context and analyzing his letters the book has chapters on the chronology of Paul's life the text of the Pauline letters the scholarly contributions to our understanding of Paul over the last 150 years and the theology of the Pauline corpus There is no comparable introduction to Paul that integrates the Jewish Greek and Roman influences on him and the letters that make up a substantial portion of the New Testament Contributors Mike Bird Cavan Concannon David Eastman Chris Forbes Mark Harding Tim Harris Jim Harrison Paul McKechnie Brent Nongbri Ian Smith Murray Smith Larry

Hoag,2015-10-16 Scholars are divided in their views about the teachings on riches in 1 Timothy Evidence that has been largely overlooked in NT scholarship appears in Ephesiaca by Xenophon of Ephesus and suggests that the topic be revisited Recently dated to the mid first century C E Ephesiaca brings to life what is known from ancient sources about the social setting and cultural rules of the wealthy in Ephesus and provides details that enhance our knowledge of life and society in that place and time In this volume Hoag introduces Ephesiaca and employs a socio rhetorical methodology to explore it alongside other ancient evidence and five passages in 1 Timothy 2 9 15 3 1 13 6 1 2a 6 2b 10 and 6 17 19 His findings augment our modern conception of the Sitz im Leben of the wealthy in Ephesus Additionally because Ephesiaca contains some rare terms and themes that are found in 1 Timothy this groundbreaking research offers fresh insight for biblical reading and interpretation      **Reading Romans with Eastern Eyes** Brad Vaughn,2019-06-11 According to Brad Vaughn some traditional East Asian cultural values are closer to those of the first century biblical world than common Western cultural values In this work Vaughn demonstrates how paying attention to East Asian culture provides a helpful lens for interpreting Paul s most complex letter and we see how honor and shame shape so much of Paul s message and mission

Philanthropy in America Dwight F. of key institutions and organizations and the impact of seminal events throughout the history of the nonprofit sector in America from precolonial times to the present Discussions of philanthropic traditions in ancient civilizations in Europe during colonial times and in countries around the world today provide fascinating contexts for understanding how the American philanthropic experience has developed The encyclopedia also includes a collection of primary source documents legislation foundation reports mission statements etc for convenient review and further research

*Christian Origins and the Ancient Economy* David A. Fiensy, 2014-07-22 What does economics have to do with Christian origins Why study such a connection First of all the New Testament makes many direct references to economic issues But second the economy affects every other aspect of life family religion community work health and politics To understand what it was like to live in a society one must understand what the economy was doing The study of the economy includes not only the goods and services of a society but also human labor and its control For one it entails the size of the pie of goods How prosperous was first century Galilee But the study of economy also takes account of the slice of the pie that each family obtained How fair was the economy to each family Those involved in the quest for the historical Jesus have discovered that the ancient economy is a major point of dispute among various interpreters Was the early Jesus movement a socioeconomic protest Or was it primarily a religious reform These two approaches understand Jesus in remarkably different ways This volume seeks to guide readers through some of the most controversial issues raised in the last twenty years on this important topic

**Paul the Missionary** Eckhard J. Schnabel, 2010-01-28 Drawing on his monumental scholarly study *Early Christian Mission Volume 2* Eckhard J. Schnabel gives us an overview of Paul's missionary practices strategies and methods and then weighs contemporary evangelical missiology and practice in light of Paul

*Handbook of Early Christianity* Anthony J. Blasi, Jean Duhaime, Paul-André Turcotte, 2002-08-27 The Christian movement emerged amidst complex social tensions power politics ethnic diversity economic stress and cultural changes Both biblical scholars and social scientists find that a social scientific study of early Christian phenomena yields fascinating results However biblical scholars are sometimes unaware of the breadth of the useful social scientific concepts and techniques and social scientists sometimes lack the most basic background in literary research methods The *Handbook of Early Christianity* provides a much needed overview for biblical scholars and social scientists alike Drawing on perspectives from anthropology archaeology economics history literary analysis psychology political science and sociology the *Handbook* shows the myriad and complementary approaches that shed light on Christianity's formation and early development Twenty seven chapters from leading scholars along with a comprehensive bibliography make this an essential reference for anyone wishing to understand the social dynamics of Christianity's birth

**Acts of the Apostles and the Rhetoric of Roman Imperialism** Drew W. Billings, 2017-07-25 *Acts of the Apostles* is normally understood as a historical report of events of the early church and serves as the organizing centerpiece of the New Testament canon In this book Drew W. Billings demonstrates that *Acts* was written in conformity with

broader representational trends and standards found on imperial monuments and in the epigraphic record of the early second century. Bringing an interdisciplinary approach to a text of critical importance, he compares the methods of representation in Acts with visual and verbal representations that were common during the reign of the Roman emperor Trajan (98–117 CE). Billings argues that Acts adopts the rhetoric of Roman imperialism as articulated in the images and texts from the period. His study bridges the fields of classics, art history, gender studies, Jewish studies, and New Testament studies in exploring how early Christian texts relate to wider patterns in the cultural production of the Roman Empire.
