Eberhard and Emmy Arnold a couple from an affluent background who identified fully with radical pacifist youth circles fused the German Christian socialist youth into a new movement They settled a commune in Sannerz known as The First Bruderhof whose members shaped their lives according to their faith The Bruderhof supported itself by publishing printing and providing reliable child care services In 1937 responding to Nazi harassment and to escape conscription they fled to Liechtenstein and England where they provided shelter for many Jewish refugees World War II forced them to emigrate further afield They went to Paraguay and eventually to the United States Sociologists theologians anthropologists and psychologists alike will find The Witness of the Brothers to be a valuable resource      **Brotherly Faithfulness** Jakob Hutter,1979 The desire for community in a world that is rapidly falling apart has resulted in the founding of dozens of fellowships small groups and churches in the last several years Just as many have painfully disbanded but the yearning that inspired them lives on as does the age old need for brotherly and sisterly love and faithfulness What does faithfulness mean And what form does it take when confronted by personal weakness or the weaknesses of others or when tested by the forces of society at large Here are letters that put flesh and bone heart and hand to the ideal by a man who was tortured and finally burned at the stake for his heretical convictions      *The Brethren Encyclopedia* Donald F. Durnbaugh,1983      **Religion in Sociological Perspective** Keith A. Roberts,2004 This text is a highly sociological view of religion and as such stresses theoretical perspectives about religion The text also focuses on the methodology that sociologists have used to study religion Keith Roberts states that his own preferred approach is open systems theory which he says focuses equally on structure and dynamics Other texts may lean toward the religious studies end of the market but Roberts is a true sociology text      **Inner Land** Eberhard Arnold,1975      Catalog of Copyright Entries.
