Radhakrishnan, 2019-04-02 Published in 1939 this work was presented to Mahatma Gandhi on his 70th birthday October 22nd 1939 This work is not only a remarkable tribute from notable men and women of diverse views but an important estimate of the life and thought of Mahatma Gandhi **Blaise Pascal on Duplicity, Sin, and the Fall** William Wood, 2013-07-04 Blaise Pascal's account of the cognitive consequences of the Fall is clearly set out by William Wood in the first book on Pascal's theology to appear in English in more than forty years Wood's central claim is that for Pascal the Fall is a fall into duplicity Pascal holds that as fallen selves in a fallen world human beings have an innate aversion to the truth that is also at the same time an aversion to God According to Pascal we are born into a duplicitous world that shapes us into duplicitous subjects and so we find it easy to reject God continually and deceive ourselves about our own sinfulness Pascal's account of the noetic effects of sin has long been overlooked by theologians but it is both traditional and innovative It is

robustly Augustinian with a strong emphasis on the fallen will the darkened intellect and the fundamental sin of pride Yet it also embraces a view of subjectivity that seems strikingly contemporary For Pascal the self is a fiction constructed from without by an already duplicitous world The human subject is habituated to deception because it is the essential glue that holds his world together This book offers more than just a novel interpretation of Pascal s Pens es Wood demonstrates by exegetical argument and constructive example that Pascalian theology is both possible and fruitful *Thomas Hooker, 1586-1647* Frank Shuffelton, 2015-03-08 Examining the relationship between Hooker s activities and his writings Frank Shuffelton considers his role in the crises of early New England politics and religion The author analyzes Hooker s works and shows that as preacher and pastor theologian and architect of the Puritan religious community Thomas Hooker voiced concerns that remained important throughout American history The analysis of Hooker s career is especially valuable for the information it provides concerning his close involvement with the major issues of the day the conflict between Roger Williams and the Bay Colony the antinomian controversy the political and religious striving of the Massachusetts Bay Colony and the forming of a truly American community The author distinguishes several phases in Hooker s activities that correspond to his cultural and geographical milieu at different times He discusses Hooker s education first pastoral experience and career Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 The Institute Tie ,1913 **The Ministry, Vol. 12, No. 07** Various Authors, 2008-07-01 This issue of The Ministry contains a complete record of the twelve messages given during the 2008 summer training on the Crystallization study of the Gospel of Luke held June 30 July 5 in Anaheim California The crucial truth and burden embodied in these twelve messages may be summarized in the following two sets of statements The highest standard of morality is the living of the Lord Jesus as the Man Savior whose life was a composition of God with the divine attributes and man with the human virtues to be the basic factor for His dynamic salvation The Man Savior s God man living constituted a prototype for the reproduction of the God man in the believers who are reborn of the pneumatic Christ in their spirit and transformed by the pneumatic Christ in their soul In order to be one with the Man Savior in His God man living we need to sit at His feet and listen to His word so that we may be infused with His life for the expression of God and with His desire for our service to God unto the building of God By praying ourselves into God we are empowered in Christ to repudiate ourselves renounce our material possessions and follow the Man Savior so that we may live in the reality of the economy of God to become rich toward God for the kingdom of God We need to be today s ministers and witnesses by living and proclaiming the gospel Christ as the jubilee of grace for the accomplishing of God s eternal economy If we lose our

soul life in this age and do not preserve it by lingering in the earthly and material things we may participate in the rapture of the overcomers and stand before the Son of Man on Mount Zion These messages are being published immediately following the training in order that they may benefit the saints who are participating in the many video trainings that are held throughout the earth Christian Treasury ,1876 Erring Mark C.
