Iran's First Revolution Mangol Bayat,1991 In order to understand Iran s religious revolution of 1978 1979 it is important to look closely at an earlier revolution in the country the constitutional revolution of 1905 1909 This revolution which resulted in the establishment of Iran s first parliamentary democracy was a seminal event in the country s history The most thorough and comprehensive history of the revolution to date Bayat s book examines the uneasy alliance of clerical bureaucratic landowning and mercantile elements that won the support of the masses for a more democratic government especially the clerical dissidents that gave the revolution an aura of religious legitimacy Bayat argues that the recent religious revival in Iran is much less surprising when one sees how constitutionalists at the beginning of the century had to couch their calls for reform in the language of the Koran claiming that political reforms constituted a return to Islam
