Seeking God In Story:

Seeking God in Story John Navone, 1990-01 This work is a superb example of how the story genre of the New Testament makes storytellers of us all The author leads us toward a theology of story by which we may seek and find God

Seeking God in Story John Navone (s.j.), 1990 *Finding Ourselves in God's Story* Michele Hershberger, 2025-05-20 Why is the church so important to God What's really going on in the Bible How can I make sense of my life *Finding Ourselves in God's Story* addresses the pressing questions and concerns that today's youth bring to their faith Introducing Christian faith from an Anabaptist perspective author Michele Hershberger puts readers in touch with two stories that Christians constantly hear and tell First there is the Bible's story of God working to restore us and all of creation to wholeness The center of this story is Jesus Christ who lived died rose and still lives for us The second story involves our own lives today asking how we can connect with God's story where God is working in our lives and what we will do with Jesus' invitation to follow him Hershberger invites readers to join a conversation that covers these and other questions about faith Drawing on direct honest dialogue with Mennonite teenagers young adults and pastors this guide engages groups in the discussions that matter most as it leads readers deeper into a faith that can become their own as they consider baptism or church membership

Gideon's Fleece: Seeking God's Assurance Ahmed Musa , 2024-12-13 A reluctant leader A fleece of doubt God's unwavering confirmation When the Midianites oppressed Israel Gideon was called by God to deliver His people Yet Gideon struggled with doubt feeling unworthy of such a monumental task In a moment of uncertainty he placed a fleece on the ground asking God for a sign If this fleece is wet with dew and the ground is dry I will know that You have truly called me When God answered his request Gideon sought another confirmation Let the fleece remain dry and the ground wet God responded again affirming His call Gideon's Fleece *Seeking God's Assurance* explores this deeply human moment of doubt and faith revealing how God patiently reassures those He calls even in moments of fear and insecurity In *Gideon's Fleece* *Seeking God's Assurance* you will discover The story of Gideon's call and the challenges he faced in stepping out in faith to lead Israel against overwhelming odds The significance of the fleece and how it symbolizes the balance between human doubt and divine reassurance The deeper meaning behind Gideon's request for signs and how God's response was not a sign of weakness but an act of mercy to build Gideon's faith and courage How God meets us where we are offering His assurance in ways that speak to our hearts even when we struggle with doubt or insecurity The lessons we can learn from Gideon's story about the importance of seeking God's guidance and trusting in His promises even when we are uncertain about His plans for us Gideon's fleece is more than just a request for confirmation it is a beautiful illustration of God's grace in the midst of human weakness Gideon though uncertain and filled with self-doubt was assured by God that His will would be accomplished This story shows us that it is okay to seek confirmation from God but it also challenges us to trust His voice and step forward in faith even when we don't have all the answers How often do you struggle with doubt when God calls you to

something big How does Gideon s story encourage you to seek God s assurance and trust in His plans for you Gideon s fleece reminds us that our doubts do not disqualify us from God s calling God is patient with our insecurities and willing to confirm His will but He also calls us to take bold steps forward in faith knowing that His presence will guide us every step of the way Step into Gideon s Fleece Seeking God s Assurance and discover how to trust God s guidance even in moments of uncertainty God s assurances are not signs of weakness but of His love care and commitment to His people *Whispers of God's Grace: Stories to Encourage Your Heart* Julie Miller,LuAnn Adams,Jo Bender,2015-11-18 We are storytellers and our favorite stories to tell are those that turn hearts toward God And while everyone has their own unique story it is through the telling of those stories that we are able to truly experience Him In the midst of our joys and fears hopes and challenges we can see God there with us Our hope is that as you read our stories and the stories of others that you will begin to see God in your story as well and the role you play in Whispering God s Grace to others **Finding God's Will** Gregg Matte,2010-11-25 Pastor Gregg Matte writes God s will is not the needle in the haystack discovered only by Navy SEALs for Jesus it is actually the hay in the haystack to be found by every believer This is great news for any Christian who has ever wondered about finding and living in the will of God Through an extensive intimate examination of God s encounter with Moses in the burning bush Finding God s Will invites readers to shift their understanding of God s will from an event to be experienced to a process to live God s will is what happens when we seek him Readers will discover how to be on the lookout for their own burning bushes how to focus on pleasing Thee not they and how to expect God s power as they seek his will They may also be surprised to find that as they seek a deeper relationship with God his direction and guidance become clear A life centered in God s will is a promise offered to every believer and every Christian can learn how to receive that gift **Women's Stories for God's Glory** Marilyn Mitchell,2009-10-26 What do you have in common with the women of the Old Testament With Eve Or Sarah Or Ruth This 8 session group study will help you discover your links to the past and how God is still working todayin YOU Women s Stories for God s Glory is designed for groups of 8 participants to study the Old Testament and contemporary women who opened their hearts to God s support as they experienced the challenges of life Through well designed exercises readings and discussion questions you will be invited to open your heart to his love and support as well In addition to the formal Bible study every session provides one participant with the opportunity to share the important milestones of her life and faith journey using the insightful LifeMap exercise God s grace is evident as you hear other women s authentic life stories confirming that we are all on a journey to find God and live for him Through this study you will not only discover the power that sustained our sisters of the past you will discover seven new sisters that are supporting you in your walk with God and his son Jesus For Group Leaders This is an excellent study for new women to get to know more seasoned women and to feel welcomed to be a part of what God is doing at your church It will speak to the hearts of women not yet committed to faith women returning to faith and wanting to grow deeper and women with a deep and abiding faith There is something for every

Flores,2025-03-05 My journey of faith hasn't been a straight easy path It's been a winding road filled with twists turns and unexpected detours From a childhood filled with the whimsical faith nurtured by VeggieTales to the harsh realities of adolescence battling Cerebral Palsy depression and anxiety my story is one of both immense challenge and unwavering hope I've experienced moments of profound connection with God where His love has washed over me like a tidal wave I've also stumbled through seasons of doubt where I questioned His existence and His plan for my life I've been hurt by a church community that failed to live up to its calling of inclusion and love I've felt isolated and alone overwhelmed by the physical and emotional burdens of my disability Yet through it all God's love has persisted His hand has been a steady guide leading me through darkness and into the light This book is a raw and honest account of my personal struggle to reconcile my faith with the realities of my life It's a testament to the healing power of God a celebration of His unwavering love and a beacon of hope for others who are struggling with similar challenges I invite you to join me on this journey a journey of faith vulnerability and ultimate triumph Prepare to be challenged to be moved and to be reminded of the incredible power of God's grace in the face of life's most difficult trials This is more than just my story it's an invitation to embrace your own story to find strength in your faith and to discover the purpose God has uniquely crafted for you **Your Life is God's Story** Tim

Klyne R. Snodgrass,2018-02-16 Winner of the 2009 Christianity Today Award for Biblical Studies *Stories with Intent* offers pastors and students a comprehensive and accessible guide to Jesus parables Klyne Snodgrass explores in vivid detail the historical context in which these stories were told the part they played in Jesus' overall message and the ways in which they have been interpreted in the church and the academy Snodgrass begins by surveying the primary issues in parables interpretation and providing an overview of other parables often neglected in the discussion from the Old Testament Jewish

writings and the Greco Roman world He then groups the more important parables of Jesus thematically and offers a comprehensive treatment of each exploring both background and significance for today This tenth anniversary edition includes a substantial new chapter that surveys developments in the interpretation of parables since the book s original 2008 publication

Finding God's Life for My Will Mike Donehey,2019-08-06 ECPA BESTSELLER The lead singer songwriter and guitarist for award winning contemporary Christian band Tenth Avenue North shows readers that by seeking God first and focusing on serving Him we can live daily in His will Perhaps God isn t giving me the plan because He wants to be the plan This was the aha moment for Mike Donehey after years of wrestling with his obsession to know God s specific plans for his life He came to the realization that waiting for absolute certainty from God before making decisions may seem uberspiritual but it can lead to a life of intense stress paralyzing fear and crushing regret just the opposite of the freedom granted to those living a Christ filled life This is my story how I gave up begging to know God s will and began to ask His life to come and change my will With his signature humor and relentless hunger for God Mike will show you that discovering the Father s purpose and plan for our lives is not the shell game that we all too often make it out to be If you re unsure what to do next take heart and accept the ultimate invitation learn to see God as the plan not simply the formula to the plan

In the Beginning Were Stories, Not Texts C S Song,2012-08-30 According to Song the Christian faith is deeply rooted in storytelling stories are the most basic mode of human communication and in the same idea the Christian Bible is fundamentally a story Though Song regrets the fact that Christians and above all Christian theologians so often fail to express their faith in term of stories Christian theology is most often expressed in terms of concepts ideas and systems Following the conviction that this is the most appropriate way to express our faith the proposal of this book is to speak of Christian faith and theology through stories rather than systems and texts

Story Work/Story Play Mary LaMont,2023-05-02 A central assumption of narrative spirituality is that the act of retelling the story of episodes of our lives can help us better see the larger Guiding Story that God dreams for us When I can

see my Guiding Story more clearly I am better able to handle crisis and transition and better able to see my true purpose

Story Work Story Play lays out a four door method of spirituality that invites participants to explore their Guiding Story through four doors that correspond to the four parts of any story a main character a problem to solve the power needed to solve it and the action taken by the main character The chapter for each of these four doors provides theological psychological and scriptural foundations for the narrative method and includes up to ten to fifteen story work story play exercises the reader can use to practice the method Each chapter also includes profile stories of real people who have discovered layers of their own Guiding Stories The book ends each chapter with a Guided Visualization The book s final chapter explains how members of a narrative circle can use the narrative spirituality tools of this book to discern each one s own unique Guiding Story
