Short Term Spiritual Guidance Duane R. Bidwell, This book represents a significant departure from most contemporary writing about spiritual direction While most writers focus on long term relationships of guidance specifically envisioning long listening sessions Bidwell changes focus Spiritual direction he insists typically requires intervention in a specific crisis or situation or question is not formal lasts fewer than five sessions and must be actively and intentionally focused on the person's growth Bidwell's work shows what spiritual directors can learn from the short term therapy model especially about enabling people briefly but effectively to learn to listen on their own and with others for God's presence Focusing on how God is already active in the directee's life allows the participants to identify God's action and respond in ways that collaborate with that identified movement of the Spirit

Obedience God's Call Emmanuel Freedman,AI,2025-02-23 Obedience God s Call explores the concept of obedience to God as the true path to freedom contrasting it with the world s emphasis on independence It argues that genuine liberation and purpose are found not in resisting authority but in willingly submitting to God s loving guidance mirroring Jesus own obedience The book sheds light on how obedience often perceived as restrictive can unlock a deeper more fulfilling existence It examines Jesus unwavering commitment to the Father s will even unto death and how we can discern God s call through scripture prayer and the Holy Spirit This study grounded in the New International Version uses scriptural analysis and theological insights to reframe obedience as a privilege rather than a burden Did you know that embracing obedience can lead to increased peace joy and a deeper understanding of God s love The book addresses potential controversies surrounding the interpretation of scriptures related to submission and authority offering balanced perspectives It progresses by first introducing the core concepts then systematically exploring obedience through the example of Jesus the nature of God s call and the blessings of obedience culminating in a call to actively cultivate a spirit of obedience The Path Rev. Dr. Ebele Okonkwo Onuigbo,2016-06-23 Decision making is a fundamental aspect of our daily lives shaping our paths through the resolutions we reach after careful consideration From the simplest choices to the most complex dilemmas individuals continuously navigate the terrain of decision making throughout their lifetimes These decisions serve as compass points guiding us toward the fulfillment of our goals and aspirations whether they lead to positive outcomes or negative consequences How many individuals truly take the time to thoroughly consider the available facts before diving into the decision making process Engaging in wise deliberation of facts prior to making a decision is crucial for ensuring that the resulting choice will have a meaningful impact whether on the individual themselves or the circumstances at hand So how does one go about making a wise decision It involves carefully weighing the available information considering potential

consequences and evaluating the implications for both oneself and others in the surrounding community. Ultimately the decisions we make not only shape our own lives but also have far reaching effects on the well being and experiences of those around us. In the modern world we observe a striking dichotomy between Jesus' purpose driven ethos and the prevalent self centered pursuits that often consume individuals. Amidst the clamor for material possessions, societal status and personal comfort many seem to lose sight of life's deeper significance. While the pursuit of such desires is not inherently erroneous, an excessive fixation on them can obscure individuals from fulfilling their higher calling.
