Immigrant Student Experiences in Canada Soudeh Oladi, 2025-07-09 This book centers immigrant children s school experiences as recounted and interpreted by their mothers exposing how racialization exclusion and proximity to Whiteness shape their realities in Canadian schools Drawing from Afro Caribbean Ghanaian Indian Afghan and Chinese communities mothers emerge as critical knowledge holders sharing their children s stories to disrupt institutional erasure Part One s two chapters reveal how Canadian schools enact symbolic multiculturalism while reinforcing linguistic conformity and Eurocentric norms reframing identity belonging and home through mothers stories Part Two s four chapters present mothers and children s experiences capturing subversive resistance intergenerational tensions trauma invisibility and affirmation The concluding chapter frames storytelling as epistemic resistance grounding immigrant families wisdom as essential to transforming education **Remittance as Belonging** Hasan Mahmud, 2024-10-11 Remittance as Belonging Global Migration Transnationalism and the Quest for Home argues that migrants remittances express their sense of belonging and connectedness to their home country of origin making an integral part of both migrants ethnic identity and sense of what

they call home Drawing on three and a half years of ethnographic fieldwork with Bangladeshi migrants in Tokyo and Los Angeles Hasan Mahmud demonstrates that while migrants go abroad for various reasons they do not travel alone Although they leave behind their families in Bangladesh they move abroad essentially as members of their family and community and maintain their belonging to home through transnational practices including remittance sending By conceptualizing remittance as an expression of migrants belonging this book presents detailed accounts of the emergence growth decline and revival of remittances as a function of transformations in migrants sense of belonging to home **Home Rule** Nandita Sharma,2020-02-14 In Home Rule Nandita Sharma traces the historical formation and political separation of Natives and Migrants from the nineteenth century to the present to theorize the portrayal of Migrants as colonial invaders The imperial state category of Native initially a mark of colonized status has been revitalized in what Sharma terms the Postcolonial New World Order of nation states Under postcolonial rule claims to autochthony being the Native people of a place are mobilized to define true national belonging Consequently Migrants the quintessential people out of place increasingly face exclusion expulsion or even extermination This turn to autochthony has led to a hardening of nationalism s Criteria for political membership have shrunk immigration controls have intensified all while practices of expropriation and exploitation have expanded Such politics exemplify the postcolonial politics of national sovereignty a politics that Sharma sees as containing our dreams of decolonization Home Rule rejects nationalisms and calls for the dissolution of the ruling categories of Native and Migrant so we can build a common worldly place where our fundamental liberty to stay and move is realized The Ideology of Home Ownership R. Ronald,2008-05-28 Demand for owner occupied housing has expanded dramatically across modern industrialized societies in recent years leading to volatile increases in residential property values This book explores the rise of modern home ownership as a cultural socio political and ideological phenomenon **Seeking Home** Jayant Patel,1991 The accelerated pace carries a heavy burden At times there seems to be no end in sight to human pain suffering It is largely due to simple human ignorance of the harsh realities of life that much of this pain exists Jayant Patel spent eight years in close contact with Dada Bhagwan a self realized spiritual guide The truths he came to know through Dada s teachings are recounted here in the hope they will provide useful guidelines for others Enveloping the teachings is the author s own story the familiar tale of an immigrant coming to America in search of fortune What he finds the many parts of himself that must be faced reconciled is more valuable than the money that originally lured him Illuminated with the steady beacon of Dada s spiritual light SEEKING HOME examines the multi dimensional concept of home what a true homecoming finally entails With humor honesty the author mirrors the lives of the many people torn between the struggle for riches in a foreign land the mystical bond to their homeland Great combination of humor wisdom spiritual mundane emotional dramas To order 43 12 203rd St Bayside NY 11361 Consumption and Market Society in Israel Kalman Applbaum,Yoram S. Carmeli,2020-05-26 Over the past two decades Israel has been remaking itself in line with the commercial models of Western

market societies Nowhere is this trend more evident than in private consumption patterns Most Israelis crave parity with Western lifestyles private automobiles mobile phones spacious housing fashionably furnished accessibility to shopping malls and leisure travel abroad Alongside these new aspirations internationally branded commodities and franchises such as McDonald s Office Depot Benetton IKEA and Toys R Us increasingly feature in the Israeli landscape and advertising has emerged as a primary vehicle for persuasion competition and cultural expression This book is the first to explore fully the significance of these transformations The authors show how different groups kibbutzniks Israeli Arabs Ultra Orthodox Jews new immigrants and middle class Israelis alternately exhibit a suspicion towards and enthusiasm for the enhanced individual freedoms of a consumer market society Lifestyle consumerism is recognized as an alien import potentially disruptive of the ethos of communality common destiny and national purpose At the same time because consumption helps unite diverse groups to the greater whole of the nation the globe and modernity it conveys a sense of normalcy and affluence in a time of major social transition and political turmoil Consumption and Market Society in Israel is not only innovative in its research but it is a timely contribution to a hotly debated topic
