The Herzman Collection Stephen Little, 2000 As a young man with an adventurous spirit and not much else I had the opportunity to start a business in Swatow on the south China coast That bustling city is not on the map anymore the name has been changed to Shantou The late 1930s was not exactly the perfect time to start this enterprise The Japanese were moving down along the China coast after their Manchurian takeover and war was looming in Europe Obviously there was a notable lack of recreational opportunities for a lonesome Westerner Having little else to do with my spare time one day I wandered into an antique shop and browsed My eye was caught by a blue and white porcelain plate and bowl The owner identified them as 16th century Swatow ware These were not Imperial porcelains by any means but I liked them and bought them That was the way it so innocently started S Herzman Orange Coast Magazine, 1996-09 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County's most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county's luxe lifestyle
