## **Seeking The Spirit:**

**Seeking Spirit Beyond the Bottle** Helen Sherry, 2004-06-29 We live in an addictive society in which compulsiveness has become an art form and most people have dependencies of some sort This book was written to help all dependent people learn ways to follow a spiritual path even if their dependencies might be one of those potentially less severe than alcoholism or drug addiction such as workaholism materialism excessive anxiety or relationship difficulties To quote from the author People these days talk seriously of addictions to television the Internet or to acquiring material possessions These are usually self involved occupations It s as though humanity knows somehow that joy is their natural state but they lack the ability to open enough to experience it They are seeking comfort and joy in all the wrong places This memoir tells the story of three generations afflicted with alcoholism and its effects on family and friends It chronicles the author's growing up with an alcoholic mother in the middle of the twentieth century and her own later development of the same illness despite her strong commitment to avoid this It describes the methods she has used to remain in recovery over twenty seven years and includes information learned from her twenty plus years of working as an addictions counselor and from her ongoing relationships with an alcoholic spouse and an emotionally disabled son This book speaks to issues of import to much of humanity such as abandonment the need for safely and security in an insecure world the need to give control back to a spiritual source the need for forgiveness of self and others and the primary need to find Spirit within and not without To quote again from Ms Sherry's words I no longer think of God as dwelling in heaven wherever that might be As a child heaven seemed to be a place above the sky However even though I now know more of the facts about our Universe I still can t identify a place called heaven Today I also acknowledge the fact that our Universe may not be the only one that exists Consequently I think of Spirit as being a power that exists not only beyond the Universe but at the same time exists and resides in us all The author clearly and humanly identifies the eclectic combination of spiritual tools she had put in place in her life Her message will speak to those with addictions but also to those who simply wish to avoid dependencies and to change grow and evolve The **Atman Project** Ken Wilber, 1996-03-01 Wilber traces human development from infancy into adulthood and beyond into those states described by mystics and spiritual adepts The spiritual evolution of such extraordinary individuals as the Buddha and Jesus hints at the direction human beings will take in their continuing growth toward transcendence **Seeking the Spirit** With Ankita Sharma, 2018-09-13 Seeking the Spirit Within will allow you to view life from a bigger picture and encourage you to follow a spiritual path as the spirit within us awaits to connect with God The Spirit with Our Spirit Witness Lee, 2025-03-14 The revelation of the Spirit in the Bible points to God's desire to be received experienced and enjoyed by man The revelation of the human spirit in the Bible points to the unique means whereby man can know and experience God God is Spirit so that man can contact and receive Him and man has a human spirit in order to contact and contain God Through faith in Christ our human spirit is born of the Holy Spirit we are joined to the Lord as one spirit and the Spirit witnesses with

our spirit that we are the children of God In The Spirit with Our Spirit Witness Lee presents a deep enlightening yet wonderfully practical view of the believers experience of God in the New Testament By presenting a complete scriptural view of both the divine Spirit and the human spirit Lee shows that genuine spiritual experience is not a matter of outward behavior or conformity to a set of rules and regulations Rather genuine spirituality comes from knowing the Spirit who is with our human spirit God's desire to be received and enjoyed by His people can be realized only to the extent that we learn to walk according to the Spirit in our spirit The Spirit with Our Spirit is an invaluable guide in this learning process Collected Works of Witness Lee, 1993, volume 2 Witness Lee, 2021-05-28 The Collected Works of Witness Lee 1993 volume 2 contains messages given by Brother Witness Lee from May 28 through December 17 1993 During the first eight months of 1993 Brother Lee was in Anaheim California At the beginning of September he visited Seattle Washington for one week after which he returned to Anaheim and remained there until the end of the year The contents of this volume are divided into nine sections as follows 1 Seven messages given in Anaheim California on May 28 through 30 These messages were previously published along with the speaking of forty six brothers from throughout Southern California in a book entitled 1993 Blending Conference Messages concerning the Lord's Recovery and Our Present Need and are included in this volume under the same title Only the outlines of the conference and the portions spoken by Brother Lee are included in The Collected Works of Witness Lee 2 A message given in Anaheim California on May 28 This message is included in this volume as chapter 1 of the previous section entitled 1993 Blending Conference Messages concerning the Lord's Recovery and Our Present Need Portions of this message were combined with other various writings by Brother Lee concerning the Triune God and the compilation was previously published in a book entitled The Crucial Points of the Major Items of the Lord's Recovery Today The contents of this book are included in this volume under the same title 3 A message given in Anaheim California on July 3 This message was divided into two chapters and is included in this volume under the title Remaining in Life and Keeping the One Accord 4 Four messages given in Anaheim California on August 13 through 15 These messages were previously published in a book entitled The Problems Causing the Turmoils in the Church Life and are included in this volume under the same title 5 Fifteen messages given in Anaheim California on August 28 through December 17 These messages were previously published in a fourteen chapter book entitled The Spirit with Our Spirit and are included in this volume under the same title 6 Fourteen messages given in Anaheim California on September 1 through December 15 These messages were previously published in a thirteen chapter book entitled The Training and the Practice of the Vital Groups and are included in this volume under the same title 7 Six messages given in Seattle Washington on September 3 through 6 These messages were previously published in a book entitled The Organic Union in God's Relationship with Man and are included in this volume under the same title 8 A message given in Seattle Washington on September 6 This message is included in this volume under the title Knowing and Experiencing the Organic Union in God's Relationship with Man 9 Six messages given in

Boyer, 2024-08-01 The Spirit of the Lord God presents seventy three biblical based reflections on the invisible power and life source of God known as Spirit in the Hebrew Bible Old Testament Old Testament Apocrypha and the Christian Bible New Testament Each exercise begins with a biblical quotation about the Spirit of the Lord the Spirit of God the Holy Spirit or Spirit The biblical words are followed by an in depth reflection highlighting both the names for and the images of the Holy Spirit scattered throughout the Bible The entries are arranged in an abecedarian alphabetical order and they are designed to help the reader nourish his or her spirit Meditation or journal questions are provided to assist the latter process Each exercise ends with a few verses of a psalm that serve to close the exercise and further emphasize the role of the Spirit in one's life This work completes a series Names for Jesus 2017 and Biblical Names for God 2023 Beginning with A Abide Spirit of Adoption Advocate and Agape Love individual entries continue through the alphabet to Z Zeitgeist By reflecting on biblical names for the Holy Spirit the reader comes to know better the Holy One who breathes Spirit everywhere and transforms all life The Christian Advocate, 1901 Spirit of the Last Days Peter Althouse, 2003-10-01 Early Pentecostals proclaimed the restoration of the charismatic gifts as a sign of the imminent coming of Christ This eschatology was later marginalized by the rise of fundamentalist dispensationalism Today Pentecostal eschatology is being revised to include a more transformative view of the kingdom This boook proposes a further revision of Pentecostal eschatology created to recover prophetic elements of early Pentecostalism that invite a responsible social engagement in the world and to overcome fundamentalist assumptions which have crept into Pentecostal theology in its middle years To this end the eschatological thought of selected Pentecostal theologians is placed in dialogue with Jurgen Moltmann This dialogue critiques fundamentalist tendencies within contemporary Pentecostalism by advocating a theology more open to history and creation and a Pentecostal ethic both personal and social in scope New Life in the Spirit Leonard I.
