Seeking With All My Heart:

Seeking with All My Heart Paula D'Arcy, 2003 This collection of insights parables and meditations from the Christian spiritual and literary tradition helps to reveal the presence of the divine within the world and within oneself Drawing from both classical and contemporary sources including Jesus the Lord's Prayer Job and the Psalms Tolstoy Pascal Carlo Carretto and Annie Dillard these writings foster a deep appreciation of the spiritual practice of being present and address subjects such as grief healing transformation and hope Directed at those who are seeking a deeper appreciation of both God and self these reflections challenge flimsy mental constructs and comfortable conclusions about the world Seek Me with All Your Heart Beth Wiseman, 2010-10-17 What would cause the Amish to move to Colorado leaving family and friends behind Some Amish are making the trek to Colorado for cheaper land Others are fleeing strict bishops with long memories For Emily Detweiler and her family the move is more personal Tragedy struck Emily in Ohio shaking loose everything she believed was firm including her faith Her family took the bold step of leaving Ohio to resettle in a small Amish community in Canaan Colorado where they hope the distance will help erase painful memories David Stoltzfus's family moved to Colorado for reasons he doesn't understand But Canaan is turning out to be something other than the promised land they all anticipated Fearing that a health condition will cut his life short David plans to return home to Paradise Pennsylvania as soon as he can But then he meets Emily who stirs feelings in his heart despite his apprehension about the future Emily's growing love for David surprises her but she fears that he will find out the truth about her past and reject her But what if the truth is that they are made for each other And that God longs to give them the desires of their hearts if only they will seek Him first **If You Have Confusion and Emptiness in Your Heart, Seek the Light of the Truth (I)** Rev. crave to feel the Spirit's comfort or yearn to follow Jesus along the journey of faith you will treasure the humble wisdom that has crossed your path. Seek Wait Trust Poems for Navigating the Spiritual Journey contains the pensive poetic voice of Mary Morgan Brown and the compelling prayers of Rev Dr Gregg Brown. These are not just literary offerings but also testimonies of what God can do and will do. Rev Dr James A Forbes Jr observes in his Foreword: In many of these poems scripture verses have morphed into direct advice not so much to be quoted but actions to be taken. Listen not so much for rhymes or meter literal or symbolic intent. Listen with your heart to hear the voice of God. God has heard the interrogatives intercessions petitions and gratitude of your soul and has lovingly placed an answer in your spirit. If you do not discern the meaning on your first reading read again and again. When you are finally ready say: Speak Lord your servant child is ready to hear. This book is a boat of wisdom for those on a quest for deeper meaning and purpose in life. The foreword is the bow the poetry the hull and the prayers the stern. Take the helm. Seek and chart a steady spiritual course. Wait for God's navigating guidance. Trust your entire destination to the living Lord. Mary's pensive piercing insight and Gregg's vigorous Heaven bound prayers will leave the reader revitalized and transformed for a closer walk with God and more loving interactions with people. Jackie Wright, publicist, President of Wright Enterprises. Ms Brown's poignant tender and always relatable poems render new insight to scripture bridging the peaks and valleys of an ongoing spiritual search. Robin Fletcher, writer, Founder of RdF Consulting Services. It is a poetic dance and masterpiece of movement through self discovery; it is the essential traveling case required of believers. Rev Dr Clarence L Johnson, Senior Pastor, Mills Grove Christian Church, Disciples of Christ.

Searching the Heart Karen Lystra, 1992-06-25. In January 1862 Charles Godwin courted Harriet Russell ultimately unsuccessfully with the following lines: Like cadences of inexpressibly sweet music your kind words came to me causing every nerve to vibrate as though electrified by some far off strain of heavenly harmony. Almost ten years later Albert Janin upon receiving a letter from his beloved Violet Blair responded with: I kissed your letter over and over again regardless of the small pox epidemic at New York and gave myself up to a carnival of bliss before breaking the envelope. And in October 1883 Dorothea Lummis wrote candidly to her husband Charles: I like you to want me dear and if I were only with you I would embrace more than the back of your neck be sure. In Karen Lystra's richly provocative book *Searching the Heart* we hear the voices of Charles Albert Dorothea and nearly one hundred other nineteenth century Americans emerge from their surprisingly open intimate and emotional love letters. While historians of nineteenth century America have explored a host of private topics including courtship marriage birth control sexuality and sex roles they have consistently neglected the study of romantic love. Lystra fills this gap by describing in vivid detail what it meant to fall in love in Victorian America. Based on a vast array of love letters the book reveals the

existence of a real openness even playfulness between male and female lovers which challenges and expands more traditional views of middle class private life in Victorian America Lystra refutes the common belief that Victorian men and women held passionlessness as an ideal in their romantic relationships Enabling us to enter the hidden world of Victorian lovers the letters they left behind offer genuine proof of the intensity of their most private interactions feelings behaviors and judgments Lystra discusses how Victorians anthropomorphized love letters treating them as actual visits from their lovers insisting on reading them in seclusion sometimes kissing them as Albert does with Violet s and even taking them to bed She also explores how courtship rituals which included the setting and passing of tests of love succeeded in building unique emotional bonds between lovers and how middle class views of romantic love which encouraged sharing knowledge and intimacy gave women more power in the home Through the medium of love letters Searching the Heart allows us to enter unnoticed the Victorian bedroom and parlor We will leave with a different view of middle class Victorian America

From My Heart to Your Heart 2 Alicia G. Smith-Mackall, 2016-09-27 I feel very blessed after writing my first book From My Heart To Your Heart I was extremely happy to have located many of the poems written over forty years ago They are dated throughout this book It is my desire to blend the old with the new To my surprise many of the things addressed over forty years ago have come to pass It is easy to see that some of the poems were before their time and perhaps that is why they were hidden from me for such a time as this The message continues from the first book delving a little deeper into the things we still struggle with throughout our lives We are encouraged here to deal with matters of the heart so that we can be free from the many traps that the Enemy has set for us causing us to fail in our relationships and fall short of the glory of God
