

The background is an abstract, painterly composition. It features a central figure, possibly a woman, depicted in a light, ethereal manner. This figure is surrounded by a dense network of fine, radiating lines in shades of blue, purple, and gold, creating a sense of dynamic energy and spiritual vibration. The overall color palette is dominated by cool blues and purples, accented with warm golden tones.

Audacity Peter S Dillard,2022-02-24 In *Divine Audacity* Peter Dillard presents a historically informed and rigorous analysis of the themes of mystical union volition and virtue that occupied several of the foremost theological minds in the late thirteenth and early fourteenth centuries In particular the work of Marguerite Porete raises complex questions in these areas which are further explored by a trio of her near contemporaries Their respective meditations are thoroughly analysed and then skilfully brought into dialogue What emerges from Dillard's synthesis of these voices is a contemporary mystical theology that is rooted in Hugh of Balma's affective approach sharpened through critical engagement with Meister Eckhart's intellectualism and strengthened by crucial insights gleaned from the writings of John Ruusbroec The fresh examination of these thinkers one of whom paid with her life for her radicalism will appeal to philosophers and theologians alike while Dillard's own propositions demand attention from all who concern themselves with the nature of the union between the soul and God
