

Shakespeare's English Kings, the People, and the Law

A STUDY OF THE RELATIONSHIP OF
THESE TWO THEMES IN SHAKESPEARE
AND THE ENGLISH HISTORY PLAYS

Edna Zwick Horne

Shakespeares English Kings The People And The Law

Urszula Kizelbach

Shakespeare's English Kings The People And The Law:

Shakespeare's English Kings, the People, and the Law Edna Zwick Boris, 1978 Demonstrates that knowledge of constitutional history can add to our understanding of the politics of the English history plays and suggests that the nine historical plays that Shakespeare wrote before Elizabeth's death record a transformation in constitutional organization

The Law in Shakespeare C. Jordan, K. Cunningham, 2006-12-12 Leading scholars in the field analyze Shakespeare's plays to show how their dramatic content shapes issues debated in conflicts arising from the creation and application of law Individual essays focus on such topics such as slander revenge and royal prerogative these studies reveal the problems confronting early modern English men and women **Richard II** Charles Forker, 2000-12-01 Before 1790 the criticism of Richard II is fragmentary and this volume takes up the major tradition of criticism including Malone Lamb Coleridge Hazlitt Chambers Boas Brandes Yeats Schelling Swinburne A C Bradley Saintsbury and Masfield **Reading Holinshed's**

Chronicles Annabel Patterson, 1994-10-15 Reading Holinshed's Chronicles is the first major study of the greatest of the Elizabethan chronicles Holinshed's Chronicles a massive history of England Scotland and Ireland has been traditionally read as the source material for many of Shakespeare's plays or as an archaic form of history writing Annabel Patterson insists that the Chronicles be read in their own right as an important and inventive cultural history Although we know it by the name of Raphael Holinshed editor and major compiler of the 1577 edition the Chronicles was the work of a group a collaboration between antiquarians clergymen members of parliament poets publishers and booksellers Through a detailed reading Patterson argues that the Chronicles convey rich insights into the way the Elizabethan middle class understood their society Responding to the crisis of disunity which resulted from the Reformation the authors of the Chronicles embodied and encouraged an ideal of justice what we would now call liberalism that extended beyond the writing of history into the realms of politics law economics citizenship class and gender Also since the second edition of 1587 was called in by the Privy Council and revised under supervision the work constitutes an important test case for the history of early modern censorship An essential book for all students of Tudor history and literature Reading Holinshed's Chronicles brings into full view a long misunderstood masterpiece of sixteenth century English culture **Shakespeare's Imaginary Constitution** Paul

Raffield, 2010-10-28 Through an examination of six plays by Shakespeare the author presents an innovative analysis of political developments in the last decade of Elizabethan rule and their representation in poetic drama of the period The playhouses of London in the 1590s provided a distinctive forum for discourse and dissemination of nascent political ideas Shakespeare exploited the unique capacity of theatre to humanise contemporary debate concerning the powers of the crown and the extent to which these were limited by law The autonomous subject of law is represented in the plays considered here as a sentient political being whose natural rights and liberties found an analogue in the narratives of common law as recorded in juristic texts and law reports of the early modern era Each chapter reflects a particular aspect of constitutional

development in the late Elizabethan state These include abuse of the royal prerogative by the crown and its agents the emergence of a politicised middle class citizenry empowered by the ascendancy of contract law the limitations imposed by the courts on the lawful extent of divinely ordained kingship the natural and rational authority of unwritten *lex terrae* the poetic imagination of the judiciary and its role in shaping the constitution and the fusion of temporal and spiritual jurisdiction in the person of the monarch The book advances original insights into the complex and agonistic relationship between theatre politics and law The plays discussed offer persuasive images both of the crown's absolutist tendencies and of alternative polities predicated upon classical and humanist principles of justice equity and community It is now canon in progressive U S legal scholarship that to focus solely on the text of our Constitution is myopic We look as well for constitutional moments moments when the zeitgeist is so transformed that our fundamental legal charter changes with it In this breathtakingly erudite book Paul Raffield argues that the late Elizabethan period was such a constitutional moment in England a moment literally played out for the polity by the greatest dramatist of all time A lawyer and a thespian Raffield handles both legal and literary sources with exquisite care As with the works of the Old Masters one dwells pleasurably on each detail until their cumulative force presses one backward to see the canvas in its sudden glorious entirety A major achievement Kenji Yoshino Chief Justice Earl Warren Professor of Constitutional Law NYU School of Law

The First Part of King Henry the Fourth William Shakespeare, 1996 The complete text of the historical drama of King Henry IV's victory over a rebellion is supplemented with extensive commentary

King John William Shakespeare, 1990-03-30 The New Cambridge Shakespeare appeals to students worldwide for its up to date scholarship and emphasis on performance The series features line by line commentaries and textual notes on the plays and poems Introductions are regularly refreshed with accounts of new critical stage and screen interpretations Edited and introduced by L A Beaurline the New Cambridge Shakespeare edition of King John offers the most complete account to date of the play's stage history with accompanying illustrations to demonstrate its dramatic potential Although King John fell out of fashion by the end of the nineteenth century Beaurline shows how its political importance rich and varied language and skilful design suggest that it should occupy a prominent position among Shakespeare's historical tragedies In the Appendix Beaurline surveys the arguments about the dating of the play and the anonymous *Troublesome Reign of King John* and presents new evidence to support the view that Shakespeare's play was written first

Shakespeare's English and Roman History Plays Paul N. Siegel, 1986 Examines Shakespearean drama's Christian overtones explaining why they have been ignored for so long and how those overtones can influence one's interpretation of Shakespeare's work

Shakespeare and the Legal Imagination Ian Ward, 1999-07 This work offers an analysis of constitutional law examining Shakespeare's plays as legal texts Professor Ward uses the plays as a starting point to investigate the development of constitutional ideas such as sovereignty commonwealth conscience and moral law and the art of government In the developing area of law and literature this book examines how Shakespeare's

work offers a rich source of textual material on legal subjects **King Richard II** William Shakespeare, 2018-12-06 In this updated edition of *King Richard II* Claire McEachern provides a fresh introductory section in which she discusses the most important productions and scholarly criticism of recent years Paying particular attention to the focus on religion in contemporary interpretations of the play McEachern also analyses the increasing number of performances on stage and screen Andrew Gurr's acclaimed introduction guides the reader through the play's action and politics providing a thorough and engaging grounding in its structure language and staging An updated reading list completes the edition *King Richard II* William Shakespeare, 2003-05 This second edition of *King Richard II* features a new introductory section by Andrew Gurr

Shakespeare's Politics Robin Headlam Wells, 2009-01-06 *Shakespeare's Politics* is an invaluable introduction to the political world of Shakespeare's plays It includes passages from the plays together with extracts from contemporary historical and political documents The clear jargon free narrative introduces and explains the extracts and provides an overview of the key political issues that were debated in late Elizabethan and early Stuart England The introduction outlines the historical context in which Shakespeare wrote and explains the intellectual principles that informed early modern thinking about politics By reading Shakespeare alongside contemporary documents students will be able to develop their own informed critical interpretations of the plays *Shakespeare's Politics* is essential for anyone studying Shakespeare while tutors and postgraduate students will find the book's up to date survey of modern Shakespeare criticism useful and provocative

Genealogies Cataloged by the Library of Congress Since 1986 Library of Congress, 1991 The bibliographic holdings of family histories at the Library of Congress Entries are arranged alphabetically of the works of those involved in Genealogy and also items available through the Library of Congress **Tyranny and Usurpation** Doyeeta Majumder, 2019 This book investigates the political legal historical circumstances under which the tyrant of early Tudor drama becomes conflated with the usurper tyrant of the commercial theatres of London and how the usurpation plot emerges as one of the central preoccupations of early modern drama

The Pragmatics of Early Modern Politics: Power and Kingship in Shakespeare's History Plays Urszula Kizelbach, 2014-10-10 Early modern kings adopted a new style of government Realpolitik as spelled out in Machiavelli's writings Tudor monarchs well aware of their questionable right to the throne posed as great dissimulators similarly to the modern prince who must learn from the fox and the lion This book paints a portrait of a successful politician according to early modern standards Kingship is no longer understood as a divinely ordained institution but is defined as goal oriented policy making relying on conscious acting and the theatrical display of power The volume offers an intriguing discussion on kingship in pragmatic terms as the strategic face saving behaviour of Shakespeare's kings It also demonstrates how an efficient or inefficient management of the king's political face could decide his success or failure as a monarch and how the Renaissance world of Shakespeare's history plays is combined with modern theories of communication politeness and face Many studies in historical pragmatics or historical stylistics purport to expose

language use in social context but they fall short when measured against this study The author approaches Shakespeare with concepts from literary studies and linguistic pragmatics and weaves them together seamlessly with social history The result is a treasure trove of insights Jonathan Culpeper Lancaster University Exploring Machiavellian politics from the perspective of linguistic pragmatics and sociological role theory Urszula Kizelbach's study sheds interesting new light on Shakespeare's stage kings Her discussion of the strategic uses of polite speech is a particularly welcome addition to our thinking about Shakespeare's English history plays A promising new voice in European Shakespeare studies Andreas Hefele Munich University Italian Studies in Shakespeare and His Contemporaries Michele Marrapodi, Giorgio Melchiori, 1999 The papers collected in this volume set out to present some significant Italian contributions to Shakespeare studies that scattered through a number of publications not available outside Italy might have escaped the attention they deserve They are representative though by no means exhaustively of approaches to Shakespeare and his contemporaries in Italy and may convey a sense of the vitality and extreme variety of critical and scholarly attitudes in this field Shakespeare and Abraham Ken Jackson, 2015-03-15 In Shakespeare and Abraham Ken Jackson illuminates William Shakespeare's dramatic fascination with the story of Abraham's near sacrifice of his son Isaac in Genesis 22 Themes of child killing fill Shakespeare's early plays Genesis 22 informed Clifford's attack on young Rutland in 3 Henry 6 Hubert's providentially thwarted murder of Arthur in King John and Aaron the Moor's surprising decision to spare his son amidst the filial slaughters of Titus Andronicus among others However the playwright's full engagement with the biblical narrative does not manifest itself exclusively in scenes involving the sacrifice of children or in verbal borrowings from the famously sparse story of Abraham Jackson argues that the most important influence of Genesis 22 and its interpretive tradition is to be found in the conceptual framework that Shakespeare develops to explore relationships among ideas of religion sovereignty law and justice Jackson probes the Shakespearean texts from the vantage of modern theology and critical theory while also orienting them toward the traditions concerning Abraham in Jewish Pauline patristic medieval and Reformation sources and early English drama Consequently the playwright's Abrahamic explorations become strikingly apparent in unexpected places such as the trial of Shylock in The Merchant of Venice and the bifurcated structure of Timon of Athens By situating Shakespeare in a complex genealogy that extends from ancient religion to postmodern philosophy Jackson inserts Shakespeare into the larger contemporary conversation about religion in the modern world **Shakespeare's English Kings** Peter Saccio, 2000-04-20 Far more than any professional historian Shakespeare is responsible for whatever notions most of us possess about English medieval history Anyone who appreciates the dramatic action of Shakespeare's history plays but is confused by much of the historical detail will welcome this guide to the Richards Edwards Henrys Warwicks and Norfolks who ruled and fought across Shakespeare's page and stage Not only theatergoers and students but today's filmgoers who want to enrich their understanding of film adaptations of plays such as Richard III and Henry V will find this revised edition of Shakespeare's English Kings to be an

essential companion Saccio's engaging narrative weaves together three threads medieval English history according to the Tudor chroniclers who provided Shakespeare with his material that history as understood by modern scholars and the action of the plays themselves Including a new preface a revised further reading list genealogical charts an appendix of names and titles and an index the second edition of Shakespeare's English Kings offers excellent background reading for all of the ten history plays

Equity Stirring Gary Watt, 2009-07-17 Sir Frederick Pollock wrote that English speaking lawyers have specialised the name of Equity It is typical for legal textbooks on the law of equity to acknowledge the diverse ways in which the word equity is used and then to focus on the legal sense of the word to the exclusion of all others There may be a professional responsibility on textbook writers to do just that If so there is a counterpart responsibility to read the law imaginatively and to read what non lawyers have said of equity with an open mind This book is an exploration of the meaning of equity as artists and thinkers have portrayed it within the law and without Watt finds in law and literature an equity that is necessary to good life and good law but which does not require us to subscribe to a moral or natural law ideal It is an equity that takes a principled and practical stand against rigid formalism and unthinking routine in law and life and so provides timely resistance to current forces of extremism and entitlement culture The project is an educational one in the true etymological sense of leading the reader out into new territory The book will provide the legal scholar with deep insight into the rhetorical literary and historical foundations of the idea of equity in law and it will provide the law student with a cultural history of and an imaginative introduction to the technical law of equity and trusts Scholars and students of such disciplines as literature classics history theology theatre and rhetoric will discover new insights into the art of equity in the law and beyond Along the way Watt offers a new theory on the naming of Dickens chancery case Jarndyce and Jarndyce and suggests a new connection between Shakespeare and the origin of equity in modern law This beautiful book deeply learned in the branch of jurisprudence we call equity and deeply engaged with the western literary tradition gives new life to equity in the legal sense by connecting it with equity in the larger sense as it is defined both in ordinary language and experience and by great writers especially Dickens and Shakespeare Equity Stirring transforms our sense of what equity is and can be and demonstrates in a new and graceful way the importance of connecting law with other arts of mind and language James Boyd White author of *Living Speech Resisting the Empire of Force* Equity Stirring is a fine example of interdisciplinary legal scholarship at its best Watt has managed to produce a book that is fresh and innovative and thoroughly accessible Deploying a range of familiar and not so familiar texts from across the humanities Watt has presented a fascinating historical and literary commentary on the evolution of modern ideas of justice and equity Ian Ward Professor of Law at the University of Newcastle upon Tyne this is an important compendious and thought provoking work that should be on the shelves of everyone interested in equity studies Mark Fortier Law and Literature there is much of interest to the legal historian the book's insights and erudition did engage this rather sceptical reader who would like to believe that equity could achieve

justice but fears rather that it can only be as fair as the court dispensing it Rosemary Auchmuty The Journal of Legal History
With luck Equity Stirring will stir taxonomic positivists from their culture of entitlement waking them to the possibility that
law and justice do not form the perfect quadrature Nick Piska Social Legal Studies a highly imaginative original and
refreshing foray into the legal and ethical import of concepts too often thought to be difficult archaic and obscure Watt gives
us a way into the subject which is forceful in its imaginative reach and its ethical import David Gurnham Law Culture and the
Humanities Political Communication and Political Culture in England, 1558-1688 Barbara J. Shapiro, 2012-11-07 This
book surveys the channels through which political ideas and knowledge were conveyed to the English people from the
beginning of the reign of Elizabeth I to the Revolution of 1688 Shapiro argues that an assessment of English political culture
requires an examination of all means by which this culture was expressed and communicated While the discussion focuses
primarily on genres such as the sermon newsbook poetry and drama it also considers the role of events and institutions
Shapiro is the first to explore and elucidate the entire web of communication in early modern English political life

The Enigmatic Realm of **Shakespeares English Kings The People And The Law**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Shakespeares English Kings The People And The Law Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shakespeares English Kings The People And The Law has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shakespeares English Kings The People And The Law has opened up a world of possibilities. Downloading Shakespeares English Kings The People And The Law provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shakespeares English Kings The People And The Law has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shakespeares English Kings The People And The Law. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shakespeares English Kings The People And The Law. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shakespeares English Kings The People And The Law, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware

or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shakespeares English Kings The People And The Law has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shakespeares English Kings The People And The Law Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shakespeares English Kings The People And The Law is one of the best book in our library for free trial. We provide copy of Shakespeares English Kings The People And The Law in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shakespeares English Kings The People And The Law. Where to download Shakespeares English Kings The People And The Law online for free? Are you looking for Shakespeares English Kings The People And The Law PDF? This is definitely going to save you time and cash in something you should think about.
