**The Complete Idiot's Guide to Creative Visualization** Carolyn Flynn, Shari L. Just Ph.D., 2005-11-01 If you can envision it you can make it happen. Creative visualization is the technique of using the imagination to identify goals and then making them a reality. It's more powerful than sheer drive because it works in harmony with the positive energy of the universe. The Complete Idiot's Guide to Creative Visualization helps readers visualize and then actualize their best and brightest lives. Filled with techniques and exercises that reveal the power of visualization, offers suggestions, guidance, and tips to inspire the imagination. Follows the path of the book that launched the creative visualization movement nearly 30 years ago and adds such New Age elements as meditations and affirmations. Creative visualization offers something for those interested in the New Age movement, spirituality, and self-improvement.

**Infertility For Dummies** Sharon Perkins, Jackie Meyers-Thompson, 2011-04-20 Are you having problems becoming pregnant? You're not alone: over 7.2 million Americans are facing the same challenges of infertility. Though some non-experts say that it's all a matter of relaxation or taking medication, you need clear, straightforward, and trustworthy answers from healthcare professionals without feeling insulted, humiliated, or scared. Written with compassion as well as professional knowledge, *Infertility for Dummies* combines comfort and expertise to walk you through your journey to becoming pregnant. This plain English guide explains how infertility affects both men and women while covering the latest treatments. It covers all key areas including: Determining if you are infertile; Maintaining a healthy relationship with your partner; Making healthy pre-conception lifestyle changes; Understanding the male and female anatomy; Techniques for timing your conception; Different ways to diagnose infertility; Dealing with early pregnancy loss; Finding the right doctor; Different types of alternative insemination; New advances and concerns in infertility; Improving your chances of conceiving. *Infertility for Dummies* includes strategies for dealing with family and friends, what to expect from them, how to deal with inappropriate comments, and understanding that they are just trying to help. This book also provides the names and profiles of fertility medications and where you can find them.

*The Stressed Years of Their Lives* Dr. B. Janet Hibbs,Dr. Anthony Rostain,2019-04-23 From two leading child and adolescent mental health experts comes a guide for the parents of every college and college bound student who want to know what s normal mental health and behavior what s not and how to intervene before it s too late The title says it all Chock full of practical tools resources and the wisdom that comes with years of experience *The Stressed Years of their Lives* is destined to become a well thumbed handbook to help families cope with this modern age of anxiety Brigid Schulte Pulitzer Prize winning journalist author of *Overwhelmed* and director of the Better Life Lab at New America All parenting is in preparation for letting go However the paradox of parenting is that the more we learn about late adolescent development and risk the more frightened we become for our children and the more we want to stay involved in their lives This becomes particularly

necessary and also particularly challenging in mid to late adolescence the years just before and after students head off to college These years coincide with the emergence of many mood disorders and other mental health issues When family psychologist Dr B Janet Hibbs s own son came home from college mired in a dangerous depressive spiral she turned to Dr Anthony Rostain Dr Rostain has a secret superpower he understands the arcane rules governing privacy and parental involvement in students mental health care on college campuses the same rules that sometimes hold parents back from getting good care for their kids Now these two doctors have combined their expertise to corral the crucial emotional skills and lessons that every parent and student can learn for a successful launch from home to college Shaking Our Family
