transformative self leadership **The Joy Stealers** Rob Renfroe, 2018-03-20 What's stealing your joy? Are you dealing with marriage problems, painful relationships, disobedient children, health concerns, financial struggles, or just the daily stresses and strains of life? Regardless of our circumstances, it's true that in Christ we have everything we need for joy: the forgiveness of our sins, the indwelling of the Holy Spirit, a purpose worth living for, and the assurance of eternity with God. But whether we actually live with joy or allow something to take it from us is a choice each of us makes every day. Living with joy is a decision we make again and again as we're continually faced with joy stealers such as worry, bitterness, guilt, negativity, and bitterness. Pastor and author Rob Renfroe addresses these common joy stealers and suggests how we can overcome them by making five simple yet transformational decisions that through the power of the Holy Spirit will enable us to have overflowing joy and be a continual blessing to others. A final chapter on living with joy provides encouragement and help for living in the fullness of God's joy each and every day. Additional components for a six-week study include a comprehensive Leader Guide which includes a link to downloadable video clips that can be used as lead-ins to group discussion.

One Choice Away from Change Justin Davis, Trisha Davis, 2025-03-04 Through biblical examples and illustrations from their own redemptive story, Justin and Trisha Davis help readers identify unhealthy relational patterns that keep them from experiencing the joy and freedom God has for them. Relationships can feel like a constant struggle. How can we recognize and overcome behaviors that leave us wounded, broken, and exhausted? *One Choice Away from Change* helps us identify dysfunctional life patterns that cause us to repeat the same mistakes in relationships, fall into the same bad habits at work, or argue about the same things with those we love. Drawing on their own story of healing, Justin and Trisha Davis offer practical encouragement for understanding the choices we make that can sabotage us. Not letting the past dictate the present. Leaving behind our go-to sins and dysfunctions. Moving forward in the hope of who God calls us to be. You aren't as stuck as you think you are. In fact, you are just one decision away from breaking the cycles that keep you living in fear and shame. Experience the power of God's grace, one choice at a time.

Mission Rift David E. Woolverton, 2021-07-06 There are two types of conflict in congregations: conflict that kills and conflict that cultivates growth. So argues David E. Woolverton in *Mission Rift*. Leading through Church Conflict: Conflict that kills that damages or destroys teams, ministries, missions, vibrancy occurs when we as the people of God forget who we are, why we're here, and where we're going in carrying out the divine mission. Conflict that cultivates growth often begins with the same scenarios, but leaders see conflict as a context for learning how to live together as a people called to transform their neighborhoods, schools, and workplaces. In *Mission Rift*, Woolverton reorients our view of congregational conflict. In part 1, he examines conflict from a theological and ecclesiological framework, exploring why it is essential to discipleship and mission. In part 2, he presents six principles of missional leadership, challenging pastors and other leaders to define themselves within the frameworks of spiritual formation and family systems and then to create environments that facilitate growth in faith communities. Rather than resolve conflict too quickly, Woolverton explains, lest we

inadvertently sabotage the potential it has to draw a congregation toward spiritual growth wise leaders recognize that a lack of conflict may be a symptom of missional decline rather than congregational unity When the church pursues its divine mission first conflict may become essential for defining its mission priorities Successfully leading through conflict toward a transformative end will empower a congregation s witness within its community and beyond *You Rise Glorious* Mike Foster,2018-05-15 A powerful message of hope for anyone burdened by shame and for everyone who longs for a fresh passionate and fierce life Now in convenient trade paperback and featuring a bonus section for guided reflection This retitled edition of *People of the Second Chance* centers on HOPE Every fierce and free life starts with that at the core And every reader longs for a passionate and unstoppable spirit This book will equip the reader to fight for hope and victory for others and also themselves Foster s examination of hope is one part challenge two parts encouragement He forces the reader to ask the following questions How did I lose it How do I get it How do I give it Each question is broken down into core concepts that are essential to a life devoted to the power of fierce and free living awareness discovery ownership forgiveness acceptance and freedom **The Addiction Progress Notes Planner** Arthur E.
