Shanghai Baby:

Shanghai Baby Wei Hui, 2001 The gap that divides those of us born in the 1970s and the older generation has never been so wide Dark and edgy deliciously naughty an intoxicating cocktail of sex and the search for love Shanghai Baby has already risen to cult status in mainland China The risqué contents of the breakthrough novel by hip new author Wei Hui have so alarmed Beijing authorities that thousands of copies have been confiscated and burned As explicit as Henry Miller's *Tropic of Cancer* as shocking as *Trainspotting* this story of a beautiful writer and her erotically charged affairs jumps howls and hits the ground running as it depicts the new generation rising in the East Set in the centuries old port city of Shanghai the novel follows the days and nights of the irrepressibly carnal Coco who waits tables in a café when she meets her first lover a sensitive Chinese artist Defying her parents Coco moves in with her boyfriend and enters a frenzied orgasmic world of drugs and hedonism But helpless to stop her gentle lover's descent into addiction Coco becomes attracted to a boisterous Westerner a rich German businessman with a penchant for S M and seduction Now with an entourage of friends ranging from a streetwise madame to a rebellious filmmaker Coco's forays into the territory of love and lust cross the borders between two cultures awakening her guilt and fears of discovery yet stimulating her emerging sexual self Searing a blistering image into the reader's imagination Shanghai Baby provides an alternative travelogue into the back streets of a city and the hard core escapades of today's liberated youth Wei Hui's provocative portrayal of men women and cultural transition is an astonishing and brave exposure of the unacknowledged new China breaking through official rhetoric to show the inroads of the West and a people determined to burst free

Shanghai Baby Wei Hui Zhou, 2012-03-01 Publicly burned in China for its sensual nature and irreverent style this novel is the semi autobiographical story of Coco a café waitress who is full of enthusiasm and impatience for life She meets a young man Tian Tian for whom she feels tenderness and love but he is reclusive impotent and an increasing user of drugs Despite parental objections Coco moves in with him leaves her job and throws herself into writing Shortly afterwards she meets Mark a married Westerner The two are uncontrollably attracted and begin a highly charged physical affair Torn between her two lovers and tormented by her deceit her unfinished novel and the conflicting feelings involved in love and betrayal Coco begins to find out who she really is Here is a beautifully written novel with a distinct voice that describes China on the brink of its own social and sexual revolution

Feminism and Global Chineseness: The Cultural Production of Controversial Women Authors Aijun Zhu, 2007 This book deconstructs the controversy of globally located Chinese women authors including Maxine Hong Kingston America Wei Hui Mainland China Li Ang Taiwan and Li Bihua Hong Kong It vividly shows how these authors are trapped in a dilemma between feminism nationalism and neocolonialism complicated by the powerful influences of global popular culture This book not only engages in the much debated major issues such as gender nation narration and globalization but more profoundly it also points out the cultural

and political significance of literary and cultural criticism a much neglected area of research The author's detailed examination of Chinese nationalism from the perspectives of gender and globalization shows her sharp awareness of the changing geopolitical mapping of Chineseness Critics of Chinese literature and culture will benefit from this work in this era of social and political changes **The Unexpurgated Diary of a Shanghai Baby** Elsie McCormick, 2007 This wonderful book is written as the diary of a one year old baby in an American expat household in Shanghai in the early 1920s The world of old Shanghai the life of expats in Asia it is all reflected here through the eyes of the baby Elsie McCormick an American resident of Shanghai nails the feel of the times with humor and insight **Shanghai Baby** Weihui Zhou, 2002

Globalization and Cultural Trends in China Kang Liu, 2003-12-31 In this timely work Liu Kang argues that globalization in China is both a historical condition in which the country's gaige kaifang reform and opening up has unfolded and a set of values or ideologies by which it and the rest of the globe are judged Moreover globalization signals a significant ascendancy of culture Liu examines China's current ideological struggles in political discourse intellectual debate popular culture avant garde literature the news media and the internet With careful textual analysis and observation informed by critical theories and cultural studies he offers a forceful critique of the Chinese version of globalism that privileges economic development at the expense of social justice and equality Sex and Sexuality in China Elaine Jeffreys, 2007-01-24 Elaine Jeffreys explores the issues of sex and sexuality in a non Western context by examining debates surrounding the emergence of new sexual behaviours and the appropriate nature of their regulation in the People's Republic of China Commissioned from Western and mainland Chinese scholars of sex and sexuality in China the chapters in this volume are marked by a diversity of subject material and theoretical perspectives but turn on three related concerns First the book situates China's changing sexual culture and the nature of its governance in the socio political history of the PRC Second it shows how China's shift to a rule of law has generated conflicting conceptions of citizenship and the associated rights of individuals as sexual citizens Finally the book demonstrates that the Chinese state does not operate strictly to repress sex it also is implicated in the creation of new spaces for sexual entrepreneurship expertise and consumption This comprehensive study is a valuable resource for scholars in the fields of sexuality studies and post socialist societies and culture directly appealing to both East Asia and China specialists **Shanghai Baby** Wei Hui, 2002 **Women Writers in Postsocialist China** Kay Schaffer, Xianlin Song, 2013-07-31 What does it mean to read from elsewhere Women Writers in Postsocialist China introduces readers to a range and variety of contemporary Chinese women's writing which has seen phenomenal growth in recent years The book addresses the different ways women's issues are understood in China and the West attending to the processes of translation adaptation and the grafting of new ideas with existing Chinese understandings of gender feminism subjectivity consumerism and post modernism By focusing on women's autobiographical biographical fictional and historical writing the book engages in a transcultural flow of ideas between western and indigenous Chinese feminisms Taking account of the accretions of social

cultural geographic literary economic and political movements and trends cultural formations and ways of thinking it asks how the texts and the concepts they negotiate might be understood in the social and cultural spaces within China and how they might be interpreted differently elsewhere in the global locations in which they circulate The book argues that women centred writing in China has a direct bearing on global feminist theory and practice This critical study of selected genres and writers highlights the shifts in feminist perspectives within contemporary local and global cultural landscapes Opening Up James Farrer,2002-05-29 More and more men and women in China are having sex before marriage creating a new youth sex culture based on romance leisure and free choice Farrer explores this change by tracing the basic elements in talk about sex and sexuality in Shanghai **From Underground to Independent** Paul Pickowicz,Yingjin Zhang,2006 This groundbreaking book presents a critical introduction to the cultural and political dimensions of contemporary Chinese cinema Leading Western and Chinese scholars trace the changing dynamics of Chinese film culture since the early 1990s as it moves away from underground and toward independence in the new century Yet as the rich case studies illustrate the sheer variety of alternative film culture itself provides sufficient opportunities for different at times contradictory configurations of cinematic products Drawing on vigorous interdisciplinary scholarship the book investigates the objects of its study from various methodological perspectives ranging from historical and literary to sociological and ethnographic In addition to offering critical readings of specific texts this book explores alternative film culture through personal interviews on site observations and media interrogations from traditional print media to the visual media of film television and video including the new digital media of the Internet The contributors also consider the flourishing independent documentary filmmaking scene highlighting a crucial part of alternative film that has been previously obscured by an almost exclusive attention on the fifth and sixth generation directors of fictional movies With its fresh and knowledgeable analysis of Chinese underground and independent filmmaking this book will be essential reading for all those interested in a society caught between socialism and global currents Contributions by Chris Berry Jim Cheng Valerie Jaffee Matthew David Johnson Tonglin Lu Chen Mo Seio Nakajima Paul G Pickowicz Zhiwei Xiao and Yingjin Zhang *Literature Suppressed on Sexual Grounds* Dawn B. Sova,2006 Literature Suppressed on Social Grounds Revised Edition discusses writings that have been banned over the centuries because they offended or merely ignored official truths challenged widely held assumptions or contained ideas or language unacceptable to a state religious institution or private moral watchdog The entries new to this edition include the Captain Underpants series We All Fall Down by Robert Cormier and Jake and Honeybunch Go to Heaven by Margaret Zemach Also included are updates to the censorship histories of such books as To Kill a Mockingbird and Of Mice and Men Translation and Global Spaces of Power Stefan Baumgarten,Jordi Cornellà-Detrell,2018-10-09 This book focuses on the role of translation in a globalising world It presents a series of case studies that explore the ways in which translation is subject to ideology and power play across diverging domains and genres Broadly based on a discussion of translation and the

economies of power the chapters examine an array of contextual and textual factors ranging from global regional and institutional power relations to the linguistic stylistic and rhetorical implications of translation decisions The book maps the multiple ways in which power relations and ideological positions affect cross cultural communication with special reference to repressive practices in history translation policies media power and commercial hegemonies It concludes that future translation research will benefit from a more sustained emphasis on the power of technology and economic capital *What Government Can Do* Benjamin I. Page, James R. Simmons, 2002-04-15 At the same time Page and Simmons show how even more could be and should be accomplished BOOK JACKET *The China Weekly Review*, 1925 **The Spirit of Missions**, 1890 Includes the proceedings of the annual meeting of the Society *Rebel Men* Pamela Hunt, 2022-05-10 Masculinity fast changing and regularly declared to be in the throes of crisis is attracting more popular and scholarly debate in China than ever before At the same time Chinese literature since 1989 has been characterized as brimming with countercultural attitude This book probes the link between literary rebellion and manhood in China showing how as male writers critique the outcomes of decades of market reform they also ask the same question how best to be a man in the new postsocialist order In this first full length discussion of masculinity in post 1989 Chinese literature Pamela Hunt offers a detailed analysis of four contemporary authors in particular Zhu Wen Feng Tang Xu Zechen and Han Han In a series of insightful readings she explores how all four writers show the same preoccupation with the figure of the man on the edges of society Drawing on longstanding Chinese and global models of maverick as well as marginal masculinity and responding to a desire to retain a measure of masculine authority their characters all engage in forms of transgression that still rely heavily on heteronormative and patriarchal values *Rebel Men* argues that masculinity so often overlooked in literary analysis of contemporary China continues to be renegotiated debated and agonized over and is ultimately reconstructed as more powerful than before An exceptionally lucid elegant study of masculinity in mainland Chinese fiction of the 1990s and 2000s Both historically and theoretically informed *Rebel Men* Masculinity and Attitude in Postsocialist Chinese Literature offers a major new perspective on post 1989 Chinese counterculture Julia Lovell Birkbeck University of London
