Central intelligence agency, 1979 Idaho Genealogical Society Quarterly , 1977 A Long Journey Hans H. Schallig, 2022-04-26 This is a story of a three year old caught up in the horrors of World War II The quiet time in the Dutch East Indies now called Indonesia was replaced by the ravages of war and Japanese concentration camps We spent three and a half years in three horrid camps My mother was responsible for three children including myself and Grandma We ate any creeping or sliming creature trying to stay alive until we were saved by two atomic bombs The Indonesians declared independence on August 17 1945 Our family was then endangered by murdering youth gangs who roamed the island of Java We could not go back to our plantation My

father saw handwriting on the wall and immediately began the process to immigrate to the United States This was very difficult since we were stateless He was arrested and jailed for allegedly being a Nazi sympathizer without any due process We finally received the requisite papers to board the American President Lines ship The Jefferson We sailed to the United States in March and arrived at San Pedro in April after a five week journey at sea Our family experienced culture shock when we finally came ashore My long journey is a story of all the funny things I did as I grew up including adventures in a Dutch colony and learning to be an American You will have fun when you read my exploits with successes and many surprising endings We hope that you will appreciate the American dream I realized in my long journey *Oregon in the Seventies* Jock Hatfield,1997 **Oregon Teachers Monthly** ,1909 **Of Thee I Sing** Dianne Coon,2014-02-27 What s your dream Do you believe that God will answer your prayers so that you can fulfill that dream Do you really believe that He is faithful Unrealized dreams can cause deep pain that lasts for years What takes away that pain The journey through life is a learning process that each human must endure I say endure because the learning is not always comfortable You are not alone in anything you do The lessons learned and talked about in this book can help anyone who is dealing with trouble pain human interaction or faith By reading this book the author hopes you will learn a little about music a little more about life and a lot about the love of God *Day Trips® from Portland, Oregon* Kim Cooper Findling,2015-05-07 Rediscover the simple pleasures of a day trip with Day Trips from Portland OR This guide is packed with hundreds of exciting things for locals and vacationers to do see and discover within a two hour drive of the Portland metro area *Quick Escapes® From Portland, OR* Christine Cunningham,2010-08-17 Quick Escapes From Portland OR takes the work out of trip planning and features easy to follow carefully planned itineraries for 36 to 48 hour getaways from the metropolitan area *Pacific Northwest* Marilyn McFarlane,2003-06 Sample local award winning wines take a ferry to the San Juan Islands for whale watching bask in the sunshine of British Columbia s Okanagan country or select from 29 other itineraries for two or three day getaways in the Pacific Northwest **The People's War Book and Pictorial Atlas of the World** Ferdinand Foch,Harry S. Canfield,1920 **Tracking Down Oregon** Ralph Friedman,1978 Distributed by the University of Nebraska Press for Caxton Press Interesting people and places and their stories are sprinkled throughout this conversational narrative that gives the reader a taste of the spirit of Oregon s people *Shadow on the Land* Wayne D. Overholser,2014-01-02 Central Oregon the last frontier Transportation is still by stagecoach and freight wagon There is a movement afoot for a people s railroad paid for by the state to bring the benefits of rails to the area to make it easier to ship livestock and produce and to encourage settlement For years the competing railroad barons James J Hill and Edward H Harriman have done nothing toward building a line in central Oregon but now under the impetus of the people s railroad bill they both set out to do just that Lee Dawes a front man buying rights of way for the Hill interests is charged with besting Mike Quinn who is acquiring rights of way for the Harriman line Dawes and Quinn have competed in this kind of work for years as they have competed for women An essential

property on the way to Bend is owned by Hanna Racine and both Dawes and Quinn want the right of way across her land The two vie to come up with a strategy to seduce her into committing to the interest they represent while an unknown third party is intent on frustrating them both through brutal violence *Bend* ,2009 Bend astride the Deschutes River at the eastern foot of the Cascade Range got its name from a place on the river that runs through it Pioneer travelers called the place Farewell Bend because it was where they had their last view of the double bend in the river that afforded a good place to camp and to ford the waterway otherwise flowing through deep canyons When the U S Post Office Department approved a name for a post office established there in 1886 it settled on a shorter version Bend because there already was a Farewell Bend on the Snake River in eastern Oregon Arrival of a railroad in 1911 connected Bend with a market for Central Oregon s vast timber resources Large sawmills began operations in 1916 and Bend grew tenfold in 10 years And it kept on growing into a favored place to live By its centennial in 2005 some 75 000 people called Bend home
