## **Shannon To Subitus:**

**Shannon to Subitus** Joe Hennessy, 2004-11-01 With their ship built the people from Shannon set out into the universe in search of tourists to bring back to the Shannon area Not for one moment did any one of them think that they would encounter so many difficulties presented by the people they met while out there in space They were dined and wined while visiting an American spaceship that they happened to come across while barreling their way through space and were accused of kidnapping one of their officers who in a very short time became so infatuated with one of the girls aboard that he insisted on coming with them They took aboard a Russian couple expelled from their mother ship by its jealous captain who felt that even out in space a wife should be true to her husband and not enjoying going on float ups with other members of his crew While unknown to all they ran into a couple of Dilingers boys who claimed they were on the run from the law On reaching Subitus the males experienced a lifestyle way better than they had ever experienced on Earth **Imperial**
