**Blacksmith** Sherwood, 2008-10-01 It was during the last century and before the spirit of revolution had effected any change  
in the manners of our forefathers that the events took place which are about to be recorded in this little volume At that  
period there existed in the wild border country which lies between England and Scotland an ancient castle of which only one  
tower a few chambers in the main building certain offices enclosed in high buttressed walls and sundry out houses hanging  
as it were on those walls yet remained This castle had once been encircled by a moat which had been suffered to dry itself up  
though still the little stream which used to fill it when the dams were in repair murmured and meandered at the bottom of  
the hollow and fed the roots of many a water plant and many a tree whose nature delights in dank and swampy soils The  
verdure however which encircled this ancient edifice added greatly to the beauty when seen over the extent of waste and  
wild in which it stood There can be no doubt but that the ancient possessors of this castle which from the single remaining  
barrier and the name of the family was called Dymock s tower had been no other than strong and dangerous free booters  
living on the plunder of the neighbouring kingdom of Scotland Every one knows that a vast extent of land waste or at best but  
rudely cultivated had once belonged to the Lords of Dymock **Shanty the Blacksmith (Esprios Classics)** Mrs

later works cover common Victorian themes such as domesticity She married Captain Henry Sherwood and moved to India  
converted to evangelical Christianity and began to write for children with those of military encampments there in mind but  
her work was well received in Britain where the Sherwoods returned after a decade She opened a boarding school and  
published texts for children and the poor **Shanty the Blacksmith; a Tale of Other Times** Mary Martha
