Many books exist on various aspects of event management reflecting growing academic and professional interest but there has not been a book written on Event Studies until now As the event management field expands there is a growth in demand for advanced texts particularly with a multidisciplinary research and theoretical orientation Event Studies is the first text to embrace this new direction in the field of event management providing students and practitioners with an explanation of why planned events are important from a social cultural economic and environmental perspective readers with an understanding of how various disciplines and other professional fields view planned events and the contributions they make to understanding events research students with a detailed evaluation of research issues and challenges and of methodologies and theories applicable to event studies The bibliography is extensive and numerous research examples are provided professionals with a tool to expand their knowledge well beyond the art and science of producing events to include the philosophical and scientific foundations of event studies For the event management student and for professionals Event Studies provides the necessary body of knowledge and theoretical methodological underpinnings on the subject of planned

events **In Harmony with the Tao** Francis Pring-Mill,2023-01-16 The Tao Te Ching is one of the most widely read and deeply loved works of ancient spiritual wisdom in the world But its dense and cryptic lines can sometimes yield more confusion than illumination If you've ever found yourself understanding the printed words but thinking Yes but what does this mean and how is it relevant to me then Francis Pring Mill's In Harmony with the Tao A Guided Journey into the Tao Te Ching is your guide into deeper understanding of this classic work of Chinese philosophy Today's fast paced world leaves us little time to spend with the timeless questions such as how to live a meaningful life in harmony with the world around us Nonetheless we yearn for answers and answers are to be found in the Tao Te Ching a book written twenty five hundred years ago that resonates with people everywhere as though it had been written yesterday Of the many English translations and versions some are scholarly others are philosophical What's new in In Harmony with the Tao is the concept of a guided journey accompanying the text of perhaps the best known English edition Stephen Mitchell's elegant authoritative interpretation Tao Te Ching A New English Version This book In Harmony with the Tao includes the complete text of Stephen Mitchell's work accompanied by Francis Pring Mill's illuminating commentaries on each chapter In a skillful rendition of ancient wisdom reimagined for modern times In Harmony with the Tao reveals the common threads weaving through the eighty one brief chapters In Harmony with the Tao will appeal to anyone keen to understand the ideas contained in and especially between the lines of the Tao Te Ching **The Routledge Handbook of Events** Stephen J. Page,Joanne Connell,2014-10-14 The Routledge Handbook of Events explores and critically evaluates the debates and controversies associated with this rapidly expanding discipline It brings together leading specialists from range of disciplinary backgrounds and geographical regions to provide state of the art theoretical reflection and empirical research on the evolution of the subject It is the first major study to examine what events is as a discipline in the twenty first century its significance in contemporary society and growth as a mainstream subject area The book is divided in to five inter related sections Section one evaluates the evolution of events as a discipline and defines what events studies is Section two critically reviews the relationship between events and other disciplines such as tourism and sport Section three focuses on the management of events section four evaluates the impacts of events from varying political social and environmental perspectives and section five examines the future direction of growth in event related education and research It offers the reader a comprehensive synthesis of this field conveying the latest thinking and research The text will provide an invaluable resource for all those with an interest in Events Studies encouraging dialogue across disciplinary boundaries and areas of study **New Realities** ,1977 **The Mystique of Enlightenment** U. G. Krishnamurti,2020-12-08 In The Mystique of Enlightenment U G Krishnamurti delves deep into the often misunderstood and romanticized concept of enlightenment Through a provocative and contrarian literary style Krishnamurti challenges the prevailing notions of spiritual attainment arguing that enlightenment as traditionally perceived is a mere illusion He employs a combination of philosophical inquiry and

experiential narrative drawing from his own radical interpretations of various Indian philosophical traditions distilling complex ideas into accessible insights that invite readers to question the validity of their own spiritual ambitions This work acts as both a critique and an exploration situated amid the broader discourse on spiritual awakening within the 20th century landscape of Eastern philosophy and Western psychological thought U G Krishnamurti an enigmatic figure in the world of spirituality rejected the labels often associated with mystics and gurus Having lived a life marked by personal upheaval and radical transformation he utilized his own experiences often described as a natural state of being to inform his enlightening discourse His disregard for traditional enlightenment narratives stems from a desire to strip away the layers of dogma and expectation that cloud genuine understanding positioning himself as a catalyst for introspection among seekers I highly recommend *The Mystique of Enlightenment* to anyone seeking a fresh perspective on spiritual enlightenment This book is not merely for those aspiring to enlightenment but for those willing to confront their preconceptions and engage fully with the idea that true understanding transcends all notions of achievement Krishnamurti s provocative insights compel readers to embark on a journey of self inquiry that resonates long after the final page is turned In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read
