The Shape of the Liturgy Gregory Dix (kloosternaam van George Eglinton Alston Dix.),1947 Of Thine Own Have We Given Thee Shawn O. Strout,2024-02-29 Every Sunday around the world Christians offer money and in kind gifts to the church traditionally known as alms This act produces questions about what it means to offer God a gift when God has offered humanity the greatest gift in Jesus Christ or the balance of favour or gratitude in the giving of these gifts These very questions and more have had a significant influence on the liturgical theology particularly in the offertory within Anglicanism In *Of Thine Own Have We Given* Shawn O Strout provides a comprehensive analysis of the offertory rites including in his analysis other churches within the Anglican Communion beyond the Church of England Ordered historically the book encompasses the sixteenth century through to current times scrutinising the offertory and oblationary changes throughout their religious and historical contexts Strout argues that the development of oblation in the offertory was neither arbitrary nor episodic but rather the result of sustained theological tension Using liturgical theology s tools of historical textual and contextual analyses the book examines why these developments occurred and their importance for the church today The Shape of the Liturgy Gordon Lathrop,1996 *Worship in the Shape of Scripture* Russell F Mitman,2009-01-01 *Worship in the Shape of Scripture* first published in 2001 is a practical resource for worship planners and leaders that provides guidelines for applying homiletic concepts to all areas of worship planning Due to its success it has been revised and updated Mitman demonstrates how the structure of worship is or can be rooted in Scripture itself He raises essential questions and reflects on broad themes for worshipping congregations to consider for the sake of faithful praise Foreword by Marva J Dawn

The Christian Educator's Handbook on Spiritual Formation Kenneth O. Gangel,James C. Wilhoit,1998-02-01

Provides the help Christians need to understand and pursue spiritual growth Praying Shapes Believing Leonel L. Mitchell,1991-03-01 Praying Shapes Believing is both a contribution to ongoing scholarly dialogue about how to do liturgical theology and an exposition of the liturgical theology of the Episcopal Church the church which more than any other church seeds its own identity in terms of its liturgy This in depth look at The Book of Common Prayer systematically gives a theological answer to the question What does it mean that we act and speak these particular words of liturgy The book has a two point focus The first is to set forth the liturgical theology of a particular liturgy without importing a priori considerations from sources outside the liturgy itself The second focus is an expansion of the theology of The Book of Common Prayer as the expression of the faith and life of the Episcopal Church **Saving Memory and the Body of Christ** Timothy F. Sedgwick,2024-06-15 For Christians memories of God given in the Christian Bible are juxtaposed echoed and expanded within and outside Christian communities of faith In Saving Memory and the Body of Christ Sedgwick argues Christians are attuned to the polyphony that is the voice of God calling those who have ears to hear into the love and grace of God in life together Sharing together in the Eucharist he goes on to describe Christians remember celebrate and are drawn into life in God as imaged in the Greek word kenosis meaning emptying oneself Christian faith is accordingly what the Latin word credo means to give one s heart to God hence to give oneself in faith and fidelity to the memory of God In the memory of God Christian faith is a practical piety In prayer and worship Christians remember and respond to the call of God to life lived in the grace and love of God in the glory of creation in birth and death in sickness and health in compassion and care for one another in creation This is the birth of moral conscience hearing in the voice of others what claims those who have faith and calls for response **Sacrifice Unveiled** Robert J. Daly,2009-06-13 Offers a new understanding of sacrifice as a response to love and an entering into the self giving life of God Liturgical Spirituality Stephen Burns,2013-11-01 Of particular interest to scholars and practitioners across the Anglican Communion with contributions from a wide breadth of scholars Liturgical Spirituality is a collection of Anglican reflections on the spirituality of the liturgy inviting readers into the Church s patterns of prayer seasons of the year and sacramental action With contributions from all over the world from the North Atlantic to Australia the collection helps develop a comprehensive understanding of contemporary Anglican spirituality
