## Shape Shifters:

**The Shape Shifters** John L. Mariotti, 1997-10-10 The Shape Shifters offers a unique set of new tools keeping readers ahead of fast moving curves The simple analytical and teaching tools in this book can make any business nimbler and more decisive The author provides hundreds of examples of how companies have redefined the shapes of their businesses shape shifting faster and more often to match the changing shape of customer demands Werewolves and Other Shape-Shifters Ruth Owen, 2013-01-01 Examines the history of werewolf lore famous incidents and possible explanations Shape Shifters Lily Anne Y. Welty Tamai, Ingrid Dineen-Wimberly, Paul Spickard, 2020-01-01 Shape Shifters presents a wide ranging array of essays that examine peoples of mixed racial identity Moving beyond the static either/or categories of racial identification found within typical insular conversations about mixed race peoples Shape Shifters explores these mixed race identities as fluid ambiguous contingent multiple and malleable This volume expands our understandings of how individuals and ethnic groups identify themselves within their own sociohistorical contexts The essays in Shape Shifters explore different historical eras and reach across the globe from the Roman and Chinese borderlands of classical antiquity to medieval Eurasian shape shifters the Native peoples of the missions of Spanish California and racial shape shifting among African Americans in the post civil rights era At different times in their lives or over generations in their families racial shape shifters have moved from one social context to another And as new social contexts were imposed on them identities have even changed from one group to another This is not racial ethnic or religious imposture It is simply the way that people's lives unfold in fluid sociohistorical circumstances With contributions by Ryan Abrecht George J Sanchez Laura Moore and Margaret Hunter among others Shape Shifters explores the forces of migration borderlands trade warfare occupation colonial imposition and the creation and dissolution of states and empires to highlight the historically contingent basis of identification among mixed race peoples across time and space **Vampires, Zombies, and Shape-Shifters** Rebecca Stefoff, 2008 Explores the folklore and facts connected with vampires zombies and shape shifters such as werewolves **Werewolves and Other Shape-Shifters** Anita Ganeri, 2010-08-15 For thousands of years people have believed that certain humans have the ability to turn into animals particularly wolves This book describes all kinds of shape shifters from the Japanese kitsune to the Irish selkies The history of these fascinating characters is accompanied by vivid computer generated illustrations that will capture the imagination and spark the curiosity of young readers **Shapeshifters** John B. Kachuba, 2019-06-10 There is something about a shapeshifter a person who can transform into an animal that captures our imagination that causes us to want to howl at the moon or flit through the night like a bat Werewolves vampires demons and other weird creatures appeal to our animal nature our dark side our desire to break free of the bonds of society and proper behavior Real or imaginary shapeshifters lurk deep in our psyches and remain formidable cultural icons The myths magic and meaning surrounding shapeshifters are brought vividly to life in John B Kachuba's compelling and original cultural history Rituals in early cultures worldwide seemingly allowed

shamans sorcerers witches and wizards to transform at will into animals and back again Today there are millions of people who believe that shapeshifters walk among us and may even be world leaders Featuring a fantastic and ghoulish array of examples from history literature film TV and computer games Shapeshifters explores our secret desire to become something other than human *Werewolves and Other Shapeshifters in Popular Culture* Kimberley McMahon-Coleman, Roslyn Weaver, 2014-10-01 In recent years shapeshifting characters in literature film and television have been on the rise This has followed the increased use of such characters as metaphors with novelists and critics identifying specific meanings and topics behind them This book aims to unravel the shapeshifting trope Rather than pursue a case based study the works are grouped around specific themes adolescence gender sexuality race disability addiction and spirituality that are explored through the metaphor of shapeshifting Because of the transformative possibilities of this metaphor and its flexibility the shapeshifter has the potential to change how we see our world With coverage of iconic fantasy texts and a focus on current works the book engages with the shapeshifting figure in popular culture from the United States Canada the United Kingdom and Australia Instructors considering this book for use in a course may request an examination copy here [The Shapeshifters](#) Stefan Spjut, 2015-07-07 This tale of missing children and mythic monsters is a fantastic novel in every sense of the word Karl Ove Knausgård Summer 1978 A young boy disappears without a trace from a summer cabin His mother claims he was carried away by a giant He is never found Twenty five years later another child goes missing This time there's a lead a single photograph taken by Susso Myrén She's devoted her life to the search for trolls legendary giants known as stallo who can control human thoughts and assume animal form Convinced that the fabled beasts are real she follows the trail of missing children to northern Sweden But humans some part stallo themselves have been watching over the creatures for generations and this hidden society of protectors won't hesitate to close its deadly ranks Mixing folklore and history suspense and the supernatural *The Shapeshifters* is an extraordinary journey into a frozen land where myth bleeds into reality Spjut has accomplished the masterstroke of writing convincingly about the existence of trolls and other mythical creatures in the Nordic forests all this unfolds in a language that captures the everyday reality we know so well with such precision and exquisite style that the words seem to sparkle on the page Karl Ove Knausgård author of *My Struggle* A fun cunning crime thriller If you enjoy the novels of Michael Koryta or Tana French's *The Secret Place* you might eat up *The Shapeshifters* Chicago Tribune Spjut turns Scandinavian mythology upside down in a shades of gray world built for lovers of fantastical suspense Publishers Weekly **Shapeshifters** Aimee Meredith Cox, 2015-08-07 In *Shapeshifters* Aimee Meredith Cox explores how young Black women in a Detroit homeless shelter contest stereotypes critique their status as partial citizens and negotiate poverty racism and gender violence to create and imagine lives for themselves Based on eight years of fieldwork at the Fresh Start shelter Cox shows how the shelter's residents who range in age from fifteen to twenty two employ strategic methods she characterizes as choreography to disrupt the social hierarchies and prescriptive narratives that

work to marginalize them Among these are dance and poetry which residents learn in shelter workshops These outlets for performance and self expression Cox shows are key to the residents exercising their agency while their creation of alternative family structures demands a rethinking of notions of care protection and love Cox also uses these young women s experiences to tell larger stories of Detroit s history the Great Migration deindustrialization the politics of respectability and the construction of Black girls and women as social problems With Shapeshifters Cox gives a voice to young Black women who find creative and non normative solutions to the problems that come with being young Black and female in America

**Shape-Shifters!** David L. Ferrell,2013-12-15 Nearly every culture has legends of beings who could change their shape from human to animal form and back again Sometimes these beings were worshipped and sometimes feared This illustrated text explores these legends and highlights the story of an alleged werewolf who terrorized the countryside of Talbot County Georgia in 1850 **Shapeshifting** Alexander Varga, **Shapeshifters** Meg Gaertner,2019-08 Explores the history behind stories of shapeshifters **Shape Shifters** Michele Jamal,1987 Through profiles of fourteen present day shaman women who use alternative healing methods in their work Jamal suggests how a shamanic community can be developed into a creative empowered society **The Concept of the Goddess** Sandra Billington,Miranda Green,2002-09-11 This volume is an up to date highly readable study of the female aspects of religion both in past and present mythologies It explores the function and nature of goddesses and their cults in many cultures **Coyotes! Nature's Shapeshifters** Dr. Richard A. NeSmith,2020-10-17 Coyotes were the most misunderstood maligned and hated creatures on the North American continent Most of the hate for coyotes was propagated by people who did not understand the importance or the contribution coyotes make to create a healthy environment As you begin to understand the role that coyotes play in nature you will see how they are not evil creatures but keystone species When you start to see how they shape to their environment new respect and awe develop After a closer look we have discovered that coyotes are indeed keystone species that benefit other animals in their

ecosystems Finally you will be impressed by coyotes ability to withstand nearly all odds of attacks and attempts to eradicate them
