Purchase of the print or Kindle book includes a free PDF eBook. Book Description: Packed with powerful tools for creating high-quality illustrations, Clip Studio Paint (CSP) is a digital artist's dream, but truly harnessing its potential to transform your art requires you to master its advanced features and techniques. Written by Bruna Belfort, a seasoned digital artist with over 15 years of experience in creating digital art and a gift for making complex techniques easy to grasp, *Mastering Clip Studio Paint* is your ultimate guide to standing out in the digital art world. This book guides you through efficient workspace customization, streamlining workflows, and organizing projects with precision, deepening your understanding with each turn of the page. You'll learn time-saving painting techniques, create clean line art, maximize layer efficiency, and customize brushes for advanced painting styles. The book allows you to explore 3D space and materials as you manipulate objects on the canvas, illuminate your artwork with 3D lighting, and create immersive backgrounds. Along the way, you'll gain insights into character design, environment illustrations, and digital painting that will expand your creative toolkit. By the end of this book, you'll be able to confidently tackle any creative challenge with CSP, optimizing your artistic process, applying advanced techniques, and adding depth and dimension to your artwork. What you will learn: Design a personalized CSP workspace to boost your productivity. Refine your artistic process for a seamless creative workflow. Use drawing tools such as vector layers and rulers for precise line art. Get the most out of layers and blending modes for more dynamic and imaginative results. Customize brushes with advanced brush settings. Master tool selection, coloring techniques, and adjustment layers for polished results. Find out how to manipulate 3D objects in your illustrations. Leverage CSP's 3D capabilities to sculpt intricate lighting systems and backgrounds. Who this book is for: This guide is for intermediate to advanced digital artists, character designers, environment and prop designers, comic designers, and illustrators familiar with Clip Studio Paint. You'll be able to build on your foundation in digital media and Clip Studio Paint to fully personalize your experience with the software. **Painting for the Absolute and Utter Beginner**

Claire Watson Garcia, 2009-08-18 Based on the author's successful courses and workshops, *Painting for the Absolute and Utter Beginner* really does start at the beginning, helping new painters find what works while providing information on all the necessary tools, tips, and techniques they'll need to create a representational painting. The chapters follow a progressive sequence that teaches basic skills through practical, accessible exercises: how to handle a brush, achieve the right paint consistency, mix color, and create dimension, building a solid foundation that readers can rely on as painting projects grow.

more challenging A special feature is the artwork and commentary of real students which helps beginners set realistic goals and shows them how other artists at the same level of experience have worked through inevitable setbacks to achieve success
