The background image is a landscape photograph of a rugged coastline. In the foreground, dark, jagged rock formations lead down to a small, shallow pool of water. The ocean is a deep blue, meeting a sky filled with soft, white and pinkish clouds. The sun is low on the horizon, creating a warm, golden glow that reflects off the water and the clouds. The overall mood is serene and inspiring.

Chingwaru,2023-10-17 This book is meant to guide us in our daily lives to understand that instead of looking for something to come from somewhere it is us who have to make it happen Instead of looking for good thing to happen start it by being good yourself then other things will be following your example We have to realize that what we are asking for is not something tangible but something spiritual so we have to transform ourselves to conform to the things that are before us It takes us time to understand that we are dealing with two different things meaning that some have geographical boundaries and things that do not have geographical boundaries This book is leading us to the spiritual world instead of trying to go against the realities it will be wise to submit ourselves and then generous providence may guide us into the spiritual realms The coming of the Son of Man meant that the kingdom had come and will always be here When a man was made in the image of God it meant that spiritually we have to be like Him if He is spirit that mean we have to be like Him spiritually Sometimes we will try to look at it narrowly instead of looking at it broadly
