Generation Share Matofska, Benita, Sheinwald, Sophie, 2020-05-26

Generation Share takes readers on a journey around the globe to meet the people who are changing and saving lives by building a Sharing Economy Through stunning photography social commentary and interviews with 200 change makers Generation Share showcases extraordinary stories demonstrating the power of Sharing From the woman transforming the lives of slum girls in India to the UK entrepreneur who has started a food sharing revolution you ll discover the creators of a life saving human milk bank a trust cafe and a fashion library who are changing the world A collaboration between speaker social innovator and global Sharing Economy expert Benita Matofska and photographer Sophie Sheinwald Generation Share brings to life the phenomenon causing the most significant shift in society since the Industrial Revolution Sharing Democracy Michael L. Ferguson, 2012-10-18 Democratic theorists frequently assume that the people must have something in common or else democracy will fail This produces an ironically anti democratic tendency to emphasize the passive possession of commonality Sharing Democracy counters this tendency with a radical vision of democracy grounded instead in the active exercise of political freedom **Narrative and Violence** Mammad Aidani, 2016-04-22 Narrative and Violence explores philosophical and anthropological ideas surrounding the nature of social suffering its relationship to social historical and political contexts and the manner in which diasporic communities narrate their suffering Against the setting of the adverse relationship between Iran and the West it examines the ways in which suffering shapes identity and belonging in the Diaspora for Iranians living in the West Based on rich empirical information drawn from the UK and Australia this book investigates ways in which the lives of Iranians living in the Diaspora are affected by the understanding of Iran in terms of abjection as that which is beyond or outside of The West Exploring the emotions and feelings of pain and suffering as they are rooted in and shape various categories of experience propounds a view of suffering which is thoroughly grounded in culture history and politics Presenting a new theoretical and cultural understanding of experiences of suffering violence war and displacement this book contributes to critical debates within sociology geography anthropology history and cultural and critical theory Phenomenology of Space and Time Anna-Teresa Tymieniecka, 2014-04-26 This book celebrates the investigative power of phenomenology to explore the phenomenological sense of space and time in conjunction with the phenomenology of intentionality the invisible the sacred and the mystical It examines the course of life through its ontopoietic genesis opening the cosmic sphere to logos The work also explores on the one hand the intellectual drive to locate our cosmic position in the universe and on the other the pull toward the infinite It intertwines science and its grounding principles with imagination in order to make sense of the infinite This work is the first of a two part work that contains papers presented at the 62nd International Congress of Phenomenology The Forces of the Cosmos and the Ontopoietic Genesis of Life held in Paris France August 2012 It features the work of scholars in such diverse disciplines as

biology anthropology pedagogy and psychology who philosophically investigate the cosmic origins of beingness Coverage in this first part includes Toward a New Enlightenment Metaphysics as Philosophy of Life Transformation in Phenomenology Husserl and Tymieniecka Biologically Organized Quantum Vacuum and the Cosmic Origin of Cellular Life Plotinus Enneads and Self Creation The Creative Potential of Humor Transcendental Morphology A Phenomenological Interpretation of Human and Non Human Cosmos and Cognition and Emotion From Dichotomy to Ambiguity [Cumulative List of Organizations Described in Section 170 \(c\) of the Internal Revenue Code of 1954](#) United States. Internal Revenue Service,1993 *The Origin of Consciousness* Graham Little, *Science, Religion and Deep Time* Lowell Gustafson,Barry Rodrigue,David Blanks,2022-07-05 This book examines the meaning of religion within the scientific evidence based history of our known past since the big bang While our current major religions are only centuries or millennia old our volume discusses the origins and development of human religious practice and belief over our species existence of 300 000 years The volume also connects the scientific approach to natural and social history with ancient truths of our religious ancestors using new lines of inquiry new technologies new modes of expression and new concepts It brings together insights of natural scientists social scientists philosophers writers and theologians to discuss narratives of the universe The essays discuss that to apprehend religion scientifically or to interpret and explain science theologically the subject must be examined through a variety of disciplinary lenses simultaneously and raise several theoretical philosophical and moral problems With a singular investigation into the meaning of religion in the context of the 13 8 billion year history of our universe this book will be indispensable for scholars and students of religious studies big history sociology and social anthropology philosophy and science and technology studies

[Manual for Living](#) Seth David Chernoff,2010-06-07 The award winning Manual For Living REALITY A User s Guide to the Meaning of Life is the first book in the Manual For Living Series and is a genuine user s guide to the meaning of life and will change the way you see the world Its straightforward guidance and practical wisdom will help you remain true to your path and purpose in life A powerful life altering book to help you reconnect to your truth and your reason for being Find True Fulfillment and Lasting Happiness Overcome Your Fear of Death Learn How to Fully Experience Life Reconnect With Your Inner Truth Discover Your True Purpose Chernoff writes We each have a path and purpose in life a destiny as unique as our own fingerprints yet we often live lives of petty obscurity and quiet desperation ignoring our truth It is our prerogative to find our purpose and fulfill it The loss of a life is not as devastating as the loss what could have been of the dreams left unfulfilled and passions undiscovered **Today's Menu: Feeding on God's Word** Laura Russell Simpson,2019-08-31 The back cover illustration is to be About the Book **The Feral Feasts of Ember Hearth** Jody Mayes, [Share This!](#) Deanna Zandt,2011-01-26 Shows how both activists and the casually progressive can leverage the power of social networks for social change Helps readers maintain credibility establish new connections deal with common fears and have a good time Authoritative but aggressively non technical like talking to a real person with a great sense of humor who really knows her

stuff Social networks can be so much more than a way to find your high school friends or learn what your favorite celebrity had for breakfast They can be powerful tools for changing the world With Share This both regular folks of a progressive bent and committed activists can learn how to go beyond swapping movie reviews and vacation photos not that theres anything wrong with that At the moment the same kinds of people who dominate the dialog off line are dominating it online and things will never change if that doesnt change Progressives need to get on social networks and share their stories join conversations connect with others and not just others exactly like themselves Its vital to reach out across all those ethnic gender preference class age lines that exist even within the progressive camp As Deanna Zandt puts it creating a just society is sort of like the evolution of the species if you have a bunch of the same DNA mixing together the species mutates poorly and eventually dies off But there are definitely dos and donts Zandt delves into exactly what people are and are not looking for in online exchanges How to be a good guest What to share Why authenticity is more important than just about anything including traditional notions of expertise or authority She addresses some common fears like worrying about giving too much about yourself away blurring the lines between your professional and personal life or getting buried under a steaming heap of information overload And she offers detailed nuts and bolts how to get started advice for both individuals and organizations The Internet is upending hierarchies and freeing the flow of information in a way that makes the invention of the printing press seem like an historical footnote Share This shows how to take advantage of this unprecedented opportunity to make marginalized voices heard and support real fundamental change and incidentally have some fun doing it
