Communion is an inexhaustible mystery a gift of God s grace Yet because it is familiar we sometimes take it for granted Alex Gondola explores the wonder of the Lord s Supper in these captivating and well illustrated sermons What Does It Mean to "Do This"? Michael Root,James J. Buckley,2014-11-13 Jesus best known mandate after perhaps the mandate to love God and neighbor was given at the Last Supper just before his death Do this in memory of me Indeed a case can be made that to do this is the source and summit of the way Christians carry out Jesus love mandate Of course Christians have debated what it means to do this and these debates have all too often led to divisions within and between them debates over leavened and unleavened bread reception of the cup real presence and sacrifice open or closed communion this Supper and the hunger of the world These divisions seem to fly in the face of Jesus mandate causing some to wonder whether this is really the Lord s Supper we celebrate compare 1 Corinthians 11 Everything turns on just what it means to do this The purpose of the Center for Catholic and Evangelical Theology s 2012 conference was to address at least some of the many aspects of this question to address them together as Catholic Protestant and Orthodox pastors and theologians and all participants in the Supper

scholar Manuel Vasquez as well as a critical reading of the concepts of the New Age a new understanding of Grotowski and religion can be developed It is possible to show how Grotowski s work articulated spiritual experience within the body achieving a removal of spirituality from ecclesial authorities and relocating spiritual experience within the body of the performer This is a unique analysis of one of the 20th Century s most famous theatrical figures As such it is a vital reference for academics in both Religion and Theatre Studies that have an interest in the spiritual aspects of Grotowski s work
