

The word of God is living and active.  
Sharper than any double-edged sword,  
it penetrates even to dividing soul and spirit,  
joints and marrow; it judges the thoughts  
and attitudes of the heart.

Andrews, 2023-10-29 Dive into a profound exploration of Paul's Letter to the Hebrews with this mammoth 533-page commentary, the 16th volume of the esteemed CPH New Testament Commentary Series. Authored by the notable Bible scholar Edward D. Andrews, this work meticulously dissects the apostolic message, offering readers a deep, comprehensive understanding of its theological significance. From the supremacy of God's Son to the high priestly ministry of Jesus, from faith's champions to the final exhortations, every chapter is thoughtfully explored, accompanied by insightful commentaries. Not only does Andrews provide clarifying context to complex subjects, but he also addresses common Bible difficulties associated with each chapter, offering concrete examples and analogies to deepen understanding. Its literal Bible chronology and preference for the UASV translation ensure that readers receive an accurate, straightforward account of Paul's words.  There are over 600 New Religious Movements NRMs in Great Britain alone and more than 2000 in the United States A Reader in New Religious Movements provides an introduction to the main teachings of a selection of these organizations focusing on those that are well established in the West The contemporary and in some cases controversial NRMs covered include the Unification Church the International Society for Krishna Consciousness the Family Osho Soka Gakkai International and the Western Buddhist Order     *Bible Manifesting Techniques: From the Author of Twenty-Five Neville Goddard Manifesting Techniques* Walter Crosson, 2022-11-22 The Bible is the ultimate Law of Attraction manifesting guide Throughout this ancient text reference is made to the almighty attractive power of our words thoughts and feelings You see the Bible is not secular history nor are the characters found within real historical people The characters and the allegorical dramas portrayed throughout this mystical book are designed to teach the reader about God s Law The Law of Attraction God dwells within us as and is the I AM manifesting power that is projected from our faculty of imagination After reading this book you will discover that God who resides within your imagination creates your reality because your imagination is God in action     **The Walls Fell Down** Brian Van Cleave, 2025-01-27 Brian Van Cleave s The Walls Fell Down is written in the same storytelling style as his previous two books Jesus A Man s Man and Out of the Wilderness Through personal life stories and the challenges Joshua and the children of Israel faced in conquering the Promised Land Brian shows that the foundation of a Christian s walk of faith with Christ is obedience This obedience is not a legalistic list of dos and don ts but a way to join God into a victorious outcome The author weaves solid biblical teaching with personal life lessons to paint a unique and practical picture of how obedience in our walk of faith will bring us freedom and joy as we see walls that have been blocking our path tumble before us Whether you read it just once or dig deeper with the study guide this book will speak to inspire and motivate you into a deeper understanding of what it means to become a faith filled obedient Christian     *The Epistle to the Hebrews* Samuel Ridout, 2015-04-18 Publisher s Introductory Back in the eighteen and early nineteen hundreds there were a group of men known as the Plymouth Brethren These men had many writings and many of them were taken from Lectures given in many areas and at different times during this era Some were given in different languages and then translated into English I have taken many of these writings and messages and formatted them so they could be read on tablets and phones In other words they are in epub and mobi formats I have set up indexes with headers and have enabled text to speech I then run them through a checker to make sure the ebook format is without errors In doing this I have produced a high quality product for a very low price These are not just scanning of old writings but have been completely redone by hand I started doing this for my own private use I found there were others who wanted them also so after praying about it and contacting publishers who already got permission to use all these writings and lectures I too got permission via email which I have on file I now have over 230 of these writings in ebook format on Amazon for the Kindle and on Google play

for the Android OS Hopefully this number will keep increasing as time goes on Prefatory Note There is no introduction to the Epistle to the Hebrews and little need for any preface here Where Christ is the absorbing theme everything must yield to Him and explanations are out of place The main themes of the book are the person of Christ His priesthood and sacrifice and the place into which He has introduced His people Everything is measured by these standards and loyalty to Him is the crucial test for all that would claim attention In these closing days of the Church s history where there is a strong tendency back into that which apes Judaism a carnal religion without divine power and where the person of our Lord is lightly esteemed if not absolutely degraded it is to be hoped that this little book will serve to call back the thoughts of His people to One who is worthy of all their attention allegiance and worship May the Lord graciously use it solely to the glory of His own peerless Name S Ridout *Commentary on the Whole Bible Volume VI (Acts to Revelation) , Notes, Explanatory and Practical, on the Epistle to the Hebrews.
