Sharpe's Honour 1st Us Edition:

Sharpe's Trafalgar Bernard Cornwell, 2009-03-17 The greatest writer of historical adventures today Washington Post Critically acclaimed perennial New York Times bestselling author Bernard Cornwell Agincourt The Fort the Saxon Tales makes real history come alive in his breathtaking historical fiction Praised as the direct heir to Patrick O Brian Agincourt The Fort Cornwell has brilliantly captured the fury chaos and excitement of battle as few writers have ever done perhaps most vividly in his phenomenally popular novels following the illustrious military career of British Army officer Richard Sharpe during the late 18th and early 19th centuries Chronicling Sharpe's involvement in the famous Battle of Trafalgar in 1805 Sharpe's Trafalgar finds the young ensign captive on a French warship and in gravest peril on the eve of the one of the most spectacular naval confrontations in history Perhaps the San Francisco Chronicle said it best If only all history lessons could be as vibrant The American Sharpe Gareth Glover, 2016-10-30 Sharpe and his adventures has made the 95th Foot

renowned again and the discovery of an unpublished diary by an American from Charleston South Carolina who served despite his father's objections as an officer in this elite regiment has caused great excitement James Penman Gairdner was born in Charleston South Carolina but he was sent back to the Old Country for his education receiving his schooling at Harrow After school rather than joining his father's merchant business he decided to become a soldier receiving a commission in the famous 95th Rifles He subsequently served without a break from the siege of Ciudad Rodrigo in January 1812 until the end of the war in 1814 He then fought in the Waterloo campaign and formed part of the Army of Occupation He was wounded on three occasions Throughout his service he kept a journal which he managed to maintain on almost a daily basis This journal along with a number of letters that he wrote to his family have been edited by renowned historian Gareth Glover and are presented here to the public for the first time Readers will not find dramatic stories of great battles or adventurous escapades Instead Gairdner details the everyday life of one of Wellington's soldiers one of marches and billets of the weather the places and the people of the Iberian Peninsula and of Paris and Occupied France the real nature of soldiering His diaries also highlight the very strange relationship between these newly independent Americans and the Old Country they had so recently fought with which even allowed for a true American boy to fight in the British Army but not in America
