

The background is a dark, textured blue with a mottled pattern. Several stylized flowers are scattered across the image. These flowers are drawn with thin yellow outlines and have yellow centers. The petals are filled with a solid blue color. Some flowers are in the top left, some in the bottom right, and some in the center. The overall aesthetic is elegant and somewhat somber.

Seeing Witness Jane Blocker, 2009 The act of bearing witness can reveal much but what about the figure of the witness itself As contemporary culture is increasingly dominated by surveillance the witness whether artist historian scientist government official or ordinary citizen has become empowered in realms from art to politics In *Seeing Witness* Jane Blocker challenges the implicit authority of witnessing through the examination of a series of contemporary artworks all of which make the act of witnessing visible open to inspection and critique

The Billionaire Alphas Contract Lover Erickson Caesar, 2025-09-02 His hand was wrapped around my throat his thumb swiping across the spot where Roman had a bit down This time his voice was deadly You just had sex with him I felt the blood rush from my face leaving me lightheaded I quickly raised my hand and covered where Roman had kissed No we haven't done anything Do you think I'll believe you He looked at me as if I were a dead person someone who didn't matter who barely existed Yet why did he care if I slept with Roman then My knees trembled but I still forced myself to explain the words tumbling out of my mouth Believe it or not I've never slept with him Griffon gave that sneer of a smile again I'll know for sure after I check He suddenly tore off my dress The day I found out I was dying Alpha Griffon Knight broke up with me Our relationship was a contract but when his true love came back he didn't need me anymore He canceled our contract and told me to get lost I thought that after five years his frozen heart would thaw for me How wrong I was So I packed my things and left Without telling him I only had three months left to live Griffon Knight's private jet landed at the airport at 7 00 p m just as the sun was starting to set vivid orange and red giving way to the bright light of the moon Within a half hour of his arrival he requested that I be brought to his downtown penthouse A Must Read for Billionaire Romance Contemporary Romance Romantic Betrayal Trust Issues Erotic Tension Lovers Book 5 of the series

Lest We Lose Love Scherto Gill, 2023-04-18 Few are aware that since antiquity there has always been the philosophy of love at the core of Western culture It articulates what makes life meaningful and worthwhile and how we can live a good life together through an ethic of love This book fills this significant gap not only reconnecting the reader with such important wisdom and more crucially also reorienting our socio economic institutions and collective actions towards more loving and caring and more concerned with the qualities of our

lived experiences By re-discovering the gifts of love we may challenge the existing systemic dehumanisation and draw from knowledge and understanding already present in our culture This is timely because the global crises we are facing are catastrophic especially when it comes to climate change Therefore we must respond from a place of love rather than fear Whether it is reducing the use of fossil fuels lowering greenhouse emission choosing the right food to eat or advocating for structural transformation our concerted endeavours start with an appropriate appreciation of the nature of our well-being which includes the planet's well-being This book highlights a clear pathway forward to ensure collective healing and co-flourishing with nature we must practise the art of loving
