Sectors Harule Stokes,2013-06-17 A murder has been committed in Westwood Joseph Marshall a newly graduated NextGen operative is sent to investigate the only suspect one of the last remaining Fallen Will he live long enough to solve the murder or die by the hands of one of the most powerful living weapons ever created During the Great War the Northern Alliance was losing ground to its southern neighbor Keynosa The Keynosians were a people whose entire society was built around the manipulation of plant life Unable to stem the overwhelming power of the Keynosian's greatest weapon the empowered soldier the North made a desperate gamble to create their own empowered Thousands of volunteers offered their lives to the experiment in a process called The Sacrifice From those thousands who gave themselves for their country only a few hundred emerged changed They became the Fingers of God the world's most powerful living weapons With the war over these heroes having fought and killed for their country could not maintain their grip on reality The process that created them corroded their minds and they were given the moniker of Fallen Their legacy continues on in their children the NextGen Now more than 70 years after the war's end the threat of the Keynosian remains The progeny of the Fallen are tasked with securing a massive series of concentration camps called the Sectors Constructed after the Great War the Sectors hold the surviving Keynosian people and their living weapons the empowered With the Fallen lost what can the Northern Alliance do to contain this threat Their solution is the Peacemaker collar A thin ring of metal it gives a steady dose of a powerful drug

that inhibits the potential of the empowered but also rots the mind of the wearer In a world where morality is thrown to the wayside for the sake of security and the only path available is the one provided to you is there a place where a good man can rise above it all

The Moon Pool by A. Merritt Abraham Merritt, 2025-03-22 The Moon Pool by A Merritt is a seminal work of early 20th century science fiction that masterfully blends adventure fantasy and elements of the mystical Originally published in serial form in 1918 this novel encapsulates the imaginative spirit of its time and has garnered a dedicated following through the decades Merritt's richly descriptive prose transports readers into a mesmerizing realm filled with strange creatures ancient civilizations and enigmatic powers making it an early precursor to contemporary fantasy literature The story begins when a research expedition to the South Seas is launched to investigate the mysterious disappearance of a previous team The protagonist Dr Walter Goodwin is a geologist who becomes part of this daring venture filled with both trepidation and curiosity As the narrative unfolds he and his companions encounter the seductive allure of a hidden island known as the Moon Pool This island harbors a bewildering array of secrets and challenges that test their courage and intelligence At the heart of The Moon Pool is a mysterious lunar pool that possesses uncanny otherworldly qualities This water is not merely a geographical feature but rather a gateway to ancient knowledge and power beckoning characters to delve deeper into its mysteries Merritt elegantly evokes the sensory experience of the Moon Pool painting vivid pictures of its shimmering surface and haunting ambiance The allure of the pool serves as a catalyst for the story driving characters to confront their desires fears and the very essence of what it means to wield power The novel introduces readers to a host of fascinating characters beyond Dr Goodwin including the enigmatic Yolara a bewitching queen associated with the Moon Pool Her character embodies both allure and danger manifesting the seductive pull of the unknown As an embodiment of timeless beauty and peril Yolara becomes the focal point of a central conflict within the story drawing characters into a web of intrigue as they navigate their desires and the consequences of their choices Merritt's storytelling is characterized by dramatic twists an intricate plot and a rich tapestry of themes that include love sacrifice and the struggle for knowledge The interplay between science and the supernatural is deftly handled creating an environment in which characters explore not only the external mysteries of their surroundings but also their internal landscapes As they voyage into the unknown they confront personal demons and make choices that will irrevocably alter their fates The lush and immersive descriptions in The Moon Pool are a hallmark of A Merritt's writing style His understanding of nature combined with a profound sense of myth and fantasy invites readers to lose themselves in the vivid landscapes he creates This novel is noted for its ability to evoke a sense of wonder transporting readers to realms where reality and dream intermingle seamlessly Scholars and enthusiasts of science fiction and fantasy often regard The Moon Pool as a seminal text reflecting the prevalent themes of early science fiction narratives The interplay of civilization versus the wild the exploration of ancient lore and mankind's eternal fascination with the unknown are presented through Merritt's imaginative lens setting the stage for subsequent works in the

genre Additionally the novel's exploration of consciousness and metaphysical themes has contributed to its enduring appeal resonating with readers long after its initial publication The pacing of the novel allows for both moments of thrilling action and contemplative reflection As characters grapple with the profound implications of their discoveries readers are invited to join them on an extraordinary journey defined by wonder terror and possibility Merritt successfully strikes a balance between fantastical elements and rich character development encouraging readers to empathize with the emotional stakes at play In conclusion *The Moon Pool* by A Merritt remains an essential work in the canon of early science fiction and fantasy literature Its richly woven narrative complex characters and immersive world building continue to captivate readers offering a glimpse into a world filled with both adventure and introspection Merritt's ability to intertwine myth and reality creates a timeless story that invites exploration beckoning readers to consider the mysteries lurking just beyond the horizon Whether you are a long time fan of speculative fiction or a newcomer to the genre *The Moon Pool* is a captivating read that promises to leave a lasting impression
