Shattered Alliance:

The Shattered Alliance Jeff Grubb,2000 The Ice Age has finally come to an end but the world discovers that it now faces a new threat as legions of the undead unleash an evil new plague on the living Command Under Sail James C Bradford,2013-01-15 This entertaining collection of essays takes a biographical approach to early American naval history The period from 1775 to 1850 was a trying time for the infant navy a time when much was demanded of individual officers New in paperback this book focuses not only on battles and ships but on the colorful men such as Oliver Hazard Perry and Stephen Decatur who helped shape the U S Navy in the age of sail By viewing the era through the lives of the participants readers will gain a deeper understanding of the strengths and weaknesses of America s new navy and the roots of its traditions **Short Stories A.I. Vol 3** Johnny Autobot,2023-12-02 13 Short Stories written by artificial intelligence 245 Pages The Shardspire Ascension: Daughter of the Rift Sierra McKinney, **Popular Mechanics** ,1982-12 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle Shattered Alliance Benjamin Wallace,2020-04-05 The galaxy will never be the same again A surprise attack during a routine First Contact ceremony turns the Alliance s flagship into a firework display over the desert planet Shandor and lands Captain Thurgood and several of his crew in the hands of an enemy they never knew existed For the first time in its existence the Alliance finds itself outmatched and powerless to act So it falls to a corporate spy the galaxy s most wanted criminal and a soldier from another era to rescue the Captain and his crew Whether they succeed or fail the fact remains that the balance of power in the galaxy has shifted and nothing will ever be the same Filled with intense action epic battles ruthless enemies cool ships alien worlds smooth spies hot criminals grumpy sidekicks narcissistic captains unacceptable insubordination hostile relics and some deep dark secrets Shattered Alliance is a hilarious look at humanity s future in the stars from the author of the bestselling Duck Cover Adventures **Resistance and Integration** Daniel James,1993 A solidly researched persuasive study of the Argentine labour movement which analyses the relationship between Peronism and the Argentine working class **America's Entangling Alliances** Jason W. Davidson,2020-11-02 America s Entangling Alliances challenges the belief that the US resists international alliances By documenting thirty four alliances categorized as defense pacts military coalitions or security partnerships Davidson finds that the US demand for allies is best explained by looking at variance in its relative power and the threats it has faced **Trujillo: The Life and Times of a Caribbean Dictator** Robert D. Crassweller,2023-01-28 This is the most satisfactory study of Rafael Trujillo 1891 1961 yet published Mr Crassweller has used printed materials and interviews to reconstruct the life of the Caribbean strongman and his book is not the typical sycophantic panegyric published during Trujillo s rule or a recapitulation of the worst excesses of his dictatorship It is a surprisingly well balanced attempt to understand the man his motives and his regime

Trujillo was the product of the United States occupation between 1916 and 1924 Born in humble circumstances in 1891 his career had been inauspicious until he discovered that he might be able to obtain a commission in a new constabulary being formed by the occupation forces within ten years he was in charge of the nation s armed forces and by 1930 he was President From that time until his death he ruled his country with an iron hand and the author lucidly shows how he converted it into his own personal estate through political and economic manipulation A vain man Trujillo used the vanity of others to achieve his goals He thought everyone had his price and all too often he was right Not only would Dominicans debase themselves in order to receive the dictator s largesse but there is evidence as the author shows that United States Congressmen and even the Vatican accepted favours from Trujillo But in his quest for power he made more enemies than friends and the account of his decline is both informative and dramatic International Journal Crassweller has produced a superb volume about the man in Caribbean politics from the early 1930 s until the rise of Fidel Castro This portrait of Dominican politics and the ascendancy of Trujillo is chilling in its implications and far surpasses what the average critic of Trujillo imagined The former dictator is portrayed as a tyrant in the absolute sense operating through a series of clever tactics to intimidate those around him this volume must stand as an achievement The Review of Politics Here we have a small miracle Crassweller has produced the best work on Trujillo the man and the Dominican Republic the country that we have or are likely to get in the years immediately ahead In scope the book is both expansive and intimate paying careful attention to the changing historical circumstances as it concentrates on the personal characteristics and activities The New York Times Book Review This book deserves to be read no comparable picture of the Caribbean saga exists in English a devastating history This biography of Trujillo may be read as a super detective story or as colorful history or as a commentary on our times No one starting the book is likely to put it down and he will be left at the end with a pressing question of how sane clean and healthy forces can be made to triumph in this area so vital to the safety of the United States The New York Herald Tribune s Book Week This is a remarkable account of a remarkable period in Caribbean history well planned and well written Chicago Tribune Mr Crassweller s account of this power crazy dictator and his times is a monumental job of historical and biographical research and writing Christian Science Monitor This biography of Trujillo is by far the best available In a vivid very readable style it presents a mass of information much of it hardly known most of it of historical interest highly recommended as a lively portrait of a fascinating character Caribbean Studies I suppose everyone has told you what a subtle elegant and penetrating account you have written of Trujillo But let me also add my word This combination of artistry and craftsmanship happens only about once every five years John Kenneth Galbraith *The Review of Reviews* ,1896 **The Review of Reviews** William Thomas Stead,1896 [The Ocean-Hill Brownsville Conflict](#) Glen Anthony Harris,2012-01-01 The history of Black Jewish relations from the beginning of the twentieth century shows that while they were sometimes partners of convenience there was also a deep suspicion of each other that broke out into frequent public exchanges During the twentieth century the

entanglements of both groups have at times provided an important impetus for social justice in the United States and at other times have been the cause of great tension The Ocean Hill Brownsville Conflict explores this fraught relationship which is evident in the intellectual lives of these communities The tension was as apparent in the life and works of Marcus Garvey Richard Wright and James Baldwin as it was in the exchanges between blacks and Jews in intellectual periodicals and journals in the 1940s 1950s and 1960s The Ocean Hill Brownsville conflict was rooted in this tension and the longstanding differences over community control of school districts and racial preferences **Blackwood's Edinburgh Magazine** ,1820

Postal: Book One HC Bryan Hill,Matt Hawkins,2020-05-27 Welcome to Eden Wyoming founded by criminals for criminals where crime is not tolerated But a terrible murder shatters the fragile peace of this remote town driving local postman Mark Shiffon down a twisting path to the truth about his hometown and himself After all as the son of its cofounders Eden is his birthright Co writers BRYAN HILL and MATT HAWKINS team with artist ISAAC GOODHART for an unflinching tale about the price of redemption told through the perspective of a young man with Asperberger s and set in the murky soul of America s heartland Collects POSTAL 1 25 POSTAL LAURA POSTAL MARK TRIM Indians in Unexpected Places Philip J. Deloria,2004-10-18 Despite the passage of time our vision of Native Americans remains locked up within powerful stereotypes That s why some images of Indians can be so unexpected and disorienting What is Geronimo doing sitting in a Cadillac Why is an Indian woman in beaded buckskin sitting under a salon hairdryer Such images startle and challenge our outdated visions even as the latter continue to dominate relations between Native and non Native Americans Philip Deloria explores this cultural discordance to show how stereotypes and Indian experiences have competed for ascendancy in the wake of the military conquest of Native America and the nation s subsequent embrace of Native authenticity Rewriting the story of the national encounter with modernity Deloria provides revealing accounts of Indians doing unexpected things singing opera driving cars acting in Hollywood in ways that suggest new directions for American Indian history Focusing on the late nineteenth and early twentieth centuries a time when according to most standard American narratives Indian people almost dropped out of history itself Deloria argues that a great many Indians engaged the very same forces of modernization that were leading non Indians to reevaluate their own understandings of themselves and their society He examines longstanding stereotypes of Indians as invariably violent suggesting that even as such views continued in American popular culture they were also transformed by the violence at Wounded Knee He tells how Indians came to represent themselves in Wild West shows and Hollywood films and also examines sports music and even Indian people s use of the automobile an ironic counterpoint to today s highways teeming with Dakota pick ups and Cherokee sport utility vehicles Throughout Deloria shows us anomalies that resist pigeonholing and force us to rethink familiar expectations Whether considering the Hollywood films of James Young Deer or the Hall of Fame baseball career of pitcher Charles Albert Bender he persuasively demonstrates that a significant number of Indian people engaged in modernity and helped shape its

anxieties and its textures at the very moment they were being defined as primitive These secret histories Deloria suggests compel us to reconsider our own current expectations about what Indian people should be how they should act and even what they should look like More important he shows how such seemingly harmless even if unconscious expectations contribute to the racism and injustice that still haunt the experience of many Native American people today **Don't Shoot** David M. Kennedy,2011-11-07 The remarkable story of David Kennedy s crusade to combat America s plague of gang and drug related violence with methods that have been astonishingly effective across the country If you want to read a book on urban gangs and find out why they exist and why they kill each other read this this is a sociology book but it s like immersing yourself in *The Wire* When Kennedy says something you believe him Scotsman Gang and drug related inner city violence with its attendant epidemic of incarceration is the defining crime problem in our country In some neighborhoods in America one out of every two hundred young black men is shot to death every year and few initiatives of government and law enforcement have made much difference But when David Kennedy a self taught and then unknown criminologist engineered the Boston Miracle in the mid 1990s he pointed the way toward what few had imagined a solution *Don t Shoot* tells the story of Kennedy s long journey Riding with beat cops hanging with gang members and stoop sitting with grandmothers Kennedy found that all parties misunderstood each other caught in a spiral of racialized anger and distrust He envisioned an approach in which everyone gang members cops and community members comes together in what is essentially a huge intervention Offenders are told that the violence must stop that even the cops want them to stay alive and out of prison and that even their families support swift law enforcement if the violence continues In city after city the same miracle has followed violence plummets drug markets dry up and the relationship between the police and the community is reset This is a landmark book chronicling a paradigm shift in how we address one of America s most shameful social problems A riveting page turning read it combines the street v rit of *The Wire* the social science of *Gang Leader for a Day* and the moral urgency and personal journey of *Fist Stick Knife Gun* But unlike anybody else Kennedy shows that there could be an end in sight [The Irish Ecclesiastical Record](#) ,1905 *Scholasticism Old and New* Maurice Wulf,1907 [Learning from the Ground Up](#) Dip Kapoor,Aziz Choudry,2010-10-18 The dynamics politics and richness of knowledge production in social movements and social activist contexts are often overlooked This book contends that some of the most radical critiques and understandings about dominant ideologies and power structures and visions of social change have emerged from those spaces **The Khan's Curse** Sarah Vang,2024-11-12 1247 Karakorum jewel of the Mongol Empire shivers under a terror far colder than the steppe winds Grisly murders grip the city each victim a twisted monument to fear marked by an unnatural force Whispers name the culprit Genghis Khan returned not in flesh but as a vengeful spirit his deathbed curse unleashed upon his own bloodline for a betrayal buried with him in the heart of the steppe Ulan a seasoned Khereid warrior a man grounded in pragmatism is summoned by the Great Khan Haunted by whispers of his own ancestry Ulan is tasked with silencing the growing panic and

unraveling the truth His investigation plunges him into a world of contorted bodies and whispered secrets where the Mongol elite cloaked in silk and fear conceal ambitions as treacherous as the empire's internal struggles Shamans speak of disturbed spirits and forgotten gods Ancient texts reveal the Kh kh M nk the Blue Wolves a shadowy sect led by the enigmatic Bridget Mosley who seeks to wield the curse as a weapon to seize control But even they cannot contain the escalating horror Ulan's pursuit of the truth leads him beyond Karakorum's walls into the vast steppe where he encounters Naraa a young shamaness whose wisdom defies her age Together they uncover a hidden truth a secret buried by Genghis Khan himself a secret that could shatter the empire's foundations He learns the curse is not mere vengeance but something far more profound intertwined with the very soul of the Mongol Empire As the line between the living and the spectral blurs Ulan must confront not just a vengeful spirit but the dark heart of his ancestors and the empire they forged He must embrace a spiritual world he has long denied forge uneasy alliances with a cunning Rus merchant named Elina Petrova and face the shadows of his own past a past inextricably linked to the Khan's wrath In the heart of Karakorum amidst the spectral hordes unleashed by the Blue Wolves Ulan faces his final test He must decipher the Khan's true intent a truth far more terrifying and far more crucial than mere revenge For the Khan's curse was not a curse at all but a desperate warning against a forgotten evil that now threatens to consume everything The fate of the Mongol Empire and Ulan's very soul hang in the balance
