Shattering The Left Behind Delusion:

Shattering the Left Behind Delusion John Reid Noe,2000 **The Last Days Are Left Behind** James Ellis,2008-06

Have you been wondering as a Christian or non Christian what many think and expect will happen in the last days or end times with all the talk and focus in the headlines and some churches about our future And with all the events taking place in the Middle East especially Israel And Iran Are you confused because of various end time scenarios and conflicting opinions promoted through popular books on prophecy the Left Behind series televangelists preachers and others speaking of a great tribulation rapture Armageddon Apocalypse the destruction of the earth a new heaven and earth a second coming and a millennium There has been an overload of teaching and information about these things over the last century however sincere and cloaked in good intentions yet with long held and deep seated traditions and doctrines all borne of a lack of accurate knowledge particularly the Hebrew and Greek and information based on compelling evidence Would you like to know what the Bible actually says about all these issues For God s Word itself Let Scripture Interpret Scripture and the Holy Spirit are the only necessary interpreters The Last Days Are Left Behind will challenge your thinking help to erase the confusion and provide clarity regarding the present day purpose of God Author James Ellis demonstrates end time truth based logically on solid evidence after a linguistically accurate biblically consistent and intellectually honest examination of the Bible s prophetic passages and verses the original languages Hebrew and Greek the social cultural and historical context of Scripture and the relevance of the audience spoken or written to in God s Word Will Catholics Be Left Behind? Carl Olson,2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling Left Behind books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how Left Behind creator LaHaye s many works on Bible prophecy are filled with attacks on Catholicism and often rely on sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits Envoy magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist

system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book A Catholic Critique of Dispensationalism focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people and clergy and students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving the rest of us to the horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the nineteenth century It is an authentic Fundamentalist invention Karl Keating Author Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon s scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church s majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O Brien Author Father Elijah

Victorious Eschatology: A Partial Preterist View Dr. Harold R. Eberle, Dr. Martin Trench, A biblically based optimistic view of the future Along with a historical perspective this book offers a clear understanding of Matthew 24 Daniel 2 and 9 the book of Revelation and other key passages about the events to come before and after the return of Jesus Christ Satan is not going to take over this world Jesus Christ is Lord and He will reign until every enemy is put under His feet Harold s book The Comings of Christ Why I Am a Partial Preterist Not a Full Preterist gives the reader the NEXT peek into implications and applications for Victorious Eschatology

Rapture David Currie, 2003-07-31 The end times error that leaves the Bible behind Author David Currie grew up convinced that one day all true Christians will suddenly be snatched up to heaven The unfortunate souls left behind by this rapture will endure seven horrible years of tribulation at the end of which Christ will return to earth for a glorious thousand year reign Today millions of Christians accept this end times theology assuming as Currie did that the Bible clearly teaches it Many plan their whole

lives around it But after studying Scripture for decades Currie has come to see that if you accept the Bible you have to reject the rapture In these remarkable pages which constitute the world s most careful and thorough scriptural study of the rapture Currie demonstrates why He considers all the relevant verses and there are hundreds and examines them in the light of ancient history the writings of the earliest Christians and the claims of rapturist theologians With painstaking thoroughness he unlocks the meanings of the key biblical prophecies that culminate in Christ s Messianic Kingdom including those verses in Daniel Matthew and Revelation that rapturists turn to most Marshalling evidence that s as startling as it is compelling Currie argues that these prophecies of war and tribulation don t point to some still unrealized apocalyptic future Rather most of them were fulfilled long ago the spiritual priestly Kingdom prefigured in the Old Testament was inaugurated on Calvary consummated in 70 A D with the destruction of the Temple and continues to exist today in the Catholic Church That may surprise you Yet shows Currie it s the only conclusion that fits all the scriptural and historical evidence Rapture The End Times Error That Leaves the Bible Behind makes Scripture prophecy and history come alive and it demonstrates that if you open your Bible you ll find that God s plan for the future of the world is not filled with darkness and disaster but with light mercy and hope We can all learn much from David Currie not only from what he says which is wise but from how he says it which is Catholic and Christian From the Foreword by Scott Hahn Special features Over 1 300 references to Scripture the early Church Fathers authors and events in ancient history and contemporary rapturist theologians Ten detailed timelines relating biblical prophecy to key historical events The biblical case for the rapture showing why so many accept it A survey of the thoughts of the early Church Fathers about the end times A history of the development of rapturist theories showing how this heresy has been refuted time and again by the Church A short course in the proper methods of reading Scripture A survey of end times hypotheses from the first century through 9 11 2001 Nine ground rules you must follow if you are to make sense of biblical prophecy and relate it to salvation history A 10 page annotated bibliography of rapturist sources ancient and new Plus much more to help you understand and evaluate the claims of rapturists Among the sources cited Julius Africanus St Athanasius St Augustine Pope Benedict XV Andreas of Cappadocia St Clement of Alexandria G K Chesterton St John Chrysostom St Clement of Rome St Cyril of Jerusalem St Epiphanius of Salamis Jos maria Escriva Catechism of the Catholic Church Dei Verbum Enchiridion Symbolorum Eusebius St Hippolytus of Rome St Ignatius of Antioch St Irenaeus St Jerome Flavius Josephus St Justin Martyr Tim LaHaye Pope Leo XIII C S Lewis Hal Lindsey Lumen Gentium Origen Blaise Pascal Pope St Pius X Pope Pius XII Bertrand Russell St Polycarp St Thomas Aquinas St Sulpicius Severus Tacitus Tertullian Victorinus

Christian Zionism Stephen Sizer, 2021-09-13 I am glad to commend Stephen Sizer s groundbreaking critique of Christian Zionism His comprehensive overview of its roots its theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen s book has helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on

the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology Canon Naim Ateek Stephen Sizer's Christian Zionism Road Map to Armageddon is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone's perspective on the Middle East permanently Professor Gary M Burge Congratulations on Christian Zionism The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching I couldn't be happier that this is published You and I see eye to eye on this issue Yours is a true prophetic voice so badly needed in the current prophecy frenzy And when this mania also affects national and international policy the danger takes on larger proportions Professor Paul Maier Stephen Sizer's work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian Israeli conflict Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ Dr Donald Wagner This study of Christian Zionism based on Stephen Sizer's doctoral thesis is of seminal significance It provides a fascinating survey of the history of Christian Zionism and an in depth analysis of the theology of this highly important and influential movement Rabbi Professor Dan Cohn Sherbok **The Birth Pangs** Michael Abdul-Malak,2010-02 Unlike many books on the Second Coming The Birth Pangs explores prophecy starting with just the Bible and no preconceived ideas Author Dr Abdul Malak gives fresh and unique insight into key prophetic events and passages found throughout the Bible When it comes to controversial events such as the Second Coming or the timing of the Rapture he challenges mainstream theories in an objective and unbiased manner subjecting them to rigorous examination in light of other appropriate Scriptures His goal was to create a straightforward holistic account of the end times that any Christian can grasp The Birth Pangs is the fruit of that labor With the trained eye of a diligent professional Dr Abdul Malak harnesses his experience with thousands of labors as a gynecologist taking readers on a fascinating journey through the most confusing and controversial parts of the Bible end time prophecies As a skilled surgeon he carefully dissects God's Word one layer at a time revealing the details and hidden treasures in the cryptic language of prophecy Like the labor process he believes that end time prophecy should be simple enough for every Christian to understand With detailed explanations and imagery Dr Abdul Malak reveals exactly why Jesus referred to the end times as The Birth Pangs **The Delusion Series Books 1-3: The Delusion / The Deception / The Defiance** Laura Gallier,2024-02-20 This Christy Award winning series follows Owen Edmonds in a coming of age paranormal thriller as he becomes an eyewitness to unseen forces of terror

Fixing the carnage on our roadways requires a change in mindset and a dramatic transformation of transportation This goes for traffic engineers in particular because they are still the ones in charge of our streets In **Killed by a Traffic Engineer** civil engineering professor Wes Marshall shines a spotlight on how little science there is behind the way that our streets are engineered which leaves safety as an afterthought While traffic engineers are not trying to cause deliberate harm to anyone he explains they are guilty of creating a transportation system whose designs remain largely based on plausible but unproven conjecture **Killed by a Traffic Engineer** is ultimately hopeful about what is possible once we shift our thinking and demand streets engineered for the safety of people both outside and inside of cars It will make you look at your city and streets and traffic engineers in a new light and inspire you to take action **A Student's Note Book.
