Shaven Angels 4 Hc:

Shaven angels Peter Lorenz,2004 These Shaven Angels are both simultaneously vulnerable and self confident There is nothing artificial or doll like about these angels They really look like the proverbial girl next door It s not the size of their breasts or the length of their legs that matters but solely their personalities Lorenz has a surprising answer to the question of whether the girls had to shave themselves expressly for his photo shoots Nine out of ten were shaven already he says He believes that their hairlessness has to do with a fashion trend and perhaps with the urge to catch up on something that was formerly forbidden because of an old taboo *The Pauline Letters* David Oliver Smith,2022-06-17 In *The Pauline Letters A Rhetorical Analysis* David Oliver Smith unveils his revolutionary discovery that the apostle Paul divided his letters into structured literary units as he wrote them These literary units are based upon repeated words phrases and abstract concepts and are invariably patterned into chiasmic parallel or hybrid structures Using his technique of rhetorical analysis Smith sets out each literary unit in the seven undisputed letters of Paul After the structures of the literary units have been exposed the units reveal interpolations that disrupt Paul s original structure When the interpolations revealed by this technique are compared with interpolations heretofore proposed by Pauline scholars there are some surprising results Smith also uses his technique to analyze the Deutero Pauline letters to determine whether any of those letters exhibit the same literary attributes as the undisputed letters
