**King Solomon's Mines** H. Rider Haggard, 2015-12 *King Solomon's Mines* by H Rider Haggard Classic Novels *King Solomon's Mines* 1885 is a popular novel by the Victorian adventure writer and fabulist Sir H Rider Haggard. It tells of a search of an unexplored region of Africa by a group of adventurers led by Allan Quatermain for the missing brother of one of the party. It is the first English adventure novel set in Africa and is considered to be the genesis of the Lost World literary genre. Allan Quatermain, an adventurer and white hunter based in Durban in what is now South Africa, is approached by aristocrat Sir Henry Curtis and his friend Captain Good seeking his help finding Sir Henry's brother who was last seen travelling north into the unexplored interior on a quest for the fabled King Solomon's Mines. Quatermain has a mysterious map purporting to lead to the mines but had never taken it seriously. However, he agrees to lead an expedition in return for a share of the treasure or a stipend for his son if he is killed along the way. He has little hope they will return alive but reasons that he has already outlived most people in his profession so dying in this manner at least ensures that his son will be provided for. They also take along a mysterious native Umbopa who seems more regal, handsome, and well-spoken than most porters of his class but who is very anxious to join the party. Travelling by oxcart, they reach the edge of a desert but not before a hunt in which a wounded elephant claims the life of a servant. They continue on foot across the desert, almost dying of thirst before finding the oasis shown halfway across on the map. Reaching a mountain range called Suliman Berg, they climb a peak one of Sheba's Breasts and enter a cave where they find the frozen corpse of Jos  Silvestre, also spelt Silvestra, the 16th-century Portuguese explorer who drew the map in his own blood. That night a second servant dies from the cold so they leave his body next to Silvestra's to give him a companion. They cross the mountains into a raised valley lush and green, known as Kukuanaland. The inhabitants have a well-organised army and society and speak an ancient dialect of IsiZulu. Kukuanaland's capital is Loo, the destination of a magnificent road from ancient times. The city is dominated by a central royal kraal.

*King Solomon's Mines* H. Rider Haggard, 2011-02-24 Three men trek to the remote African interior in search of a lost friend and reach at the end of a perilous journey an unknown land cut off from the world where terrible dangers threaten anyone who ventures near the spectacular diamond mines of King Solomon.

land reform and like many Victorians dabbled in spiritualism and the paranormal Haggard's most enduring characters Allan Quatermain and Ayesha were brought together in *She* and Allan Haggard's last major work Three Adventure Novels Henry Rider Haggard, 1951
